TYCOLE T1074A

TYCOLE Super Sports Car Building Block Set Instruction Manual

Model: T1074A | Brand: TYCOLE

Product Overview

The TYCOLE Super Sports Car Building Block Set offers an engaging and challenging building experience for enthusiasts aged 6 and up. This 323-piece set allows you to construct a highly detailed sports car model, complete with realistic features and a transparent display case for showcasing your creation.

Safety Information

WARNING: This product contains small parts and is **not suitable for children under 3 years** due to choking hazards. Adult supervision is recommended during assembly and play for younger users.

Package Contents

Please verify that all components are present before beginning assembly:

- 323 Building Block Pieces (various shapes and sizes)
- Transparent Display Case (multiple parts for assembly)
- Color-Printed Instruction Manual (this document refers to the physical manual included in the box)

Setup and Assembly

Follow the detailed, color-printed instructions provided in the box for step-by-step assembly of your Super Sports Car model. The pieces are organized into packages to simplify the building process.

1. **Unpack Components:** Carefully remove all building block packages and display case parts from the box.
2. **Organize Pieces:** It is recommended to sort pieces by color or type as indicated in the instruction manual to facilitate assembly.
3. **Follow Instructions:** Begin building the car model by following the sequential steps in the included color-printed manual. Each step is illustrated to guide you.
4. **Assemble Display Case:** Once the car model is complete, assemble the transparent display case according to its separate instructions. The display case is designed to be stackable.

Operating and Features

Your TYCOLE Super Sports Car model is designed with several interactive features:

- **Openable Car Cover:** The car's cover can be opened to reveal interior details.
- **Rotatable Tires:** All four tires are designed to rotate, allowing for display in various positions.
- **Adjustable Rearview Mirrors:** The rearview mirrors can be adjusted for added realism.
- **Display Case:** The included transparent display case protects your model from dust and damage. It is also stackable, allowing for organized display of multiple models.

Maintenance

To ensure the longevity and appearance of your building block model:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust from the model and display case. For stubborn dirt, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in its display case to protect it from dust and accidental damage. Keep it away from direct sunlight and extreme temperatures to prevent material degradation or color fading.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching.

Troubleshooting

If you encounter any issues during assembly or with the product:

- **Missing Pieces:** In the rare event of missing parts, please refer to the contact information provided in the original product packaging or reach out to TYCOLE customer service directly.
- **Assembly Difficulties:** Double-check the color-printed instruction manual. Ensure you are using the correct pieces for each step and that they are oriented correctly. Sometimes, re-examining previous steps can help identify an error.
- **Loose Connections:** Ensure all blocks are firmly pressed together to create secure connections.
