Safety Information

WARNING: Not suitable for children under 3 years due to small parts which may present a choking hazard. Always supervise young children during assembly and play. Keep all packaging materials away from children to prevent suffocation risks.

Assembly Instructions

The TYCOLE T1097A building set is designed for straightforward assembly. Follow the steps below for a successful build:

1. **Unpack Components:** Carefully open the packaging and sort the building blocks. The parts are typically organized into step-by-step numbered bags to simplify the process.
2. **Review Instructions:** Refer to the included color-printed instruction manual. Familiarize yourself with the overall design and the sequence of steps.
3. **Follow Step-by-Step Guide:** Assemble the model by following the detailed illustrations and instructions provided in the manual. Ensure each piece is securely connected.
4. **Display Case Assembly:** Once the car model is complete, assemble the transparent display case according to its separate instructions (if provided).

Assembly time typically ranges from 1 to 3 hours, depending on individual experience.

Operating and Display

Once assembled, your TYCOLE T1097A model offers several interactive elements and is ready for display.

- **Rotatable Tires:** The wheels are designed to rotate, allowing for dynamic posing or gentle play.
- **Openable Car Cover:** The front hood can be opened to reveal internal details.
- **Openable Rear Section:** The rear of the car also features an openable component, adding to the model's detail.
- **Display Case Usage:** Place the finished model inside the transparent display case to protect it from dust and damage. The cases are stackable, allowing for organized display of multiple TYCOLE models.

Maintenance

To ensure the longevity and appearance of your TYCOLE building block model:

- **Cleaning:** Gently wipe the model and display case with a soft, dry cloth to remove dust. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Keep the model in its display case to protect it from dust, direct sunlight, and potential damage. Store in a cool, dry place.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching.

Troubleshooting

Missing Parts:

In the event that you encounter any missing parts during the assembly process, please do not hesitate to contact TYCOLE customer support. We are committed to providing a satisfactory solution and will assist you in obtaining the necessary components.

Difficulty with Assembly:

If you find certain steps challenging, re-examine the color-printed instructions carefully. Ensure all pieces are oriented correctly and pressed firmly into place. Building block connections can sometimes require a firm push.
