TYCOLE T1075A

TYCOLE Super Sports Car Building Block Set Instruction Manual

Model: T1075A | Brand: TYCOLE

Introduction

This manual provides detailed instructions for assembling and understanding the features of your TYCOLE Super Sports Car Building Block Set, Model T1075A. This set is designed to offer an engaging building experience and results in a detailed collectible model.

Safety Information

Warning: Not suitable for children under 3 years due to small parts which may present a choking hazard.
Always ensure all building blocks are securely connected to prevent detachment during play or display. Keep the set away from extreme heat sources to avoid material deformation.

What's in the Box

Your TYCOLE Super Sports Car Building Block Set includes:

- 326 Building Block Pieces
- Color-Printed Instruction Manual
- Display Case

Assembly Instructions (Setup)

The assembly process is designed to be straightforward with clear, color-printed instructions. The estimated assembly time is 1-3 hours.

1. **Unpack Components:** Carefully open the packaging and sort the building blocks. Pieces are typically organized in step-by-step bags to simplify the process.
2. **Follow Instructions:** Refer to the included color-printed instruction manual. Each step illustrates the required pieces and their placement. Pay close attention to the diagrams.

3. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable and durable model.
4. **Apply Stickers:** If included, apply any decorative stickers as indicated in the manual for enhanced detail.

Product Features

The TYCOLE Super Sports Car model incorporates several realistic and interactive features:

- **Openable Car Cover:** The engine cover can be opened to reveal internal details.
- **Rotatable Tires:** All four wheels are designed to rotate freely.
- **Detailed Interior:** The cockpit features a steering wheel and dashboard elements.
- **High-Transparency Windshield:** A clear windshield provides a view of the interior.

Display Case Usage

The included display case is designed to protect your assembled model from dust and enhance its presentation. It features high transparency and is stackable with other TYCOLE display cases.

- Place the assembled car onto the base of the display case. The base has studs to securely connect the car.
- Carefully place the clear acrylic cover over the car and onto the base.
- For multiple models, cases can be stacked vertically to save space and create an organized collection.

Maintenance

To ensure the longevity and appearance of your building block set:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust from the model and display case. For stubborn marks on the display case, a slightly damp cloth with mild soap can be used, followed by drying with a clean, soft cloth.
- **Storage:** Store the assembled model in its display case to protect it from dust and accidental damage. Keep the set in a cool, dry place away from direct sunlight to prevent color fading or material degradation.
- **Handling:** Handle the model carefully, especially when moving it, to avoid dislodging any pieces.

Troubleshooting

If you encounter any issues during assembly or with the product:

- **Missing Parts:** In the event of missing pieces, please contact TYCOLE customer support. Provide details of the missing parts and your purchase information for assistance.
- **Difficulty Assembling:** Review the instruction manual carefully. Ensure you are using the correct pieces for each step. If a step remains unclear, try re-examining the diagrams or contacting support.
- **Loose Connections:** If pieces do not hold together firmly, ensure they are fully pressed into place. Sometimes, slight adjustments are needed for a secure fit.

Specifications

Attribute	Detail
Product Dimensions	5.83 x 3.43 x 1.89 inches
Item Weight	15.2 ounces
Model Number	T1075A
Manufacturer Recommended Age	6 years and up
