3. SETUP INSTRUCTIONS

3.1 Charging the Keyboard

Before initial use, fully charge the keyboard.

1. Locate the USB-C charging port on the side of the keyboard.
2. Connect the provided USB-C cable to the keyboard and a power source (e.g., USB wall adapter, computer USB port).
3. The charging indicator light will illuminate. Once fully charged (approximately 2-3 hours), the light will change or turn off.

3.2 Attaching Your iPad

The case is designed for easy attachment and automatic activation.

1. Align your iPad with the case.
2. Gently press the iPad into the protective frame of the case until it is securely seated.
3. The keyboard will automatically power on when the iPad is attached and positioned for use.

1s Start-up

No switch required, 1s quick start

Image: A close-up of the keyboard and iPad showing the magnetic connection and the "1s Start-up" feature, indicating no physical switch is required for quick activation.

3.3 Bluetooth Pairing

To use the keyboard functionality, you need to pair it with your iPad via Bluetooth.

1. Ensure the keyboard is powered on (by attaching the iPad).
2. On your iPad, go to **Settings > Bluetooth**.

3. Turn on Bluetooth.
4. The iPad will search for available devices. Look for "Inateck Keyboard" or a similar name in the list of devices.
5. Tap on the keyboard name to initiate pairing.
6. Follow any on-screen prompts to complete the pairing process.

4. OPERATING INSTRUCTIONS

4.1 Smart On/Off Functionality

The keyboard case features a smart on/off function to conserve power.

- **Open:** When the iPad is opened and positioned for use, the screen wakes up automatically.
- **Close:** When the iPad is closed, the screen automatically goes to sleep.

Smart Screen On/Off

More power saving

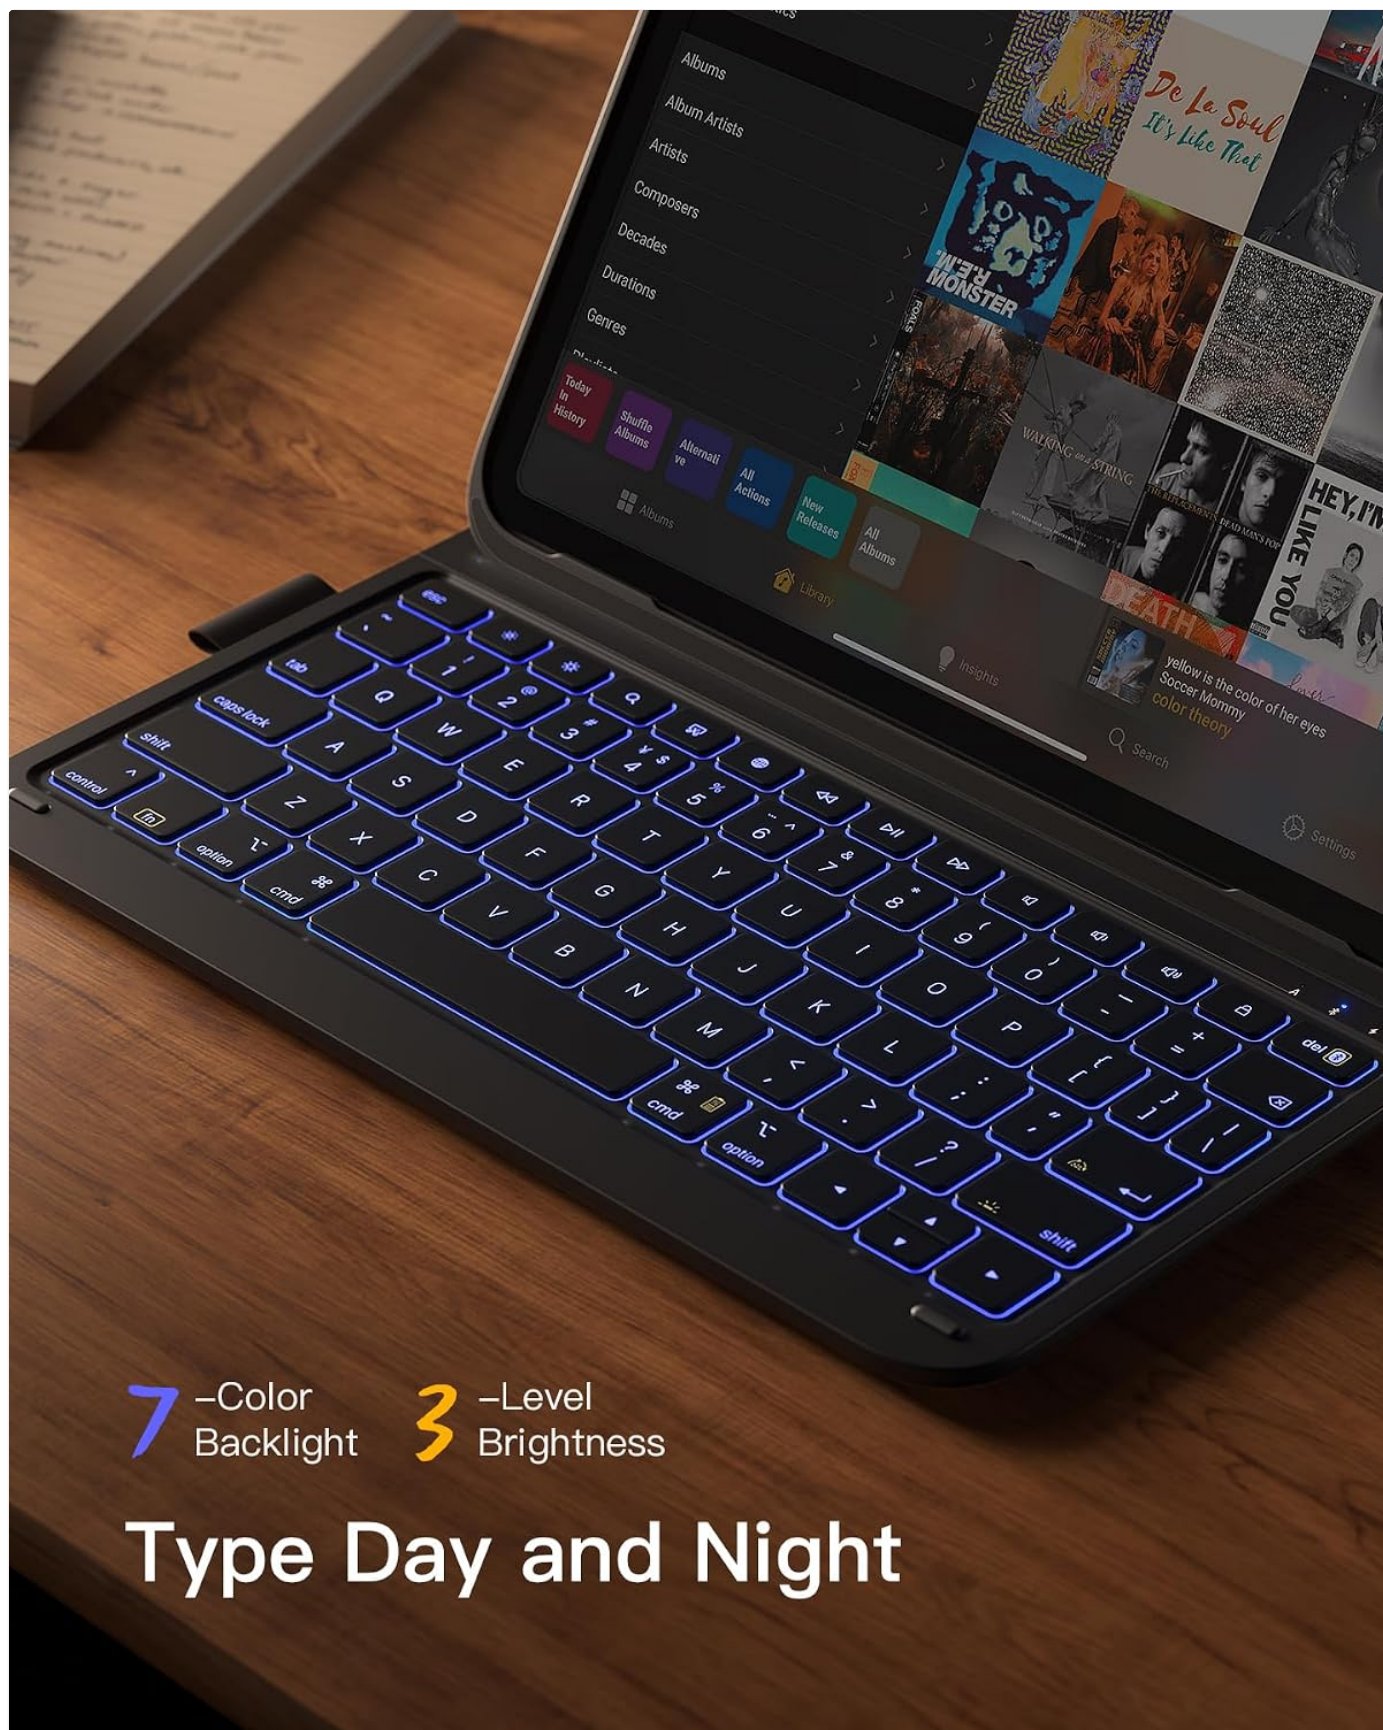

Image: An illustration showing the iPad screen waking up when the case is opened and sleeping when the case is closed, demonstrating the smart on/off feature.

4.2 Keyboard Backlight

The keyboard features 7-color backlighting with 3 adjustable brightness levels.

- Press the **Light Bulb** key (usually located near the function keys) to cycle through backlight colors.
- Press the **Brightness Up/Down** keys (often combined with function keys) to adjust the brightness level.

7 –Color Backlight **3** –Level Brightness

Type Day and Night

4.3 iOS Shortcut Keys

The keyboard includes dedicated shortcut keys for common iOS functions.

Image: A diagram illustrating the layout of iOS shortcut keys on the keyboard, with numbered labels corresponding to their functions.

iOS Shortcut Key Functions

Key	Function
1. Esc	Undo key
2. Screen Brightness	Adjusts brightness up or down
3. Search	Brings up iOS search field
4. Screenshot	Intercepts the current page screen information
5. Language Switch	Switches the language of the keyboard
6. Media Controls	Back, Play/Pause, Forward
7. Volume Controls	Mute, Volume up, Volume down
8. Screen Off	Locks iPad screen

4.4 Pen Holder

The integrated PU pen holder provides a secure space for your Apple Pencil (2nd generation) and supports magnetic charging.

- Place your Apple Pencil into the holder.
- Ensure the Pencil is correctly oriented for magnetic charging if applicable.

5. MAINTENANCE

Proper maintenance ensures the longevity and performance of your keyboard case.

- **Cleaning:** Use a soft, damp cloth to wipe the exterior of the case and keyboard. Avoid harsh chemicals or abrasive materials.

- **Storage:** When not in use for extended periods, store the keyboard case in a cool, dry place.
- **Battery Care:** To maintain battery health, avoid fully discharging the keyboard frequently. Charge it regularly.
- **Protection:** The case features an anti-fingerprint design. Handle with clean hands to minimize smudges.

6. TROUBLESHOOTING

If you encounter issues with your Inateck keyboard case, refer to the following common solutions.

6.1 Keyboard Not Connecting via Bluetooth

- **Check Battery:** Ensure the keyboard is sufficiently charged.
- **Re-pair:** Go to iPad Settings > Bluetooth, forget the "Inateck Keyboard" device, and then re-pair it.
- **Restart Devices:** Turn off and on both your iPad and the keyboard.
- **Proximity:** Ensure the keyboard and iPad are within close range.

6.2 Keys Not Responding

- **Check Connection:** Verify that the keyboard is successfully paired via Bluetooth.
- **Restart:** Restart your iPad and the keyboard.
- **Clean Keys:** Ensure no debris is lodged under the keys.

6.3 Backlight Not Working

- **Check Battery:** Low battery can affect backlight functionality. Charge the keyboard.
- **Brightness Adjustment:** Ensure the brightness is not set to the lowest level. Use the brightness keys to adjust.
