VONADO F-C10017

VONADO Pink Palace House Building Set with Lights (Model F-C10017) Instruction Manual

Model: F-C10017 | Brand: VONADO

1. INTRODUCTION

This manual provides detailed instructions for assembling and operating your VONADO Pink Palace House Building Set with Lights. This set, comprising 1349 pieces, allows for the construction of a detailed three-story pink palace model, complete with an integrated lighting system. Please read all instructions carefully before beginning assembly.

Figure 1.1: The fully assembled VONADO Pink Palace House Building Set, showcasing its intricate details and the integrated lighting system. The house features a pink exterior with white trim, a dark grey roof, and a prominent turret. The lights illuminate the interior and exterior, creating a warm glow.

2. SAFETY INFORMATION

CHOKING HAZARD: Small parts. Not for children under 3 years.

Always supervise young children during assembly. Keep small parts away from infants and pets to prevent accidental ingestion. Ensure all electrical components for the lighting kit are handled according to instructions to avoid damage or injury.

3. PACKAGE CONTENTS

Before starting, verify that all components are present in your package:

- 1349 Building Blocks (sorted into numbered bags)
- Lighting Kit components
- Detailed Instruction Guide

- Brick Separator Tool

Figure 3.1: Various building block pieces laid out on a wooden surface, alongside the open instruction manual. This illustrates the components and the guide used for assembling the Pink Palace House.

4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included guide. The building blocks are typically organized into numbered bags corresponding to different assembly stages. It is recommended to open bags only as needed for each step to avoid mixing pieces.

4.1 General Assembly Tips

- **Organize:** Sort pieces by color and shape before starting each step.
- **Patience:** Building intricate models requires patience. Take breaks if needed.
- **Check Connections:** Ensure all bricks are firmly pressed together for a stable structure.
- **Use the Tool:** The included brick separator tool can assist in disassembling incorrectly placed bricks.

DISPLAY-AND-PLAY MODEL FOR ADULTS

Figure 4.1: An adult and a child are shown collaboratively assembling the building set, highlighting the engaging nature of the construction process for different age groups.

4.2 Lighting Kit Installation

The Pink Palace House includes a lighting kit to enhance its display. Integrate the lighting components as indicated in the instruction manual. Typically, wires are routed discreetly through the structure, and small LED lights are placed within rooms or along exterior features. Ensure all connections are secure.

5. PRODUCT FEATURES AND DETAILS

The VONADO Pink Palace House is designed with meticulous attention to detail, offering both an engaging building experience and an impressive display piece.

5.1 Architectural Design

The model features a three-story structure with a light pink exterior, complemented by white trim and a dark

grey roof. Decorative elements such as carved doors, windows, stairs, and fences add to its fairy-tale aesthetic. Several small dome windows on the roof contribute to its unique charm.

5.2 Detailed Interior

The reverse side of the model features an open half-house structure, allowing full visibility into the interior. This design reveals detailed internal decorations and iconic scenes, including a piano room, kitchen, attic, bedroom, and living room, each furnished with miniature accessories.

Figure 5.1: This collage provides close-up views of the meticulously designed interior spaces within the Pink Palace House. It features the living room, kitchen, piano room, bedroom, a unique mouse circus tent, and a stage area, demonstrating the detailed internal structure and accessories.

Product Display

Figure 5.2: This image presents the Pink Palace House with its rear section open, allowing a clear view into the detailed interior rooms across multiple floors. This design facilitates access and display of the internal features.

5.3 Integrated Lighting

The included lighting kit adds a warm and festive ambiance to the model, making it an ideal decoration for various occasions. The lights are strategically placed to highlight both the exterior and interior details.

6. SPECIFICATIONS

Feature	Detail
Model Name	F-C10017
Brand	VONADO
Number of Pieces	1349
Assembled Dimensions (L x W x H)	30.5 x 18.4 x 30.5 cm (12.0 x 7.2 x 12.4 inches)

Material	Acrylonitrile Butadiene Styrene (ABS)
Recommended Age	6 years and up
Assembly Required	Yes
Batteries Required	No (for the main set, external power for lights may be needed if not included)

Figure 6.1: This image illustrates the physical dimensions of the assembled Pink Palace House, indicating its length (12.0 inches), width (7.2 inches), and height (12.4 inches). This provides a clear understanding of the product's size.

7. TROUBLESHOOTING

If you encounter any issues during assembly or operation, please refer to the following common solutions:

- **Missing Pieces:** Double-check all bags and the building area. If pieces are genuinely missing, contact VONADO customer support with your purchase details and the specific part numbers from the manual.
- **Pieces Not Fitting/Staying Together:** Ensure you are using the correct pieces for each step. Apply firm, even pressure when connecting bricks. If a piece is warped or damaged, it may need replacement.

- **Lights Not Working:** Verify all wiring connections are secure and correctly installed according to the lighting kit instructions. Check the power source (if external) and ensure batteries (if applicable) are correctly inserted and charged.
- **Difficulty Following Instructions:** Review the diagrams carefully. Sometimes, a different perspective or a short break can help clarify a step.

8. MAINTENANCE

To ensure the longevity and appearance of your building set:

- **Cleaning:** Dust regularly with a soft, dry cloth or a soft brush. For deeper cleaning, gently wipe with a damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals.
- **Storage:** Store the assembled model or disassembled pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Handling:** Handle the model with care, especially when moving, to prevent pieces from detaching.

9. WARRANTY AND SUPPORT

For information regarding product warranty, replacement parts, or further assistance, please refer to the contact details provided on the product packaging or visit the official VONADO website. Keep your proof of purchase for any warranty claims.
