Reginald Men Apollo

Reginald Men Apollo Hydrating Face & Beard Wash User Manual

Model: Apollo (RMAOC022024)

PRODUCT OVERVIEW

The Reginald Men Apollo Hydrating Face & Beard Wash is designed for deep cleansing without stripping the skin's natural moisture. It is formulated to gently remove impurities, dirt, and excess oil, providing long-lasting hydration for up to 24 hours. This product is suitable for daily use on all skin types.

Key benefits include:

- Superior cleansing performance.
- Gentle deep cleansing without causing dryness or irritation.
- Non-drying formula maintains skin's natural balance.
- Provides 24-hour hydration.
- Formulated with 8 active ingredients to address acne, tan, and brighten skin.

USAGE INSTRUCTIONS

Follow these steps for optimal results:

1. **Step 1:** Rinse your face with clean water thoroughly.
2. **Step 2:** Take a coin-sized amount of cleanser onto your palm. Apply it gently on your face and beard in a circular motion.
3. **Step 3:** Massage the cleanser onto your face and beard for at least one minute.
4. **Step 4:** Rinse it off thoroughly with clean water.

This product is suitable for use in both the morning (AM) and evening (PM).

Minimal steps

Maximum Performance

STEP- 1

Rinse your face with clean water thoroughly.

STEP-2

Take coin size amount of cleanser, Apply it gently on your face in a circular motion

STEP-3

Massage it on your face for at-least a minute & rinse it off with clean water

MAINTENANCE AND STORAGE

To ensure the longevity and effectiveness of your product:

- Store the product in a cool, dry place, away from direct sunlight.
- Ensure the cap is tightly closed after each use to prevent contamination and leakage.
- For external use only. Avoid contact with eyes. In case of contact, rinse thoroughly with water.

TROUBLESHOOTING

If you encounter any issues while using the Reginald Men Apollo Hydrating Face & Beard Wash, consider the following:

Product Leakage:

If the product tube appears to be leaking, ensure the cap is securely fastened. Store the tube upright to minimize potential

leakage. If leakage persists, contact customer support.

Skin Irritation or Dryness:

While the product is formulated to be non-drying and gentle, individual skin sensitivities can vary. If irritation or excessive dryness occurs, discontinue use and consult a dermatologist. Ensure you are rinsing the product off completely after use.
