HOMCOM CA831-753V80WT0231

HOMCOM Vanity Desk with Mirror and Lights, Makeup Vanity with Stool and 2 Drawers User Manual

Model: CA831-753V80WT0231

1. INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your HOMCOM Vanity Desk with Mirror and Lights. Please read this manual thoroughly before assembly and use to ensure safe and correct operation. Keep this manual for future reference.

Image 1.1: The HOMCOM Vanity Desk with Mirror and Lights, featuring a white finish, two drawers, and a matching stool.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Assembly required. Be cautious of sharp edges and pinch points during assembly and usage.
- Keep electrical components away from water and ensure proper maintenance.
- Do not exceed the weight capacity of the vanity and stool.
- Ensure all connections are secure before use.
- Place the vanity on a flat, stable surface to prevent tipping.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support.

- Vanity Desk Frame
- Mirror with 10 LED Bulbs

- Stool
- 2 Drawers
- Assembly Hardware (screws, dowels, etc.)
- Instruction Manual

4. SETUP AND ASSEMBLY

Assembly of the HOMCOM Vanity Desk is required. Please follow the detailed instructions provided in the separate assembly guide included with your product. Ensure you have all necessary tools and a clear workspace before starting.

1. Unpack all components and verify against the parts list.
2. Assemble the main desk frame according to the diagrams.
3. Install the drawers into their respective slots, ensuring smooth operation.
4. Attach the mirror unit to the desk, securing it firmly.
5. Install the LED bulbs into the mirror frame.
6. Assemble the stool.
7. Connect the power cord for the LED lights to a suitable power outlet.

5. OPERATING INSTRUCTIONS

5.1 LED Mirror Lights

The vanity mirror is equipped with 10 LED bulbs to provide optimal lighting for makeup application and skincare.

- **Power On/Off:** Press the touch switch on the mirror to turn the lights on or off.
- **Adjust Lightness Mode:** Short-press the touch switch to cycle through different lightness modes (e.g., warm white, cool white). The product description specifies warm white light (6500K).
- **Adjust Brightness:** Long-press the touch switch to adjust the brightness level of the lights.

Video 5.6: Overview of a similar vanity desk's appearance and features, including lighting adjustments. This video is provided by Hzuaneri, a seller of similar products.

6. MAINTENANCE

- Cleaning:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- Bulb Replacement:** The LED light source is replaceable. Refer to the assembly guide for specific

instructions on how to safely replace bulbs.

- **General Care:** Regularly check all screws and fasteners to ensure they remain tight. Avoid placing hot items directly on the surface.

7. TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common solutions:

- **Lights not working:**

- Ensure the power cord is securely plugged into both the vanity and a working electrical outlet.
- Check if the outlet is receiving power.
- Verify that the LED bulbs are correctly installed and tightened.
- If individual bulbs are out, they may need replacement.

- **Drawers sticking or not sliding smoothly:**

- Check for any obstructions in the drawer slides.
- Ensure the drawer rails are properly aligned and secured.
- Lightly lubricate the drawer slides if necessary.

- **Vanity feels unstable:**

- Confirm all assembly hardware is tightened.
- Ensure the vanity is placed on a level surface.
- Verify that the anti-slip feet are properly installed.

For further assistance, please contact HOMCOM customer support.
