Vicco 22272

Vicco Buffet Brian Rustic Oak 8-Drawer Storage Unit with USB

Model: 22272 | Brand: Vicco

1. INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your Vicco Buffet Brian storage unit. Please read this manual carefully before assembly and use to ensure safe and correct handling of the product. Keep this manual for future reference.

Image 1.1: The Vicco Buffet Brian storage unit, featuring a rustic oak finish and a black metal frame. It includes eight drawers and an

integrated USB charging station on the top left shelf.

2. SAFETY INSTRUCTIONS

- Always follow the assembly instructions provided in the package to prevent injury or damage.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload drawers or shelves. Distribute weight evenly.
- Keep small parts and packaging materials away from children during assembly.
- Place the unit on a flat, stable surface to prevent tipping.
- For the integrated USB port, use only with compatible devices and ensure the power source meets the required specifications. Do not expose the USB port or power cable to moisture.

3. PACKAGE CONTENTS

Verify that all components listed below are present before beginning assembly:

- Buffet unit components (engineered wood panels, metal frame parts)
- 8 Non-woven fabric drawers with rustic oak finish fronts
- Integrated USB charging port with power cable
- Assembly instructions
- Mounting hardware (screws, connectors, tools if applicable)

4. SETUP AND ASSEMBLY

Detailed assembly instructions are included in your product package. Please follow them step-by-step. Assembly typically requires basic household tools (e.g., screwdriver). It is recommended to assemble the unit with two people.

1. Unpack all components and verify against the package contents list.
2. Identify all hardware and sort them according to the instructions.
3. Assemble the metal frame structure first, ensuring all connections are secure.
4. Attach the engineered wood panels to the frame as indicated in the manual.
5. Install the integrated USB charging port into its designated slot.
6. Insert the non-woven fabric drawers into their respective compartments.
7. Once fully assembled, place the unit in its desired location, ensuring it is stable.

5. OPERATING INSTRUCTIONS (USB PORT)

The Vicco Buffet Brian includes a convenient integrated USB charging port for your electronic devices.

1. Ensure the buffet unit is fully assembled and placed in its final position.
2. Plug the power cable of the integrated USB port into a standard wall outlet.
3. Connect your compatible electronic device (e.g., smartphone, tablet) to the USB port using its charging cable.
4. The device should begin charging automatically.
5. When not in use, you may unplug the power cable from the wall outlet for energy saving.

Image 5.1: A close-up view of the top left shelf, showing a smartphone connected to the integrated USB charging port.

6. MAINTENANCE

Proper care will extend the life and appearance of your Vicco Buffet Brian.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent moisture damage.
- **Drawer Care:** The non-woven fabric drawers can be spot cleaned with a damp cloth and mild soap if necessary. Allow to air dry completely.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if loose.
- **Placement:** Avoid placing the unit in direct sunlight or near heat sources to prevent material degradation.

7. TROUBLESHOOTING

If you encounter any issues with your Vicco Buffet Brian, refer to the following common solutions:

- **Unit is wobbly:** Ensure the unit is on a flat, level surface. Check all assembly screws and re-tighten any that are loose.
- **Drawers do not slide smoothly:** Verify that the drawers are inserted correctly and not overloaded. Check for any obstructions in the drawer compartments.
- **USB port not charging:**
 - Ensure the power cable for the USB port is securely plugged into a working wall outlet.
 - Check if the device's charging cable is properly connected to both the USB port and the device.
 - Test the USB port with a different device or cable to rule out a faulty device/cable.
- **Missing parts:** If any parts are missing from the package, contact customer support with your purchase details.

8. SPECIFICATIONS

Brand	Vicco
Model Number	22272
Color	Rustic Oak
Dimensions (W x D x H)	132 cm x 30 cm x 87.5 cm
