ELYONA UP3154-3W2

ELYONA 3 Pack White Hammered Pendant Lights Instruction Manual

Brand: ELYONA | Model: UP3154-3W2

1. PRODUCT OVERVIEW

The ELYONA 3 Pack White Hammered Pendant Lights combine modern Nordic design with natural elements, featuring FSC certified solid wood and a handcrafted hammered metal shade. These fixtures are designed to enhance various indoor spaces such as kitchen islands, dining rooms, living rooms, and offices, providing both aesthetic appeal and functional illumination. The adjustable height feature allows for versatile installation to suit different ceiling heights and room layouts.

2. KEY FEATURES

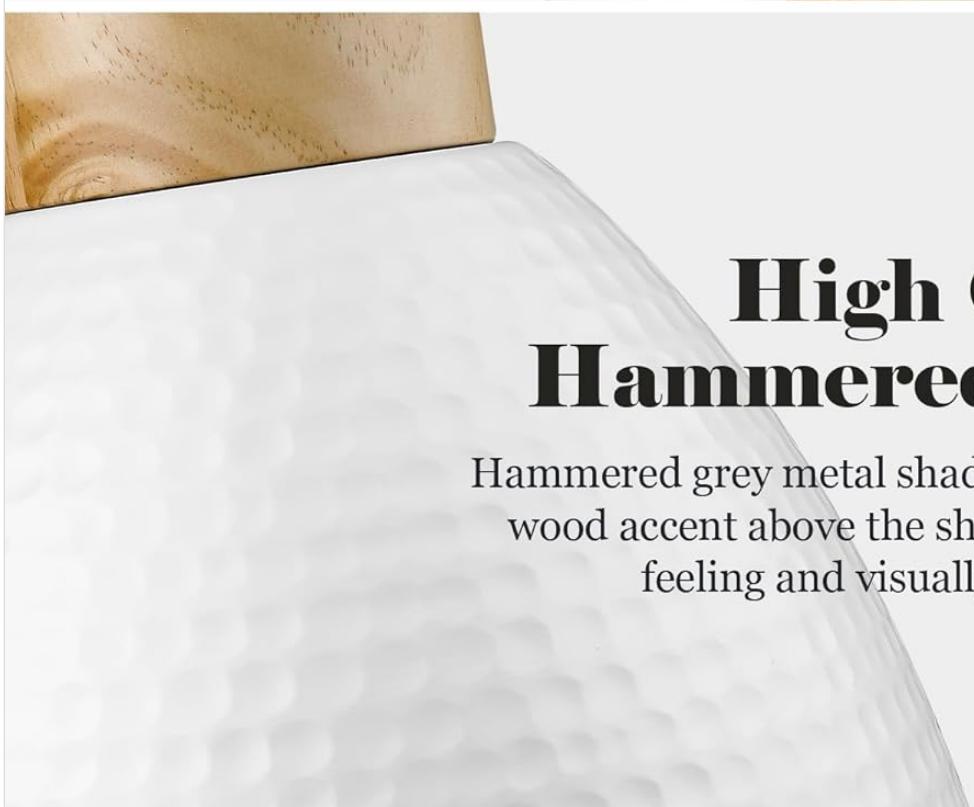

- **FSC Certified Solid Wood:** Crafted from sustainably managed forests, ensuring environmental responsibility and unique natural wood grain patterns.
- **High-Quality Hammered Metal Shade:** Features a durable, impurity-free, and smooth finish from a dust-free constant temperature baking process, with a distinctive hammered texture.
- **Adjustable Height:** Cords are included for height adjustment, allowing installation at various ceiling heights and on sloped ceilings. Maximum height is 54.5 inches.
- **Dimmable Functionality:** Supports dimming when used with a compatible dimmer switch and dimmable E26 base bulb (neither included).
- **Versatile Design:** Modern Nordic style with a blend of natural wood and metal, suitable for kitchen islands, dining rooms, bedrooms, living rooms, offices, and more.

FSC Listed Solid Wood

NO MDF, NO Laminate, NO Veneer

Made of FSC listed solid wood,
firm and chemical-free.

High Quality Hammered Metal

Hammered grey metal shade with a natural wood accent above the shade adds nature feeling and visually appealing style

3. WHAT'S IN THE Box

Each package contains the following components:

- Pendant Light Shade (3 units for 3-pack)
- Mounting Hardware

4. SETUP AND INSTALLATION

Installation of the ELYONA pendant lights is designed to be straightforward. It is recommended to have a qualified electrician perform the installation to ensure safety and compliance with local electrical codes. Ensure power is turned off at the circuit breaker before beginning any electrical work.

The pendant lights feature adjustable cords, allowing you to customize the hanging height to your preference. They are suitable for both flat and sloped ceilings.

5. OPERATION

These pendant lights operate with an E26 base bulb (not included) and support various bulb types including LED, CFL, Edison, and smart bulbs, with a maximum wattage of 40W. For dimming functionality, ensure you use a dimmable bulb and a compatible dimmer switch (both sold separately).

0%-100% Stepless Dimming Brightness

**This Pendant Light is Compatible With A Dimmer Switch
But Requires A Dimmable Bulb
(Dimmer Switch & Dimmable Bulb Not Included)**

6. MAINTENANCE

To maintain the appearance and longevity of your ELYONA pendant lights, follow these simple guidelines:

- **Cleaning:** Wipe the metal shade and wood components with a damp cloth, then dry immediately. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Wood Maintenance:** The solid wood has been pre-coated with mineral oil. To enhance the textured wood grain and protect the wood, it is recommended to reapply mineral or olive oil 1-2 times every 3 months.

7. TROUBLESHOOTING

If you encounter any issues with your pendant lights, please refer to the following common troubleshooting steps:

- **Light Not Turning On:**
 - Check if the power switch is in the 'ON' position.
 - Verify that the bulb is securely screwed into the socket and is not burnt out. Replace if necessary.
 - Ensure the circuit breaker for the lighting circuit has not tripped.
- **Flickering Light:**
 - Confirm that the bulb is fully compatible with the fixture and any dimmer switch being used.
 - Check for loose wiring connections (consult a qualified electrician if unsure).
- **Unstable Hanging:**
 - Ensure all mounting hardware is securely fastened to the ceiling and the fixture.
 - Verify that the ceiling canopy is flush with the ceiling surface.

For issues not resolved by these steps, please contact ELYONA customer support.
