4. Assembly Instructions

Follow the step-by-step instructions provided in the included manual. Organize your building blocks by type and color to facilitate the assembly process.

General Assembly Tips:

1. **Review the Manual:** Before starting, familiarize yourself with the entire instruction manual.

2. **Sort Parts:** Open one numbered bag at a time and sort the pieces.
3. **Follow Steps Carefully:** Each step builds upon the previous one. Ensure all pieces are firmly connected.
4. **Take Your Time:** Building is an enjoyable process. Do not rush.

5. Operation

Once assembled, the ENJBRICK City Train is designed for display and manual movement. The wheels are functional, allowing the train to roll along its track sections.

Moving the Train:

1. Place the assembled train carefully on the track sections.
2. Gently push the train along the track. The connecting rods on the wheels are designed to move realistically.
3. Ensure the track sections are properly connected to allow smooth movement.

6. Maintenance

To ensure the longevity and appearance of your ENJBRICK City Train Building Set, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic parts.
- **Handling:** Handle the model with care, especially when moving it, to prevent parts from detaching or breaking.

7. Troubleshooting

If you encounter any issues with your ENJBRICK City Train, refer to the following common problems and solutions:

- **Loose Parts:** If parts become loose, re-attach them firmly according to the instruction manual.
- **Difficulty Connecting Pieces:** Ensure you are using the correct pieces for each step. Apply gentle, even pressure to connect blocks.
- **Model Instability:** Double-check all connections, especially the base and structural components, to ensure they are fully engaged.
- **Missing Pieces:** If you believe a piece is missing, carefully re-check the packaging and all bags. If still missing, contact customer support for assistance.
