WEILY 451-P

WEILY Magnifying Mirror with Light

Model: 451-pink

User Instruction Manual

Introduction

This manual provides detailed instructions for the safe and effective use of your WEILY Magnifying Mirror with Light. Please read this manual thoroughly before operating the device and retain it for future reference.

Image: The WEILY Magnifying Mirror, featuring its illuminated ring and touch control interface. This mirror is designed for detailed makeup application and personal grooming.

Product Features

Dual Magnification (1X/10X)

The mirror features a double-sided design, offering both 1X (true-to-life) and 10X magnification. The 1X side is suitable for general makeup application and daily grooming. The 10X side provides enhanced magnification for precise tasks such as eyebrow plucking, blackhead removal, or detailed eyeliner application. For optimal clarity with the 10X magnification, maintain an approximate distance of 6 inches or less from the mirror surface.

Adjustable LED Lighting

Equipped with 48 LED lights, the mirror offers three distinct color lighting modes: natural light, warm light, and white light. These modes are designed to simulate different lighting environments, ensuring your makeup appears consistent in various settings. The brightness of each light mode is also adjustable to suit your preference and needs.

Image: The mirror demonstrating its three color lighting modes, providing suitable illumination for different makeup applications.

Versatile Design

The mirror features a 312° rotating folding stand, allowing for multiple usage configurations. It can be used as a handheld mirror, placed on a flat surface as a tabletop mirror, or hung on a wall, adapting to various grooming scenarios and environments.

Portability & Rechargeability

Designed for travel, this mirror is compact and lightweight, with a diameter of 6.24 inches (15.87cm) and a thickness of 0.67 inches (1.7cm) when folded. It easily fits into bags or drawers. The built-in 800 mAh lithium polymer battery provides extended use and is conveniently rechargeable via a Type-C USB cable, allowing connection to laptops, chargers, or power banks.

Setup

1. **Unpacking:** Carefully remove the mirror and all accessories from the packaging. Inspect for any signs of damage.
2. **Initial Charge:** Before first use, fully charge the mirror. Connect the provided Type-C USB cable to the charging port located on the mirror's base, and the other end to a compatible USB power source (e.g., laptop, wall adapter, power bank). The indicator light will show charging status.
3. **Adjusting the Stand:** To use as a tabletop mirror, gently unfold the clear circular stand from the back of the mirror until it forms a stable base. The stand can be rotated 312° to achieve your desired viewing angle.

Operating Instructions

1. **Power On/Off:** Locate the touch sensor button on the mirror surface. Short press the button to turn the light on or off.
2. **Change Light Modes:** With the light on, short press the touch sensor button repeatedly to cycle through the three color lighting modes: natural light, warm light, and white light.

3. **Adjust Brightness:** With the light on, long press and hold the touch sensor button to adjust the brightness. The brightness will gradually increase or decrease. Release the button when the desired brightness level is reached.
4. **Switch Magnification Sides:** The mirror is double-sided. To switch between 1X and 10X magnification, simply rotate the mirror head within its frame. Ensure the stand is properly positioned for stability when rotating.
5. **Using as a Handheld Mirror:** Fold the stand flat against the back of the mirror for comfortable handheld use.
6. **Using as a Hanging Mirror:** The circular stand can also function as a hook. Extend the stand and use it to hang the mirror on a suitable hook or rod.

Maintenance

- **Cleaning:** To clean the mirror surface, gently wipe with a soft, lint-free cloth. For stubborn spots, dampen the cloth slightly with water or a mild, non-abrasive glass cleaner. Avoid using harsh chemicals or abrasive materials that could scratch the mirror or frame.
- **Battery Care:** To prolong battery life, avoid fully discharging the mirror frequently. Recharge the mirror when the light dims or the indicator suggests low battery. Store the mirror in a cool, dry place when not in use for extended periods.
- **Storage:** When traveling or storing, fold the mirror flat to protect the mirror surfaces and the stand.

Troubleshooting

Problem	Possible Cause	Solution
Light does not turn on.	Low battery.	Charge the mirror fully using the provided Type-C USB cable.
Light flickers or is dim.	Low battery.	Charge the mirror fully.
Mirror does not hold a charge.	Battery degradation; improper charging.	Ensure you are using the correct Type-C cable and a functional power source. If the issue persists, contact customer support.
Stand is loose or unstable.	Improper adjustment; wear and tear.	Ensure the stand is fully extended and locked into position. If the hinge is worn, contact customer support.

Specifications

- **Brand:** WEILY
- **Model:** 451-P
- **Magnification:** 1X / 10X
- **Lighting:** 48 LED Lights
- **Light Modes:** 3 (Natural, Warm, White)
- **Brightness Control:** Touch Sensor, Dimmable

- **Battery:** 800 mAh Lithium Polymer (included)
- **Charging Port:** Type-C USB
- **Product Dimensions (Folded):** 7.13"L x 6.25"W x 0.67"H (approx.)
- **Frame Material:** Acrylonitrile Butadiene Styrene (ABS)
- **Color:** Pink
- **Item Weight:** 13 ounces

Safety Information

WARNING:

- Handle the rechargeable battery with care to avoid damaging the product or causing harm.
- Avoid prolonged use of the 10X magnification feature to prevent eye strain or discomfort.
- Keep the mirror away from children or pets to prevent damage or injury.

Warranty and Support

Your WEILY Magnifying Mirror is covered by a standard manufacturer's warranty. For detailed warranty information, product support, or assistance with any issues not covered in this manual, please contact WEILY customer service through the retailer's platform or the official WEILY website. Please have your purchase details and model number (451-pink) ready when contacting support.
