WHAT'S IN THE BOX

- 1 x TWS Earbuds
- 1 x Charging Cable

- 1 x Warranty Card

SETUP

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the charging cable to the case and a power source. The LED indicator on the case will show charging status.

2. Pairing with a Device

1. Ensure the earbuds are in the charging case and the lid is open.
2. Activate Bluetooth on your smartphone or other device.
3. Select "boAt Nirvana Ivy" from the list of available Bluetooth devices.
4. For Android devices, Google Fast Pair support allows for quick and effortless pairing by simply opening the case near your device.

OPERATING INSTRUCTIONS

Touch Controls

The earbuds feature intuitive touch controls for managing playback, calls, and modes. Refer to the app for customizable touch gestures.

50dB Hybrid Active Noise Cancellation (ANC)

Activate Hybrid ANC to reduce ambient noise by up to 50dB, providing a focused listening experience. This feature is ideal for noisy environments.

Image: Earbud illustrating Hybrid Active Noise Cancellation.

Ambient Mode

Switch to Ambient Mode to stay aware of your surroundings while listening to audio. This mode allows external sounds to pass through, enhancing safety and situational awareness.

Multipoint Connectivity

Connect your Nirvana Ivy earbuds to two devices simultaneously and seamlessly switch between them without re-pairing. For example, connect to both your phone and laptop.

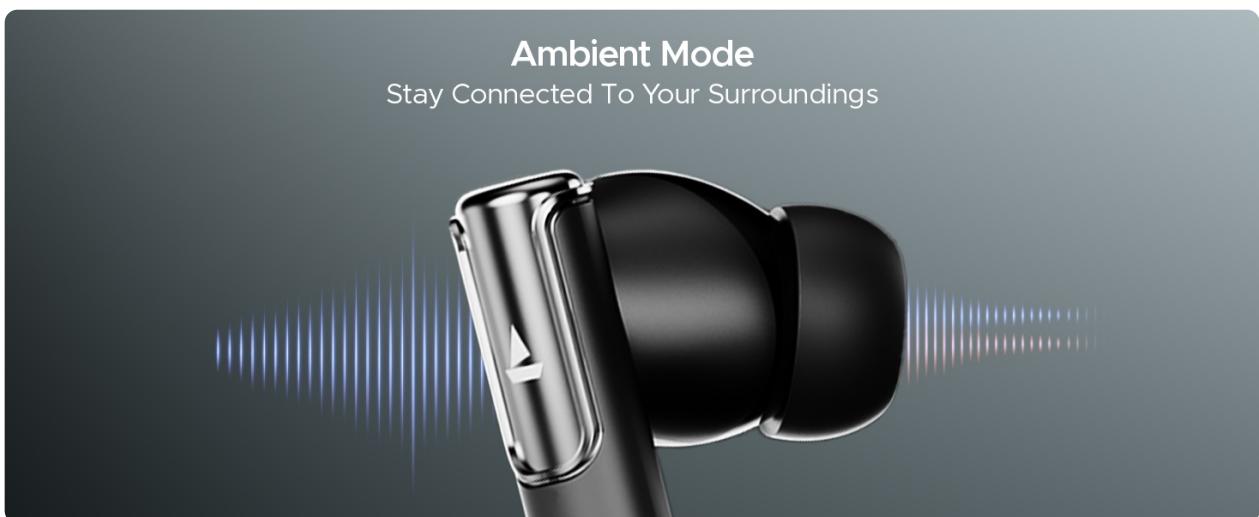

Image: Earbuds connected to both a smartphone and a laptop, demonstrating multipoint connectivity.

Instant In-Ear Detection

The earbuds automatically play audio when inserted into your ears and pause when removed, providing a convenient and energy-efficient listening experience.

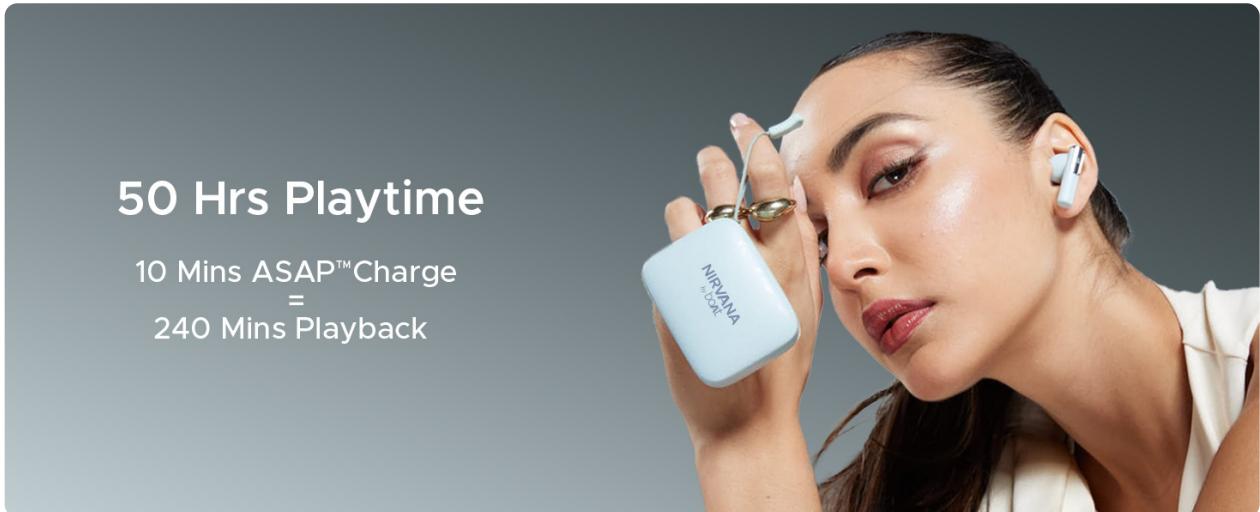

11mm Dynamic Drivers
Clarity Beyond Limits

CHARGING

The Nirvana Ivy earbuds offer up to 50 hours of total playtime with the charging case. The ASAP Charge feature provides 240 minutes of playback from just 10 minutes of charging.

- **Earbuds Charging:** Place earbuds into the charging case.
- **Case Charging:** Connect the USB-C charging cable to the charging port on the case and a compatible power adapter.
- **ASAP Charge:** For quick power, charge the case for 10 minutes to get approximately 4 hours of playback.

MAINTENANCE

Cleaning

Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive

materials. Ensure charging contacts are free of debris.

Water Resistance (IPX5)

The earbuds are rated IPX5 water resistant, meaning they can withstand splashes and sweat. They are not designed for submersion in water. Avoid exposing them to heavy rain or showering.

Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.

TROUBLESHOOTING

- Earbuds not pairing:** Ensure both earbuds are charged, in the case, and Bluetooth is enabled on your device. Try resetting the earbuds (refer to app or manufacturer website for specific reset instructions).
- One earbud not working:** Check battery levels for both earbuds. Try re-pairing the earbuds.
- Low volume or poor sound quality:** Ensure earbuds are properly seated in your ears. Clean any earwax or debris from the earbud nozzles. Adjust volume on both the earbuds and your connected device.
- Charging issues:** Ensure the charging cable is securely connected and the power source is active. Clean the charging contacts on both the earbuds and the case.

SPECIFICATIONS
