OKD BDC54SB

OKD Farmhouse Wine Bar Cabinet Instruction Manual

Model: BDC54SB

1. INTRODUCTION

Thank you for choosing the OKD Farmhouse Wine Bar Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

This versatile 54-inch cabinet is designed to enhance your dining room, kitchen, or living area, offering ample storage with a sliding barn door, wine and glass racks, and three spacious drawers. Its robust construction ensures durability and stability.

2. SAFETY INFORMATION

- Always assemble the cabinet on a soft, clean surface to prevent scratches.
- Ensure all parts are present and undamaged before assembly. Do not use damaged parts.
- Tighten all fasteners securely, but do not overtighten.
- Keep small parts and packaging materials away from children and pets.
- For stability, it is recommended to secure the cabinet to a wall using anti-tip hardware (if included).
- Do not exceed the weight capacity: Tabletop up to 150 lbs, shelves up to 30-50 lbs.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed below are present. If any parts are missing or damaged, please contact customer support.

- Cabinet Panels (Top, Bottom, Side, Back)
- Sliding Barn Door(s) and Hardware (Track, Rollers, Handles)
- Drawer Components (Fronts, Sides, Backs, Bottoms, Slides, Handles)
- Adjustable Shelves

- Wine Bottle Rack (12-grid)
- Wine Glass Rack (3-row)
- Assembly Hardware (Screws, Dowels, Cam Locks, Brackets, etc.)
- Anti-Tip Kit

4. SETUP AND ASSEMBLY

Assembly typically requires two adults. Please follow the numbered steps provided in the separate assembly guide for detailed instructions. The following provides a general overview.

1. **Unpack and Identify Parts:** Lay out all components and hardware. Refer to the parts list in your assembly guide to ensure everything is accounted for.
2. **Assemble the Base Frame:** Connect the bottom panel to the side panels using the provided hardware. Ensure the strong and stable wood base is correctly oriented.
3. **Install Back Panels:** Secure the back panels to the assembled frame.
4. **Assemble and Install Drawers:** Construct the three drawers according to the instructions. Install the drawer slides into the cabinet frame and then insert the assembled drawers.
5. **Attach Top Panel:** Secure the 54-inch spacious tabletop to the main cabinet structure.
6. **Install Sliding Barn Door Hardware:** Mount the barn door track above the lower cabinet section. Attach the rollers to the barn door(s).
7. **Hang Barn Door(s):** Carefully hang the barn door(s) onto the track. Adjust as necessary for smooth operation.
8. **Install Wine and Glass Racks:** Place the 12-grid wine bottle rack and the 3-row wine glass rack into their designated sections within the cabinet. These are typically removable for flexible storage.
9. **Place Adjustable Shelves:** Insert any adjustable shelves into the desired positions.
10. **Final Checks:** Ensure all connections are secure. Attach the anti-tip kit to the cabinet and wall for added safety.

Farmhouse Kitchen/ Dining Room Cabinet

- Tabletop weight capacity: 150 Lbs
- Shelves weight capacity: 30/ 50 Lbs
- Size: 54"W x 15.5"D x 36"H

☐ Antique White ☐ Dark Rustic Oak ☐ Light Rustic Oak ☐ Reclaimed Barnwood ☒ Antique Brush White

5. OPERATING INSTRUCTIONS

The OKD Farmhouse Wine Bar Cabinet is designed for ease of use and flexible storage.

- **Sliding Barn Door:** Gently slide the barn door along its track to reveal or conceal different sections of the cabinet. Ensure the track is clear of obstructions for smooth movement.
- **Drawers:** The three top drawers provide convenient storage for smaller items. Pull them out smoothly using the handles. Avoid overloading to ensure longevity of the drawer slides.
- **Wine and Glass Racks:** The removable 12-grid wine bottle rack holds standard wine bottles. The 3-row wine glass rack is designed to hold stemmed wine glasses. Ensure items are placed securely to prevent breakage.
- **Adjustable Shelves:** Reposition the internal shelves as needed to accommodate items of various heights.

6. MAINTENANCE

Proper care will ensure the longevity and appearance of your OKD cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Environment:** Avoid placing the cabinet in direct sunlight or near heat sources, as this can cause fading or warping. Maintain a stable humidity level.

7. TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

Problem	Possible Cause	Solution
Cabinet is wobbly/unstable	Loose fasteners; uneven floor	Tighten all screws. Ensure cabinet is on a level surface. Use shims if necessary. Install anti-tip kit.

Problem	Possible Cause	Solution
Drawers do not slide smoothly	Misaligned slides; obstruction; overtightened screws	Check drawer slide alignment. Ensure no items are blocking the slides. Loosen screws slightly if overtightened.
Barn door sticks or is difficult to slide	Track obstruction; rollers misaligned; track not level	Clear any debris from the track. Check that rollers are properly seated. Ensure the track is level and securely mounted.
Missing parts or damaged components	Packaging error; shipping damage	Do not proceed with assembly. Contact customer support immediately for replacement parts.
