BabyBond B0DBHHC7NM

BabyBond 3-in-1 Baby Bassinet Bedside Crib Instruction Manual

Model: B0DBHHC7NM

INTRODUCTION

Thank you for choosing the BabyBond 3-in-1 Baby Bassinet Bedside Crib. This versatile product is designed to provide a safe, comfortable, and convenient sleeping solution for your newborn. It functions as a standalone bassinet, a bedside sleeper, and an inclined anti-reflux crib. Please read this manual thoroughly before assembly and use to ensure proper operation and safety for your child.

SAFETY INFORMATION

Your child's safety is our top priority. Always follow these guidelines:

- **SUFFOCATION HAZARD:** Infants have suffocated in gaps between extra padding and bassinet sides, and on soft bedding. Use **ONLY** the mattress provided by the manufacturer. **NEVER** add a pillow, comforter, or another mattress for padding.
- Ensure the bassinet is always placed on a firm, horizontal surface.
- **NEVER** use this product if any parts are missing, damaged, or broken. Contact customer support for replacement parts.
- Discontinue use when the infant begins to push up on hands and knees, or has reached the maximum weight of 20 lbs (9 kg), or is 5 months old, whichever comes first.
- Keep small parts away from children during assembly.
- Always engage wheel locks when the bassinet is stationary.
- When used as a bedside sleeper, ensure the bassinet is securely attached to the adult bed using the provided straps. The adult mattress must be flush with the bassinet's drop-down side.
- The 3-7° incline feature is designed to help prevent reflux. Always monitor your baby when using this feature.

PRODUCT FEATURES

- **3-in-1 Versatility:** Seamlessly converts into a bedside sleeper, standalone bassinet, or inclined anti-reflux crib.
- **Adjustable Height:** Features 6 height settings to adapt to most adult bed heights for easy access.
- **Full-Mesh Sides:** Promotes optimal airflow and visibility, allowing parents to easily monitor their baby.

- **Comfortable Mattress:** Includes a supportive mattress with a soft, breathable sheet and a water-resistant layer.
- **Spacious Storage:** An ample storage rack underneath keeps baby essentials organized and within reach.
- **Stable and Secure:** Built with a sturdy, extra-wide base for enhanced stability and a flat, secure sleeping surface.
- **Portable Design:** Equipped with lockable wheels for easy movement between rooms.
- **Machine-Washable Fabric:** Removable fabric cover for hassle-free cleaning.

PACKAGE CONTENTS

The BabyBond 3-in-1 Baby Bassinet Bedside Crib package includes:

- 3-in-1 Crib Frame
- Mattress
- Soft, Breathable Sheet
- Instruction Manual
- Attachment Straps (for bedside sleeper mode)

SETUP INSTRUCTIONS

Follow these steps to assemble your BabyBond Bassinet:

1. **Unpack Components:** Carefully remove all parts from the packaging and ensure all components listed in the "Package Contents" section are present.
2. **Assemble Frame:** Connect the frame components according to the diagrams in the included instruction manual. Ensure all connections are secure and click into place.
3. **Attach Fabric:** Secure the fabric bassinet portion to the assembled frame, ensuring all zippers and fasteners are properly engaged.
4. **Insert Mattress:** Place the provided mattress into the bassinet. Ensure it fits snugly without any gaps. Cover with the breathable sheet.
5. **Adjust Height:** Use the height adjustment mechanisms on the legs to set the desired height. There are 6 levels available. Ensure both sides are set to the same level for a flat sleeping surface.
6. **Install Storage Rack:** Attach the storage rack to the bottom of the bassinet frame.

Stable & Safe Bedside Crib

OPERATING INSTRUCTIONS

- 1. Standalone Bassinet Mode:** Ensure both side rails are in the upright and locked position. Engage all wheel locks if the bassinet is to remain stationary.
- 2. Bedside Sleeper Mode:**
 - Adjust the bassinet height so that the top of the drop-down side is level with your adult mattress.
 - Unzip and lower one side rail.
 - Position the bassinet next to your bed.
 - Securely attach the bassinet to your adult bed frame using the provided attachment straps. Ensure there are no gaps between the bassinet and the adult mattress.
- 3. Inclined Anti-Reflux Crib Mode:** Adjust one side of the bassinet to a higher setting than the other (e.g., one side at level 3, the other at level 6) to create a gentle incline of 3-7°. This can help alleviate reflux symptoms. Always supervise your baby when using this mode.
- 4. Moving the Bassinet:** Release the wheel locks and gently push the bassinet to your desired location. Re-engage the wheel locks once positioned.

MAINTENANCE

Proper maintenance ensures the longevity and hygiene of your bassinet:

- **Fabric Cover:** The removable fabric cover is machine-washable. Follow the care instructions on the label for best results.
- **Mattress:** The mattress cover is water-resistant. For spills, wipe clean with a damp cloth. For deeper cleaning, hand wash the mattress cover and air dry.
- **Frame:** Wipe the frame with a damp cloth and mild soap. Do not use abrasive cleaners.
- **Regular Checks:** Periodically check all screws, bolts, and fasteners to ensure they are tight and secure.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bassinet feels unstable.	Loose connections or uneven surface.	Ensure all frame connections are secure. Place on a flat, level surface. Check wheel locks.
Side rail does not lower/raise smoothly.	Mechanism obstructed or misaligned.	Check for any fabric or debris obstructing the zipper/latch mechanism. Ensure it's properly aligned.
Bassinet does not move easily.	Wheel locks engaged or wheels obstructed.	Release all wheel locks. Check for any debris caught in the wheels.

If you encounter any issues not listed here, please contact BabyBond customer support for assistance.
