Tribesigns YQR-NY267

Tribesigns 6-Tier Shoe Cabinet Instruction Manual

Model: YQR-NY267

1. PRODUCT OVERVIEW

This Tribesigns 6-Tier Shoe Cabinet is designed for efficient and stylish storage of footwear in various home environments such as entryways, hallways, living rooms, or bedrooms. Its thoughtful design includes features for ventilation and adaptability to different shoe types.

Figure 1: Tribesigns 6-Tier Shoe Cabinet (Walnut)

Key Features:

- **Breathable Louver Doors:** Designed to ensure excellent ventilation, extending the lifespan of your footwear.
- **Generous Storage Capacity:** Sized at 33.46" W x 13.78" D x 43.31" H, offering ample space with a wide countertop and an open lower shelf for convenience.
- **Adaptable Shelves:** Features five adjustable shelves to accommodate various footwear heights, from slippers to boots.
- **Sturdy Construction:** Made from superior quality MDF with robust metal legs for lasting durability.
- **Safety Features:** Includes rounded edges to minimize injury risk and a rear anti-tip device for stability.

2. PARTS LIST

Before assembly, please verify that all parts listed below are present and undamaged. Refer to the diagram for visual identification of each component.

Figure 3: All Components and Hardware

A detailed list of parts and hardware is included in the packaging. Please cross-reference with the provided diagram.

3. SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have a second person assist with assembly for ease and safety. Ensure you have a screwdriver and a drill (optional) ready.

Video 1: Tribesigns Shoe Cabinet Multi-Purpose Storage Cabinet Assembly Guide

1. **Attach Legs:** Secure the four metal legs (Part 8) and two support bars (Part 9) to the bottom panel (Part 2) using the provided screws (Part D and F). Ensure they are firmly tightened.
2. **Assemble Base Structure:** Attach the side panels (Part 3 and 4) and the middle support panel (Part 5) to the bottom panel (Part 2) using the cam lock screws (Part A) and wooden dowels (Part C). Carefully align the holes

and ensure a snug fit.

3. **Install Back Panel:** Slide the back panel (Part 6) into the grooves of the assembled structure. Ensure it is fully seated.
4. **Attach Top Panel:** Place the top panel (Part 1) onto the assembled structure, aligning the holes with the cam lock screws and wooden dowels. Tighten all connections.
5. **Install Door Hinges:** Attach the hinges (Part H) to the louver doors (Part 10 and 11) using the small screws (Part I).
6. **Insert Shelf Pins:** Insert the shelf pins (Part G) into the desired holes on the inner sides of the cabinet. There are multiple height options for customization.
7. **Place Shelves:** Carefully place the adjustable shelves (Part 7) onto the installed shelf pins. Adjust as needed for your storage requirements.
8. **Attach Doors:** Mount the louver doors (Part 10 and 11) to the cabinet using the pre-installed hinges and screws (Part I). Adjust the hinges if necessary for proper door alignment.
9. **Secure Back Panels:** Use the small L-shaped brackets (Part L) and screws (Part M) to secure the back panels to the cabinet for added stability.
10. **Install Anti-Tip Device:** For safety, attach the anti-tip device (Part J and K) to the top rear of the cabinet and secure it to a wall stud according to the detailed instructions provided in the separate hardware bag.

4. OPERATING INSTRUCTIONS

The Tribesigns Shoe Cabinet is designed for straightforward use. The louvered doors open and close smoothly to provide access to your stored items. The adjustable shelves allow you to customize the internal space to fit various shoe sizes and types, including boots, heels, and flats.

Figure 4: Adjustable Shelves for Versatile Storage

To adjust a shelf, simply remove the items, lift the shelf, reposition the shelf pins to the desired height, and then reinsert the shelf. Ensure all four pins are securely in place before placing items back on the shelf.

5. MAINTENANCE

To maintain the appearance and longevity of your Tribesigns Shoe Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent buildup.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Ventilation:** The louvered doors are designed for air circulation. Ensure they are not blocked to maintain proper

ventilation for your footwear.

- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

6. TROUBLESHOOTING

If you encounter any issues with your shoe cabinet, please refer to the following common solutions:

- **Cabinet Wobbles/Unstable:**
Ensure all screws are fully tightened. Verify that the cabinet is placed on a level surface. Adjust the adjustable feet on the metal legs if needed to stabilize the unit. Confirm the anti-tip device is properly installed and secured to the wall.
- **Doors Do Not Close Properly:**
Check the alignment of the hinges. Loosen the hinge screws slightly, adjust the door position, and then retighten. Ensure no items inside the cabinet are obstructing the door's path.
- **Shelves Are Not Level:**
Verify that the shelf pins are inserted completely and evenly into the corresponding holes on both sides. Ensure the shelf itself is not warped.
- **Missing Parts/Damaged Components:**
If any parts are missing or damaged upon arrival, do not proceed with assembly. Contact customer support immediately for assistance.

7. SPECIFICATIONS

Attribute	Value
Brand	Tribesigns
Model Number	YQR-NY267
Color	Walnut
Product Dimensions	13.78"D x 33.46"W x 43.7"H
Material	Engineered Wood
Number of Shelves	6 (Adjustable)
Item Weight	77.2 Pounds

Assembly Required	Yes

8. SAFETY GUIDELINES

Your safety is paramount. Please adhere to the following guidelines:

- To avoid injury, ensure proper assembly following all provided instructions.
- Do not exceed the recommended weight limit for shelves or the overall cabinet.
- Always use caution when opening and closing doors to prevent pinching.
- Keep fingers away from hinges and edges during assembly and use.
- Install the rear anti-tip device properly to prevent accidental topple-over, especially in households with children or pets.
- Inspect the cabinet regularly for any signs of wear, damage, or loose connections. Address any issues promptly.

9. WARRANTY AND SUPPORT

Tribesigns is committed to providing high-quality products and customer satisfaction. For any inquiries, assistance with assembly, or to report missing/damaged parts, please contact Tribesigns customer support. Information regarding product protection plans may also be available through your retailer.

Please retain your purchase receipt for warranty purposes.
