## 4. SETUP

### 4.1 Initial Power On

1. Ensure the tablet is sufficiently charged. Connect the charging adapter and USB cable to the tablet and a power outlet.
2. Press and hold the Power Button until the URAO logo appears on the screen.
3. Follow the on-screen prompts to select your language, region, and agree to the terms and conditions.

### 4.2 Connecting to Wi-Fi

Your URAO tablet supports Wi-Fi 6 (802.11ax) with dual-band (2.4G+5G) connectivity for stable and fast internet access.

1. From the home screen, swipe down from the top to open the Quick Settings panel.

2. Tap the Wi-Fi icon to enable Wi-Fi.
3. Tap and hold the Wi-Fi icon to go to Wi-Fi settings.
4. Select your desired Wi-Fi network from the list.
5. Enter the network password if prompted, then tap 'Connect'.

## 4.3 Google Account Setup

To access the Google Play Store and other Google services, you will need to sign in with a Google account.

1. During initial setup, you will be prompted to sign in or create a Google account. Follow the instructions.
2. If you skipped this step, go to **Settings > Accounts > Add account > Google**
3. Enter your Google email or phone number and password.

## 4.4 Facial Recognition Setup

The front camera supports facial recognition for convenient unlocking.

1. Go to **Settings > Security & privacy > Face unlock**
2. Follow the on-screen instructions to register your facial data. Ensure you are in a well-lit area.
3. Once registered, you can unlock your tablet by simply looking at the front camera.

## 5. OPERATING YOUR TABLET

### 5.1 Basic Navigation

Your URAO tablet runs on Android 15, offering an intuitive user experience.

- **Home Screen:** Access your apps and widgets.
- **App Drawer:** Swipe up from the home screen to view all installed applications.
- **Notifications & Quick Settings:** Swipe down from the top of the screen to access notifications and quick toggles for Wi-Fi, Bluetooth, etc.
- **Navigation Bar:** Use the Back, Home, and Recents buttons (or gestures) at the bottom of the screen to navigate.

## 5.2 Performance and Multitasking

With an Octa-core processor and 24GB (4+20GB) RAM, your tablet ensures smooth performance and efficient multitasking.

- Open multiple applications simultaneously without significant lag.
- Switch between apps using the Recents button/gesture.
- The Android 15 operating system provides enhanced app permissions for better privacy and security.

## 5.3 Storage Management

Your tablet comes with 128GB of internal storage (ROM) and supports expansion up to 1TB via a TF (Micro SD) card (not included).

- To insert a Micro SD card, locate the card slot on the side of the tablet and gently push the card in until it clicks.
- Manage your storage by going to **Settings > Storage** to view usage and free up space.

## 5.4 Battery Life and Charging

The built-in 5000mAh battery provides extended usage time.

- Enjoy up to 8 hours of mixed use (reading, watching videos, gaming, web browsing).
- The tablet can stand by for up to 3 days.
- Charge your tablet using the provided USB Type-C cable and adapter. Fast-charging technology allows for a full charge in approximately 1.5 hours.

 **8 MP**  
Rear camera

 **5 MP**  
Front camera

## 5.5 Bluetooth Connectivity

The upgraded Bluetooth 5.0 ensures stable and fast connections with your favorite accessories.

1. Go to **Settings > Connected devices > Bluetooth**.
2. Toggle Bluetooth on.
3. Select the device you wish to pair from the list of available devices.

## 5.6 Using Cameras

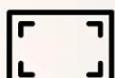

The tablet features a 5MP front camera and an 8MP rear camera for your photography and video needs.

- Open the Camera app from your home screen or app drawer.
- Switch between front and rear cameras using the camera toggle icon.
- Tap the shutter button to take photos or record videos.

**Note:** This tablet does not include GPS functionality. Account sharing with iOS systems is not directly supported as the tablet is based on the Android system.

## 6. MAINTENANCE

To ensure the longevity and optimal performance of your URAO tablet, follow these maintenance guidelines:

- Cleaning:** Use a soft, lint-free cloth to clean the screen and body. Avoid abrasive cleaners or solvents.
- Storage:** Store the tablet in a cool, dry place away from direct sunlight and extreme temperatures.
- Battery Care:** Avoid completely draining the battery frequently. Charge it regularly to maintain battery health.
- Software Updates:** Keep your Android operating system and apps updated to the latest versions for security and performance improvements.
- Protection:** Consider using a screen protector and a protective case to guard against scratches and accidental drops.

## 7. TROUBLESHOOTING

If you encounter issues with your URAO tablet, refer to the following common solutions:

Problem	Possible Solution
Tablet does not turn on	Ensure the battery is charged. Connect the charger and wait a few minutes before attempting to power on again. If unresponsive, press and hold the Power button for 10-15 seconds to force a restart.
Wi-Fi connection issues	Check if Wi-Fi is enabled in Quick Settings. Restart your Wi-Fi router. Forget the network in Wi-Fi settings and reconnect.
Slow performance / Apps crashing	Close unused background apps. Clear app caches (Settings > Apps > [App Name] > Storage > Clear cache). Restart the tablet. Ensure sufficient storage space is available.
Battery drains quickly	Reduce screen brightness. Close background apps. Disable Wi-Fi/Bluetooth when not in use. Check battery usage in Settings to identify power-hungry apps.
Screen unresponsive	Force restart the tablet by holding the Power button. If the issue persists, consider a factory reset (backup data first).

## 8. SPECIFICATIONS
