2. SAFETY INFORMATION

To prevent injury or damage to your device, please observe the following safety precautions:

- **Adult Supervision:** Always supervise children while they are using the tablet, especially during initial setup and when accessing online content.
- **Water and Moisture:** Keep the tablet away from water, moisture, and extreme temperatures.
- **Cleaning:** Use a soft, dry cloth for cleaning. Avoid harsh chemicals.
- **Charging:** Use only the provided USB-C cable and power adapter. Do not use damaged cables or chargers.
- **Ventilation:** Ensure proper ventilation around the tablet during use and charging.
- **Screen Care:** Avoid pressing the screen with sharp objects.
- **Volume:** Prolonged exposure to loud sounds can cause hearing damage. Adjust volume to a safe level.

3. DEVICE OVERVIEW

Familiarize yourself with the physical components of your URAO Kids Tablet KT1016.

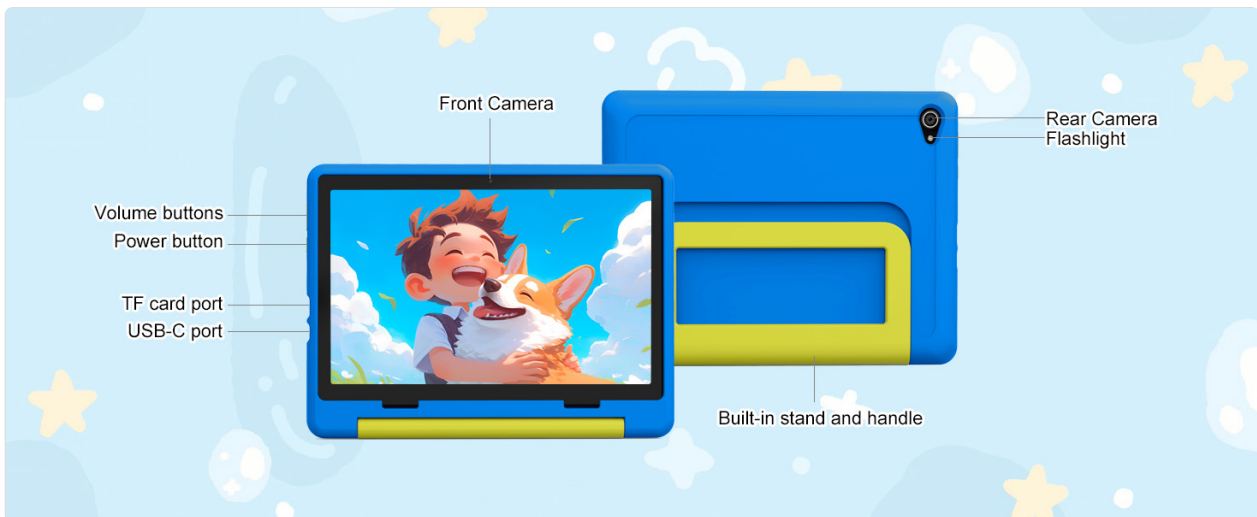

Image 3.1: Tablet Components. This diagram illustrates the location of the front camera, rear camera, flashlight, volume buttons, power button, TF card port, USB-C port, and the built-in stand/handle on the URAO Kids Tablet KT1016.

- **Front Camera:** For video calls and selfies.
- **Rear Camera & Flashlight:** For taking photos and videos.
- **Volume Buttons:** Adjust the sound level.
- **Power Button:** Press and hold to turn on/off or restart. Press briefly to sleep/wake the screen.
- **TF Card Port:** Insert a Micro SD card for expandable storage (up to 1TB).
- **USB-C Port:** For charging and data transfer.
- **Built-in Stand and Handle:** Provides a convenient way to hold the tablet and prop it up for viewing.

4. SETUP

4.1 Charging the Tablet

1. Connect the USB-C cable to the tablet's USB-C port.
2. Connect the other end of the USB-C cable to the power adapter.
3. Plug the power adapter into a wall outlet.
4. The battery indicator on the screen will show charging status. A full charge typically takes approximately

1.5 hours.

4.2 Powering On/Off

- **To Power On:** Press and hold the Power Button until the URAO logo appears.
- **To Power Off:** Press and hold the Power Button until the power options appear on the screen, then select "Power off."
- **To Restart:** Press and hold the Power Button until the power options appear, then select "Restart."

4.3 Initial Setup

Upon first power-on, follow the on-screen prompts to configure your tablet:

1. **Select Language:** Choose your preferred language.
2. **Connect to Wi-Fi:** Select your Wi-Fi network and enter the password.
3. **Google Account:** Sign in with an existing Google account or create a new one. This is necessary for downloading apps from Google Play.
4. **Date & Time:** Set the correct date and time.
5. **Parental Controls:** You will be guided through setting up initial parental controls. Refer to Section 6 for more details.

4.4 Inserting a Micro SD Card

To expand storage, you can insert a Micro SD card (not included).

1. Locate the TF Card Port on the side of the tablet (refer to Image 3.1).
2. Carefully insert the Micro SD card into the slot until it clicks into place.
3. The tablet will detect the card and prompt you to format it for use. Follow the on-screen instructions.

5. OPERATING THE TABLET

5.1 Basic Navigation

- **Tap:** Select an item.
- **Touch and Hold:** Access contextual menus or move icons.
- **Swipe:** Scroll through screens or lists.
- **Pinch:** Zoom in or out on images and web pages.

5.2 Connecting to Wi-Fi

1. Go to **Settings** > **Network & internet** > **Wi-Fi**.
2. Toggle Wi-Fi **On**.
3. Select your desired network from the list.
4. Enter the password if prompted, then tap**Connect**.

5.3 Downloading Apps

The URAO Kids Tablet provides full access to the Google Play Store.

1. Ensure you are connected to Wi-Fi and logged into a Google account.

2. Open the **Play Store** app.

3. Search for apps or browse categories.

4. Select an app and tap **Install**.

5.4 Using the Camera

1. Open the **Camera** app.

2. Tap the shutter button to take a photo.

3. Tap the video icon to record a video.

4. Use the switch icon to toggle between the front and rear cameras.

5.5 Adjusting Settings

Access various tablet settings from the **Settings** app.

- **Display:** Adjust brightness, wallpaper, sleep time, and enable Eye Protection mode to reduce blue light.
- **Sound:** Control media volume, notification sounds, and ringtones.
- **Battery:** View battery usage and optimize settings for longer battery life.
- **Storage:** Monitor internal and external storage usage.

6. PARENTAL CONTROLS

The URAO Kids Tablet features pre-installed parental control software to help manage your child's usage and content access.

Image 6.1: Parental Control Features. This image highlights the key parental control functionalities available on the tablet, including setting screen time, monitoring activity, content filtering, and managing app access.

6.1 Setting Up Parental Controls

1. During initial setup, you will be prompted to create a parent profile and a child profile.

2. Set a secure password for the parent profile to prevent children from altering settings.

3. From the parent profile, you can access the parental control dashboard.

6.2 Key Parental Control Features

- **Screen Time Limits:** Set daily limits for tablet usage. You can also schedule specific times when the

tablet can or cannot be used.

- **Content Filtering:** Filter websites and apps to ensure children only access age-appropriate content.
- **App Access Control:** Approve or block specific applications. You can also set time limits for individual apps.
- **Activity Monitoring:** View reports on your child's tablet usage, including apps used and websites visited.
- **Secure Browsing:** The system helps ensure children browse safe websites.

For detailed instructions on each parental control feature, refer to the dedicated parental control application on your tablet.

7. MAINTENANCE

7.1 Cleaning the Tablet

- Turn off the tablet before cleaning.
- Use a soft, lint-free cloth to gently wipe the screen and body.
- For stubborn smudges, slightly dampen the cloth with water or a screen cleaner specifically designed for electronics. Do not spray liquids directly onto the tablet.
- Avoid using abrasive materials, alcohol, or chemical solvents.

7.2 Battery Care

- Avoid fully discharging the battery frequently.
- Do not expose the tablet to extreme temperatures (hot or cold), as this can degrade battery life.
- If storing the tablet for an extended period, charge it to about 50% before turning it off.

7.3 Software Updates

Regularly check for and install software updates to ensure optimal performance and security.

1. Connect the tablet to Wi-Fi.
2. Go to **Settings** > **System** > **System update**.
3. Follow the on-screen instructions to download and install any available updates.

7.4 Storage Management

To maintain performance, periodically manage the tablet's storage.

- Go to **Settings** > **Storage** to view usage.
- Uninstall unused apps.
- Delete unnecessary photos, videos, or files.
- Move large files to an inserted Micro SD card.

8. TROUBLESHOOTING

If you encounter issues with your tablet, try the following solutions:

Problem	Solution

Problem	Solution
Tablet does not turn on	Ensure the tablet is charged. Connect it to the charger for at least 30 minutes, then try powering on again. If it still doesn't turn on, perform a hard reset by holding the power button for 10-15 seconds.
Tablet is slow or unresponsive	Close unused apps. Clear cache for frequently used apps (Settings > Apps > [App Name] > Storage > Clear cache). Restart the tablet. Check for software updates.
Wi-Fi connection issues	Ensure Wi-Fi is enabled in settings. Restart your Wi-Fi router. Forget the network and reconnect. Try connecting to a different Wi-Fi network if available.
Apps are crashing or not installing	Ensure sufficient storage space. Clear the cache and data for the Play Store app. Restart the tablet. Check for app updates.
Parental controls not working as expected	Ensure you are logged into the parent profile to adjust settings. Verify that the child's profile is correctly configured with the desired restrictions. Check for updates to the parental control application.

If these solutions do not resolve the issue, please contact URAO customer support.
