- **Battery Life:** Up to 14 days (220 mAh battery)
- **Smart Features:** Offline Voice Assistant, Call, SMS, Gmail, and App Notifications
- **Design:** Super slim and light, curved glass with anti-fingerprint coating
- **Compatibility:** Android 4.4 or iOS 8.0 and above

2024 New Version

Zeblaze Btalk 2 Lite

Max Style, Max Power

Large 1.39" HD Color Display | Bluetooth Phone Calls
24/7 Health Management | 100+ Professional Workout Modes
300+ Watch Faces | Up to 14 Days Battery Life

The Zeblaze Btalk 2 Lite smartwatch, available in various colors, featuring a large 1.39-inch HD display and comprehensive health and fitness tracking.

SETUP

1. Charging the Device

Before initial use, fully charge your Zeblaze Btalk 2 Lite smartwatch. Connect the magnetic charging cable to the charging contacts on the back of the watch and plug the USB end into a power adapter (not included) or a computer's USB port. A full charge typically takes approximately 2 hours.

Battery Power at Peak Performance

The Zeblaze Btalk 2 Lite has the endurance to help you crush your goals for up to two weeks on a single charge, thanks to its large-capacity battery with a 220 mAh rated value.

2. Pairing with Your Smartphone

1. **Download the App:** Scan the QR code in the watch's settings or search for the 'Da Fit' app in your smartphone's app store (Google Play Store for Android, Apple App Store for iOS).
2. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
3. **Open App and Pair:** Open the 'Da Fit' app, navigate to the device section, and follow the on-screen instructions to search for and connect to your Zeblaze Btalk 2 Lite. Confirm the pairing request on both your phone and watch.

OPERATING INSTRUCTIONS

1. Basic Navigation

- **Touchscreen:** Swipe left/right to access different features, swipe up/down to view notifications or quick settings. Tap to select.

- **Side Button/Crown:** Press to wake the screen, return to the home screen, or access the app menu. Rotate the crown (if applicable) to scroll through menus.

2. Bluetooth Phone Calls

Once paired with your phone, the Btalk 2 Lite allows you to make and receive calls directly from your wrist.

- **Making Calls:** Access the dial pad or contact list on your watch to initiate a call.
- **Receiving Calls:** When a call comes in, you can answer or reject it directly from the watch screen.

3. Offline Voice Assistant

The watch features an offline voice assistant. Activate it through the watch menu and use voice commands for various functions without needing an internet connection.

4. Notifications

Receive alerts for incoming calls, SMS messages, Gmail, and other app notifications directly on your watch. Configure which app notifications you wish to receive via the 'Da Fit' app on your smartphone.

5. Health Monitoring

The Btalk 2 Lite provides comprehensive health tracking features.

- **Heart Rate:** Monitors your heart rate 24/7. View real-time data on the watch or detailed trends in the app.
- **SpO2 (Blood Oxygen):** Measure your blood oxygen saturation levels on demand.
- **Sleep Tracking:** Automatically tracks your sleep patterns, including deep sleep, light sleep, and wake times.
- **Women's Health:** Provides tracking and reminders for menstrual cycles (configure in the app).

The Ultimate Personal Assistant

Via Bluetooth connection to your phone, the Zeblaze Btalk 2 Lite can receive and answer phone calls to help you keep up with personal and professional contacts while moving.

7. Customizing Watch Faces

Personalize your watch with a wide selection of watch faces.

- **Pre-installed Faces:** Browse and select from over 300 professional watch faces directly on the watch or through the 'Da Fit' app.
- **Custom Faces:** Upload your favorite photos via the 'Da Fit' app to create unique watch faces.

A Full 360° View of What Matters

Elegantly crafted with curved glass and protected by anti-fingerprint coating, the Zeblaze Btalk 2 Lite screen is as sleek as it is mesmerizing.

The clear and bright HD display makes it easy to see your data in any lighting, whether you're an early bird or a night owl.

MAINTENANCE

1. Cleaning

Regularly clean your watch and strap to prevent skin irritation and maintain functionality. Use a soft, damp cloth to wipe the screen and strap. Avoid harsh chemicals or abrasive materials.

2. Water Resistance

The Zeblaze Btalk 2 Lite features IP68 water resistance. This means it is protected against dust and can withstand immersion in water up to 1.5 meters for up to 30 minutes. It is suitable for daily use, such as hand washing or light rain, but not recommended for swimming, diving, or hot showers.

3. Battery Care

To prolong battery life, avoid exposing the watch to extreme temperatures. Charge the device fully before long periods of inactivity. If the watch will not be used for an extended time, charge it to about 50% before storing.

TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.

- **Cannot pair with phone:** Make sure Bluetooth is enabled on your phone and the watch is within range. Restart both the watch and your phone, then try pairing again through the 'Da Fit' app.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch.
- **Notifications not received:** Check app settings on your phone to ensure notifications are enabled for the 'Da Fit' app and for individual apps you wish to receive alerts from. Ensure the watch is connected via Bluetooth.
- **Short battery life:** Reduce screen brightness, disable unnecessary features, and ensure the watch is fully charged.
