- **Removable & Machine-Washable Covers:** The sofa covers are designed to be removable and machine-washable. Follow the care label instructions for washing to prevent shrinkage or damage.
- **Spot Cleaning:** For minor spills, blot immediately with a clean, dry cloth. Avoid rubbing, which can spread the stain. Use a mild fabric cleaner if necessary, testing on an inconspicuous area first.
- **Regular Vacuuming:** Vacuum the sofa regularly using a soft brush attachment to remove dust and debris.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sunlight or use curtains/blinds.
- **Pet-Friendly Fabric:** The fabric is designed to be pet-friendly and stain-resistant, making it easier to clean up after pets.

- **Cushion Shifting:** Periodically fluff and rotate cushions to maintain their shape and prevent excessive shifting.
