## Tawson 13850

# Tawson Talos 2-Light Wall Sconce Vanity Instruction Manual

Model: 13850

## PRODUCT OVERVIEW

---

The Tawson Talos 2-Light Wall Sconce Vanity (Model 13850) is a modern lighting fixture designed for indoor use. It features a brushed nickel finish and satin etched glass shades, providing a warm and diffused light. This fixture is suitable for various rooms including bathrooms, hallways, entryways, and living rooms.

## SAFETY INFORMATION

---

- Always turn off the main power supply at the circuit breaker before beginning installation or maintenance.
- Consult a qualified electrician if you are unsure about the installation process.
- Ensure all electrical connections are secure and comply with local codes and ordinances.
- Do not exceed the maximum wattage specified for the bulbs.
- Handle glass components with care to prevent breakage.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning installation.

- Light Fixture Assembly
- Satin Etched Glass Shades (2)
- Mounting Hardware Kit
- Instruction Manual
- *Bulbs are not included.*

## SETUP AND INSTALLATION

This fixture is designed for easy installation. All necessary mounting hardware and instructions are included. No complex assembly is required.

### Dimensions

Image: Product dimensions. The fixture measures approximately 15 inches in width, 8.8 inches in height, and extends 6.6 inches from the wall.

### Mounting

1. Turn off power at the circuit breaker.
2. Attach the mounting bracket to the junction box using the provided screws.
3. Connect the electrical wires (live, neutral, ground) according to standard wiring practices.
4. Secure the fixture to the mounting bracket.
5. Install the glass shades by carefully screwing them onto the fixture.

## OPERATING INSTRUCTIONS

---

The Tawson Talos 2-Light Wall Sconce Vanity is operated via a standard wall switch. If a dimmer function is desired, ensure a compatible wall dimmer switch and dimmable bulbs are used.

- **Power On/Off:** Use the wall switch connected to the fixture to turn the lights on or off.
- **Dimming:** If a dimmer switch and dimmable bulbs are installed, adjust the dimmer switch to control the light intensity.
- **Light Direction:** The fixture can be mounted as an uplight or downlight, depending on your preference and installation.

## EXQUISITE CRAFTSMANSHIP

The Talos four-lamp vanity lamp is crafted with exquisite workmanship, featuring precision metalwork and premium frosted glass, bringing a refined, bespoke visual effect to your space. It perfectly blends meticulous details with exceptional value, instantly elevating the aesthetics of your home.

### HAND-BLOWN GLASS

Our premium, hand-blown frosted white glass shades diffuse light beautifully to eliminate harsh glare, casting a soft and soothing glow that is gentle on your eyes.

### CORROSION-RESISTANT

Our high-quality brushed nickel finish offers superior resistance to moisture, providing a sleek, modern touch that effortlessly complements any interior style or space.

### PRECISION BUILT

Built with precision engineering components designed for longevity. This intricate machine-crafted construction ensures that every joint remains flawless, delivering professional-grade durability.

## tawson®

At Tawson, our purpose is simple: to make great modern lighting accessible. We believe lighting should do more than brighten a room—it should clarify a space, elevate everyday rituals, and bring a quiet sense of refinement to how people live.

Our approach is affordable, yet elevated: clean proportions, considered materials, and modern silhouettes designed to feel premium without the premium markup. We balance design & practicality, craft & technology, and style & value—so each piece delivers both atmosphere and performance, whether it's a bathroom vanity, a hallway statement, or a warm glow in the living room.

Tawson's range is built as a curated collection of contemporary essentials—timeless forms, versatile finishes, and dependable quality—created to fit real homes, real budgets, and the spaces people return to every day.

## MAINTENANCE

Regular maintenance will ensure the longevity and optimal performance of your light fixture.

- **Cleaning:** Turn off power before cleaning. Wipe the brushed nickel finish with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish. The glass shades can be removed for thorough cleaning with mild soap and water.
- **Bulb Replacement:** Turn off power before replacing bulbs. The open design of the glass shades makes bulb replacement easy. Allow bulbs to cool before handling.
- **Inspection:** Periodically check all connections and mounting hardware to ensure they remain secure.

## MODERN LIGHTING EXCELLENCE

Refined design for elevated everyday spaces.

### TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on.	No power to the fixture; loose wiring; faulty bulb.	Check circuit breaker. Ensure all wiring connections are secure. Replace bulb.
Light flickers.	Loose bulb; incompatible dimmer switch/bulb; unstable power supply.	Tighten bulb. Ensure dimmer and bulbs are compatible. Consult electrician for power issues.
Glass shade is loose.	Shade not properly tightened.	Carefully re-tighten the glass shade onto the fixture.
