## WHAT'S IN THE BOX

---

- WAVEFUN Flex 3 Neckband Bluetooth Headphones (1 unit)
- Micro USB Charging Cable (1 unit)
- English User Manual (1 unit)
- S/M/L Ear Tips (1 set)

## SETUP INSTRUCTIONS

---

### 1. Charging the Headphones

Before first use, fully charge your WAVEFUN Flex 3 headphones. Connect the provided Micro USB charging cable to the charging port on the neckband and to a USB power source. The LED indicator will show charging status.

- **Charging Time:** Approximately 1 hour for a full charge.
- **Quick Charge:** 15 minutes of charging provides approximately 4 hours of playback.
- **Total Playtime:** Up to 30 hours on a full charge.

*Image: Illustration showing the battery indicator and charging times for the WAVEFUN Flex 3 headphones.*

### 2. Pairing with a Bluetooth Device

1. Ensure the headphones are turned off.
2. Press and hold the multi-function button on the right side of the neckband until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "Wavefun Flex 3" (or similar name) from the list of devices.
5. Once connected, the LED indicator will flash blue slowly.

The headphones are compatible with Apple devices, Samsung devices, and Kindle Fire tablets.

## OPERATING INSTRUCTIONS

---

### Controls

The control buttons are located on the right side of the neckband for easy access.

- **Multi-function Button:**

- Press and hold to power on/off.
- Single press to play/pause music or answer/end calls.
- Double press to activate voice assistant (Siri, Google Assistant).
- Triple press to activate Group Sound Mode (TWS mode).

- **Volume Up (+) Button:**

- Single press to increase volume.
- Press and hold to skip to the next track.

- **Volume Down (-) Button:**

- Single press to decrease volume.
- Press and hold to skip to the previous track.

## Magnetic Earbuds

The earbuds feature a magnetic design, allowing them to securely attach to each other when not in use. This helps prevent tangling and ensures they stay safely around your neck.

## MAINTENANCE

---

- **Cleaning:** Wipe the headphones with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The headphones are IPX5 sweat and splash resistant. Avoid submerging them in water or

exposing them to heavy rain.

- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Ear Tips:** Regularly clean the ear tips to maintain hygiene and sound quality. Replace them if they become worn or damaged.

## TROUBLESHOOTING

---

- **Cannot Pair:**

- Ensure the headphones are in pairing mode (LED flashing blue and red).
- Check that Bluetooth is enabled on your device.
- Move the headphones closer to your device.
- Restart both the headphones and your device.

- **No Sound:**

- Check the volume levels on both the headphones and your connected device.
- Ensure the headphones are properly connected to your device via Bluetooth.
- Try playing different audio sources.

- **Poor Sound Quality:**

- Ensure the ear tips fit snugly in your ears.
- Move closer to your connected device to avoid interference.
- Check for any obstructions between the headphones and your device.

- **Charging Issues:**

- Ensure the charging cable is securely connected to both the headphones and the power source.
- Try using a different charging cable or power adapter.
