4. SETUP AND CONNECTION

4.1. Initial Charge

Before first use, fully charge the speaker using the provided USB-C cable and a compatible power adapter (not included). The charging indicator light will show charging status.

4.2. Power On/Off

Press and hold the Power button for 2-3 seconds to turn the speaker on or off.

4.3. Bluetooth Pairing

1. Turn on the speaker. It will automatically enter Bluetooth pairing mode, indicated by a flashing LED light.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "BUGANI Brief Pro" from the list.
4. Once connected, the LED indicator will turn solid, and you will hear an audible confirmation.

The speaker will automatically reconnect to the last paired device when powered on, if the device is within range and Bluetooth is enabled.

4.4. AUX IN Connection

For devices without Bluetooth, use the provided 3.5mm AUX IN cable to connect to the speaker's AUX IN port. The speaker will automatically switch to AUX mode.

5. OPERATION

5.1. Volume Control

Rotate the central knob clockwise to increase volume and counter-clockwise to decrease volume.

5.2. Playback Control

- **Play/Pause:** Press the central volume knob once.
- **Next Track:** Double-press the central volume knob.
- **Previous Track:** Triple-press the central volume knob.

5.3. TWS (True Wireless Stereo) Pairing

To achieve a true stereo sound experience, you can pair two BUGANI Brief Pro M192 speakers together.

1. Ensure both speakers are powered on and not connected to any Bluetooth device.
2. On one speaker (this will be the primary speaker), press the TWS button (usually indicated by a chain link icon). The speaker will enter TWS pairing mode.
3. The primary speaker will automatically search for the secondary speaker. Once connected, you will hear an audible confirmation, and the TWS indicator light will become solid on both speakers.
4. Now, connect your device to the primary speaker via Bluetooth as described in section 4.3. Audio will play in stereo through both speakers.

TWS Connection

Figure 5.1: TWS Pairing

6. CHARGING

The BUGANI Brief Pro M192 is equipped with a rechargeable battery providing up to 12 hours of playtime at 50% volume. Actual playtime may vary based on volume level and audio content.

- Connect the USB-C charging cable to the speaker's USB-C port and the other end to a USB power source (e.g., wall adapter, computer USB port).
- The charging indicator light will illuminate during charging.
- A full charge typically takes approximately 5 hours.

Long Playback

12-Hour Continuous Play

7. WATER RESISTANCE

The BUGANI Brief Pro M192 features an IPX5 water-resistant rating, protecting it from splashes and light rain. This makes it suitable for outdoor use, such as camping or beach trips.

Note: IPX5 rating means it can resist a sustained, low-pressure water jet spray. It is not designed to be submerged in water.

Water Resistant

With IPX5 Water Resistant, you can enjoy music anytime outdoor.

9. TROUBLESHOOTING

If you encounter issues with your speaker, refer to the following common problems and solutions:

- **Speaker does not power on:** Ensure the battery is charged. Connect the USB-C cable and try again.
- **Cannot pair via Bluetooth:** Make sure the speaker is in pairing mode (flashing LED). Ensure your device's Bluetooth is enabled and within range. Try forgetting the device on your phone and re-pairing.
- **No sound:** Check the volume level on both the speaker and your connected device. Ensure the correct input mode (Bluetooth or AUX) is selected.
- **Poor sound quality:** Move the speaker closer to your Bluetooth device to reduce interference. Check the audio source quality.
- **TWS pairing fails:** Ensure both speakers are fully charged and not connected to any other Bluetooth device before initiating TWS pairing.
- **Speaker unresponsive:** Use a small pin to press the reset button located near the charging port. This will restore factory settings.

10. SAFETY INFORMATION

Please read and follow these safety guidelines to prevent damage to the speaker or injury to yourself:

- Do not expose the speaker to extreme temperatures, direct sunlight, or open flames.
- Do not submerge the speaker in water, despite its IPX5 rating.
- Keep the speaker away from strong magnetic fields.
- Do not attempt to disassemble, repair, or modify the speaker. This will void the warranty.
- Use only the provided charging cable or a certified USB-C cable for charging.
- Clean the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.

11. WARRANTY AND SUPPORT

Your BUGANI Brief Pro M192 Bluetooth Speaker comes with a standard manufacturer's warranty. For detailed warranty information, please refer to the warranty card included in your package or visit the official BUGANI website.

For technical support, troubleshooting assistance, or any questions regarding your product, please contact BUGANI customer service through the contact information provided in your warranty documentation or on the official BUGANI website.
