## FKWin fkmcparent

# FKWin Medicine Cabinet Mirror with Power Outlet (16x32 inch, Black) - Instruction Manual

Model: fkmcparent | Brand: FKWin

## PRODUCT OVERVIEW

The FKWin Medicine Cabinet Mirror is a versatile bathroom storage solution featuring a high-definition arched mirror and integrated power outlet. Designed for wall-mounting, it offers adjustable glass shelves and can be configured for left or right door opening to suit various bathroom layouts. This model includes a built-in power strip with 2 AC and 2 USB-A ports for convenient charging of bathroom essentials.

## WHAT'S IN THE BOX

Please verify all components are present before beginning assembly.

- Medicine Cabinet Frame
- Arched Mirror Door
- 3 Adjustable Glass Shelves
- Mounting Hardware (brackets, screws, wall anchors)
- Assembly Instructions Manual
- Power Strip (2 AC + 2 USB-A ports, 1.5m cord)

## SAFETY INFORMATION

- Always ensure the cabinet is securely mounted to a wall stud or using appropriate wall anchors for its weight.
- Do not overload shelves beyond their recommended weight capacity.
- Keep electrical components dry and away from direct water exposure.
- Unplug the power strip when not in use or during cleaning.
- Handle glass shelves and mirror with care to prevent breakage.

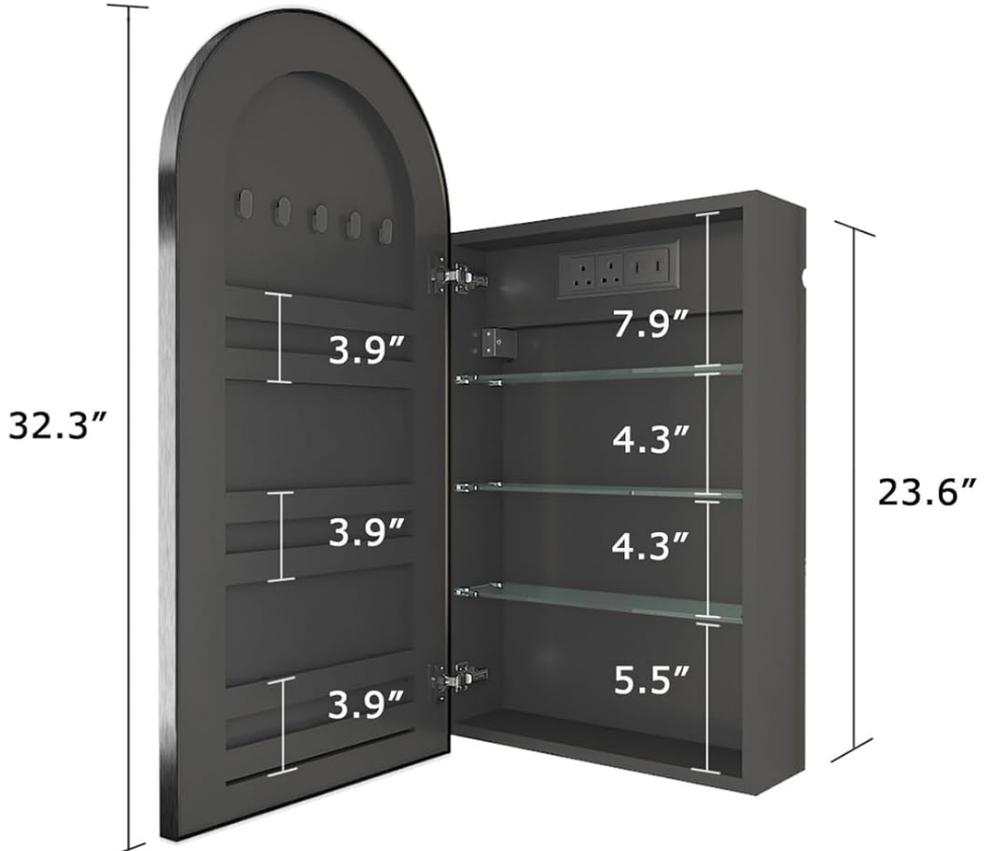

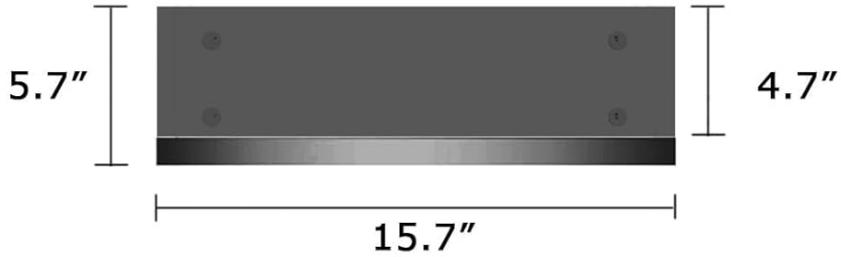

## SETUP AND INSTALLATION

This medicine cabinet is designed for surface wall-mounting only (not recessed). Follow the detailed assembly instructions

provided in the package. It is recommended to have two people for installation due to the weight of the unit.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify all pieces are present and undamaged.
2. **Assemble Cabinet Frame:** Connect the side panels to the top and bottom panels using the provided hardware. Ensure grooves align correctly for the back panel.
3. **Install Adjustable Shelf Supports:** Insert the shelf support pins into the desired holes on the side panels.
4. **Attach Door Hinges:** Install the door hinges onto the mirror door. The door can be configured to open from either the left or right side. Use the provided covers for unused hinge holes.
5. **Mount Mirror Door:** Attach the mirror door to the cabinet frame using the installed hinges.
6. **Install Glass Shelves:** Place the glass shelves onto the installed shelf supports.
7. **Wall Mounting:**
  - Determine the desired mounting location. Mark the positions for the wall brackets.
  - Securely attach the wall brackets to the wall using appropriate screws and anchors. Ensure they are level and can support the cabinet's weight.
  - Carefully lift the assembled cabinet and hang it onto the wall brackets.
8. **Connect Power:** Plug the integrated power strip cord into a suitable wall outlet.

**\*Note: Before Purchasing, Please Confirm the Size of the Product Matches Your Room**

# Easy DIY Installation

**Adjustable Soft-Close Hinges  
for Perfect Door Alignment**

**Shatter-proof Glass  
with HD Reflection**

**Tempered  
Glass Shelves**

**Water Proof  
Particle Board**

*Image: Key features of the cabinet including adjustable soft-close hinges for door alignment, shatter-proof glass with HD reflection, tempered glass shelves, and waterproof particle board construction.*

## OPERATING INSTRUCTIONS

- **Door Operation:** The mirror door features soft-close hinges for smooth and quiet operation. Gently push the door to close it; it will slowly retract into place.
- **Adjusting Shelves:** To adjust shelf height, carefully lift the glass shelf, remove the support pins, reposition them to the desired height, and then reinsert the shelf.
- **Using Power Outlet:** The built-in power strip provides 2 AC outlets and 2 USB-A ports. Use these to power or charge small electronic devices such as electric toothbrushes, razors, or hair dryers. Ensure devices are compatible with the power specifications.

## MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray cleaner onto the cloth, not directly onto the mirror, to avoid liquid seeping into edges.
- **Cleaning the Cabinet:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Glass Shelves:** Remove shelves for thorough cleaning with glass cleaner. Ensure they are completely dry before reinserting.
- **Hinge Maintenance:** Periodically check hinges for smooth operation. If needed, a small amount of silicone-based lubricant can be applied.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Door does not close smoothly.	Hinges may need adjustment or lubrication.	Check hinge alignment and adjust screws if necessary. Apply silicone lubricant to hinges.
Devices not charging from power outlet.	Power strip not plugged in, or device issue.	Ensure the cabinet's power cord is securely plugged into a working wall outlet. Test the device with another power source.
Cabinet feels unstable after mounting.	Improper wall mounting.	Re-check wall bracket installation. Ensure screws are in wall studs or appropriate heavy-duty anchors are used. Consult a professional if unsure.

## SPECIFICATIONS

---

- **Brand:** FKWin
- **Model Name:** fkmcparent
- **Product Dimensions:** 4.7"D x 15.7"W x 32.3"H
