# jiteentarou 6-Drawer Dresser with Charging Station and LED Lights User Manual

## 1. INTRODUCTION

---

Thank you for purchasing the jiteentarou 6-Drawer Dresser with Charging Station and LED Lights. This modern chest of drawers is designed to provide ample storage and convenient features for your living space. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

## 2. IMPORTANT SAFETY INSTRUCTIONS

---

- **Assembly:** Always follow the assembly instructions carefully. Do not skip steps or use unauthorized parts.
- **Stability:** To prevent tipping, secure the dresser to a wall using the provided anti-tip kit. Never allow children to climb on drawers or the dresser.
- **Weight Capacity:** Do not overload drawers or the top surface. Refer to specifications for weight limits.
- **Electrical Safety:** The integrated charging station contains electrical components. Ensure the power cord is not pinched or damaged. Do not expose the charging station to liquids. Unplug the dresser from the power outlet before cleaning or if not in use for extended periods.
- **LED Lights:** Do not attempt to modify or repair the LED light strip. If damaged, contact customer support.
- **Placement:** Place the dresser on a flat, stable surface. Avoid placing it in direct sunlight or near heat sources to prevent material damage.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, ensure all parts and hardware are present. Refer to the included parts list in your package for detailed identification. Common components include:

- Dresser panels (top, bottom, side, back, drawer fronts, drawer sides)
- Drawer slides
- Hardware (screws, dowels, cam locks, cam bolts, handles)
- Charging station unit
- LED light strip with remote control

- Anti-tip kit

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly typically requires two people. Follow the step-by-step instructions provided in the video below. Ensure all connections are secure before proceeding to the next step.

**Video:** 6 Drawer Dressers Installation Video. This video provides a detailed, step-by-step guide for assembling the 6-drawer dresser, including attaching drawer slides and constructing the main frame.

**Video:** Installation Video of 6 Drawer Dresser. This video demonstrates the assembly process for a 6-drawer dresser, focusing on panel connections and drawer construction.

**Video:** Dresser Installation Video. This video illustrates the assembly of a dresser, covering the attachment of various components and ensuring structural integrity.

**Video:** Installation Video of 6 Drawer Dresser - 770. This video provides a comprehensive guide for assembling the 6-drawer dresser, detailing each step from unboxing to final setup.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Charging Station

The dresser is equipped with a built-in power outlet for convenient charging. Simply plug the dresser's main power cord into a wall outlet. You can then use the integrated AC outlets and USB ports on the top surface to power or charge your electronic devices.

**Image:** The integrated charging station on the dresser's top surface, featuring two AC outlets and two USB ports, allowing for convenient device charging.

## 5.2 LED Lights

The integrated LED lighting system can be customized to match your mood or decor. Use the included remote control to:

- **Turn On/Off:** Press the power button on the remote.
- **Change Colors:** Select from various preset colors using the color buttons.
- **Adjust Brightness:** Use the brightness control buttons.
- **Select Modes:** Choose from different lighting modes (e.g., flash, fade, strobe) to create dynamic effects.
- **Music Sync:** Some models may feature a music sync mode, allowing lights to react to sound.

**Image:** The dresser showcasing different LED light colors and dynamic modes, with the remote control and a smartphone app interface visible for light customization.

**Video:** Drawer Dresser with Charging Station and LED Lights. This video highlights the features of the dresser, including the charging station and the customizable LED lighting, demonstrating various color options and effects.

## 6. MAINTENANCE

- **Cleaning:** Wipe the dresser surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Promptly clean any spills to prevent staining or damage to the wood.
- **Hardware:** Periodically check and tighten all hardware to ensure the dresser remains stable and secure.
- **Drawer Slides:** If drawers become difficult to open or close, clean the drawer slides and apply a silicone-based lubricant if necessary.

## 7. TROUBLESHOOTING

### 7.1 LED Lights Not Working

- **Check Power:** Ensure the dresser is plugged into a working power outlet and the LED light strip is properly connected to its power source.

- **Remote Control:** Verify the remote control has working batteries and is pointed directly at the LED receiver.
- **Connections:** Inspect all connections of the LED strip and controller for looseness or damage.

## 7.2 Charging Station Not Functioning

- **Power Connection:** Confirm the dresser's main power cord is securely plugged into a live wall outlet.
- **Device Compatibility:** Ensure your device is compatible with the charging station's output (USB or AC).
- **Overload:** Avoid overloading the charging station with too many high-power devices simultaneously.

## 7.3 Drawers Are Sticking or Not Closing Properly

- **Alignment:** Check if the drawer slides are correctly aligned and installed on both the drawer and the dresser frame.
- **Obstructions:** Ensure there are no objects obstructing the drawer's path or the slides.
- **Overload:** Do not overload drawers, as excessive weight can cause them to stick.
- **Hardware:** Tighten any loose screws on the drawer slides or drawer components.

## 8. SPECIFICATIONS

<b>Brand</b>	jiteentarou
<b>Model Name</b>	jiteentarou
<b>Product Dimensions</b>	15.7"D x 47"W x 31.5"H
<b>Size</b>	15.7"D x 47"W x 31.5"H (6 Drawers)
