5. SETUP AND INSTALLATION

This fixture is hardwired and does not include a switch or plug. It is designed for easy mounting onto a standard USA electrical box. Please follow these steps carefully:

- 1. Prepare for Installation:** Ensure the power supply to the electrical box is turned off at the circuit breaker.
- 2. Attach Mounting Plate:** Secure the provided mounting plate to the electrical box using the screws from the mounting hardware kit.
- 3. Make Electrical Connections:** Connect the fixture's wires to your household wiring. Match the live (black) wire from the fixture to the live (black) wire from the electrical box, the neutral (white) wire from the fixture to

the neutral (white) wire from the electrical box, and the ground (green or bare copper) wire from the fixture to the ground wire from the electrical box. Use wire nuts to secure connections.

4. **Mount the Fixture:** Carefully align the fixture with the mounting plate and secure it with the provided screws. Ensure the fixture is flush against the wall.
5. **Restore Power:** Once the fixture is securely installed, restore power at the circuit breaker.

6. OPERATING INSTRUCTIONS

The Ralbay Modern Chrome Vanity Light is designed for simple operation and adjustable lighting.

Turning On/Off

Operate the light using your standard wall switch. There is no integrated switch on the fixture itself.

Adjusting Light Direction

Each of the four lamp heads features a 360° rotatable joint. You can manually adjust the direction of each individual light to suit your needs, providing focused illumination where desired.

7. MAINTENANCE

To ensure the longevity and optimal performance of your Ralbay Modern Chrome Vanity Light, follow these simple maintenance guidelines:

- **Cleaning:** Regularly wipe the fixture with a soft, damp cloth. Avoid using abrasive cleaners, solvents, or harsh chemicals, as these can damage the chrome finish and acrylic lampshade.
- **Dusting:** Dust the fixture periodically to prevent buildup, which can affect light output.
- **Inspection:** Periodically check for any loose connections or signs of wear. If any issues are found, disconnect power and consult a qualified electrician.
- **LED Lifespan:** The integrated LED technology has a lifespan of up to 50,000 hours, meaning bulb replacement is generally not required.

8. TROUBLESHOOTING

If you encounter any issues with your vanity light, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
