MAX Build More Premium Garden Pot Plants Building Bricks Collection (Cosmos Sulphureus) Instruction Manual

This manual provides detailed instructions for assembling, maintaining, and understanding your MAX Build More Premium Garden Pot Plants Building Bricks Collection, specifically the Cosmos Sulphureus model.

INTRODUCTION

The MAX Build More Premium Garden Pot Plants Building Bricks Collection allows you to construct a beautiful botanical display using high-quality building bricks. This specific set features the Cosmos Sulphureus plant, designed for creative assembly and display.

Each capsule contains up to 233 premium pieces to build one plant, one plant pot, and one plant stand. Easy-to-follow instructions are included to guide the assembly process.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small pieces. Not for children under 3 years.

Please ensure all small pieces are kept away from young children to prevent accidental ingestion. Adult supervision is recommended during assembly for younger users.

SETUP AND ASSEMBLY

Follow these steps to assemble your Cosmos Sulphureus plant building brick set. Refer to the included instruction leaflet for detailed diagrams.

1. **Unpack Components:** Carefully open the capsule and remove all building brick pieces, the plant pot, plant stand components, and the instruction leaflet.
2. **Assemble the Plant Stand:** Connect the pieces of the plant stand as shown in the instructions. Ensure all connections are secure.
3. **Construct the Plant Pot Base:** Begin assembling the base of the plant pot according to the diagrams.
4. **Build the Cosmos Sulphureus Plant:** Follow the step-by-step instructions to construct the flower and stem components. Pay close attention to the color and shape of each brick for accurate assembly.
5. **Integrate Plant into Pot:** Once the plant structure is complete, carefully place it into the assembled plant pot.
6. **Place Pot on Stand:** Position the completed plant pot onto the plant stand.

DISPLAY AND INTERACTION

Once assembled, your MAX Premium Garden plant is ready for display. The set is designed to be a decorative item. You can adjust the position of some leaves and flower components to achieve your desired aesthetic. The plant stand provides a stable base for your creation. These building bricks are compatible with leading brick brands, allowing for integration into larger displays or custom creations.

CARE AND MAINTENANCE

To maintain the appearance of your building brick plant, follow these guidelines:

- **Cleaning:** Dust regularly with a soft, dry cloth or a soft brush. For deeper cleaning, gently wipe with a damp cloth and mild soap, then rinse with clean water and air dry thoroughly. Avoid harsh chemicals or abrasive materials.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss. Store in a cool, dry place away from direct sunlight to prevent color fading.
- **Handling:** Handle the assembled model with care to avoid accidental detachment of pieces.

TROUBLESHOOTING

Missing Pieces:

If you find any pieces missing from your set upon opening, please contact ZURU customer support with your product details and proof of purchase.

Difficulty Assembling:

Review the instruction leaflet carefully. Ensure you are using the correct pieces for each step. Sometimes, applying gentle, even pressure is necessary to connect bricks. If a step remains unclear, refer to online assembly videos or contact support.

Loose Connections:

Ensure bricks are fully pressed together. If a connection remains loose, check for any debris between the studs and tubes. If a piece is consistently loose, it may be a manufacturing defect; contact customer support.
