## 1. INTRODUCTION

---

Thank you for choosing the PawHut Indoor Dog Crate with Removable Cushion. This product is designed to provide a secure and comfortable space for your pet while also serving as a stylish piece of furniture in your home. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation. Keep this manual for future reference.

## 2. SAFETY INFORMATION

---

Please observe the following safety precautions to prevent injury to your pet or damage to the product:

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children away during assembly.
- **Proper Placement:** Place the crate on a flat, stable, and level surface. Avoid placing it near heat sources, open flames, or in direct sunlight for extended periods.
- **Pet Suitability:** This crate is suitable for extra-large dogs up to 40 kg (88 lbs) and up to 70 cm (27.5 inches) in body length. Ensure your pet fits comfortably inside.
- **Regular Inspection:** Periodically check all bolts, screws, and connections to ensure they are tight and secure. Do not use if any parts are damaged or missing.
- **Ventilation:** The crate features spaced bars for ventilation. Ensure these are not obstructed.
- **Supervision:** Do not leave your pet unsupervised for extended periods, especially when first introducing them to the crate.
- **No Climbing:** Do not allow children or pets to climb on or play inside the crate when it is being used as a side table.

- **Weight Limit:** The maximum load capacity for the top surface is 20 kg (44 lbs). Do not exceed this weight.

### 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

Image 3.1: The product is delivered in one package.

Your package should contain:

- Crate panels (top, bottom, sides, back)
- Sliding door assembly with metal bars
- Removable cushion
- Hardware pack (screws, bolts, latch mechanism, sliding rail)
- Assembly instructions manual

### 4. SETUP AND ASSEMBLY

---

Follow these steps carefully to assemble your PawHut Indoor Dog Crate. It is recommended to have two adults for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify each component using the parts list in your separate assembly guide.
2. **Assemble Side Panels:** Attach the side panels to the bottom panel using the provided screws and connectors. Ensure all connections are secure.
3. **Install Back Panel:** Secure the back panel to the assembled sides and bottom.
4. **Attach Top Panel:** Place the top panel onto the assembled structure and secure it with screws.
5. **Install Sliding Door Mechanism:** Attach the sliding rail to the top panel as indicated in the assembly diagram. Insert the sliding door into the rail.
6. **Secure Latch:** Install the latch mechanism on the sliding door and the adjacent panel to ensure the door can be securely closed.
7. **Insert Cushion:** Place the removable cushion inside the assembled crate.

# MORE DETAILS

**SOFT CUSHION**  
Offers a cosy resting spot

Image 4.1: Detail of the sliding door and latch for easy access and security.

Once assembled, gently test the stability of the crate and the functionality of the sliding door and latch before allowing your pet to use it.

## 5. OPERATING INSTRUCTIONS

---

This PawHut dog crate is designed for ease of use and versatility.

- **Pet Enclosure:** Use the crate to provide a safe and comfortable den for your dog. The included soft cushion enhances comfort.
- **Sliding Door:** To open the crate, slide the door along its track. To close, slide it back and engage the latch to secure your pet inside.
- **Side Table Functionality:** The sturdy top surface can be used as a side table to hold decorative items, lamps, or books. Ensure the weight limit of 20 kg (44 lbs) is not exceeded.
- **Introducing Your Pet:** Gradually introduce your pet to the crate. Make it a positive experience with treats and toys. Never use the crate as a punishment.

## 6. MAINTENANCE

Regular cleaning and maintenance will prolong the life of your dog crate.

- **Crate Cleaning:** Wipe down the wooden and metal surfaces of the crate with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Cushion Care:** The cushion is removable and washable. Refer to the care label on the cushion for specific washing instructions. Typically, machine wash cold on a gentle cycle and tumble dry low.
- **Hardware Check:** Periodically check all screws and bolts for tightness. Tighten if necessary to maintain structural integrity.

Image 6.1: The crate's surfaces are easy to clean with a simple wipe.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your PawHut dog crate, refer to the following common solutions:

Problem	Possible Cause	Solution
Crate feels wobbly or unstable.	Loose screws or incorrect assembly.	Check all screws and bolts and tighten them. Review assembly instructions to ensure all parts are correctly installed.
Sliding door sticks or does not move smoothly.	Debris in the track or misaligned rail.	Clean the sliding track to remove any dust or pet hair. Ensure the sliding rail is properly aligned and secured.

Problem	Possible Cause	Solution
Pet is reluctant to enter the crate.	Lack of positive association or discomfort.	Place treats and favorite toys inside. Never force your pet into the crate. Gradually increase the time spent inside. Ensure the cushion is comfortable.
Cushion appears dirty or worn.	Regular use.	Remove and wash the cushion according to its care label. Consider replacing if excessively worn.

If the problem persists or if you encounter an issue not listed here, please contact PawHut customer support.
