5. MAINTENANCE

To maintain the appearance and longevity of your Baodiale Bar Table, follow these simple maintenance guidelines:

- **Cleaning:** The smooth panel surface is easy to clean. Wipe the table with a soft, damp cloth. For stubborn marks, a mild soap solution can be used, followed by drying with a clean cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or solvents, as these may damage the finish.
- **Protection:** While the table is designed to be dirty-resistant, it is advisable to use coasters for drinks and placemats for hot items to prevent potential damage to the surface.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your bar table.

- **Wobbling Table:**

- Ensure all assembly screws are fully tightened.
- Verify the table is placed on a flat, even surface.

- **Scratches on Surface:**

- Minor scratches may be buffed out with appropriate metal polish (test on an inconspicuous area first).
- Prevent future scratches by using protective pads under items placed on the table.
