Dolle 114613

Dolle Border Shelf Instruction Manual

Model: 114613

INTRODUCTION

This manual provides instructions for the proper installation, use, and maintenance of your Dolle Border Shelf. The Border Kit features a U-shaped frame, designed to hold various items such as picture frames, keepsakes, or spices. It offers quick and easy wall mounting.

IMPORTANT SAFETY INFORMATION

WARNING:

- Do not exceed the maximum weight capacity of 11 lbs (4.99 kg) per shelf.
- Ensure the shelf is properly mounted and level before placing any items on it.
- Improper installation or overloading may cause the shelf to detach from the wall, leading to injury or property damage.
- Always use appropriate wall anchors for your specific wall type (e.g., drywall, stud, concrete).

PACKAGE CONTENTS

Please verify that all components are present before beginning installation:

- Dolle Border Shelf (1 unit)
- Mounting Hardware (screws, anchors)

Note: Additional tools required for installation are not included.

SETUP AND INSTALLATION

Required Tools (Not Included):

- Pencil
- Measuring Tape
- Level
- Drill with appropriate drill bit for wall anchors
- Screwdriver (Phillips head recommended)

Installation Steps:

1. **Choose Location:** Select a suitable wall location for your shelf. Ensure there are no electrical wires or plumbing pipes behind the wall where you plan to drill.
2. **Mark Mounting Points:** Hold the shelf against the wall at the desired height and use a level to ensure it is straight. Mark the positions for the mounting holes with a pencil.
3. **Drill Pilot Holes:** Using a drill with a bit appropriate for your wall type and the provided anchors, drill pilot holes at the marked locations.
4. **Insert Wall Anchors:** Gently tap the wall anchors into the pilot holes until they are flush with the wall surface.
5. **Mount the Shelf:** Align the shelf's mounting holes with the installed anchors. Insert the screws through the shelf and into the anchors. Tighten the screws securely until the shelf is firmly attached to the wall. Do not overtighten.
6. **Verify Stability:** Gently test the shelf's stability by applying light pressure. Ensure it is securely fastened and does not wobble.

OPERATING AND USAGE

The Dolle Border Shelf is designed for decorative and light storage purposes. It can be used in various rooms to display items:

- **Living Room:** Display small picture frames, decorative objects, or small plants.
- **Bedroom:** Hold books, personal mementos, or small electronics.
- **Kitchen:** Function as a spice rack or hold small kitchen decor.
- **Bathroom/Nursery/Kids Room:** Store lightweight toiletries, small toys, or decorative accents.

Always distribute weight evenly on the shelf and ensure the total weight does not exceed 11 lbs (4.99 kg).

MAINTENANCE

To keep your Dolle Border Shelf in optimal condition:

- **Cleaning:** Wipe the shelf with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Inspection:** Periodically check the mounting screws to ensure they remain tight. Retighten if necessary.
- **Avoid Moisture:** While suitable for bathrooms, avoid prolonged exposure to excessive moisture to prevent damage to the engineered wood material.

TROUBLESHOOTING

- **Shelf is not level:**

Ensure you used a level during installation. If already installed, you may need to slightly adjust the mounting screws or re-drill if the holes are significantly off. Verify the wall surface is flat.
- **Shelf feels loose or wobbly:**

Check all mounting screws and tighten them. Ensure the wall anchors are properly seated and suitable for your wall type. If the issue persists, the anchors may not be holding correctly, and you might need to use stronger anchors or relocate the shelf.
- **Items slide off the shelf:**

This shelf has a border to prevent items from sliding off the front. If items are sliding, ensure the shelf is perfectly level. Consider using non-slip pads under items if they are particularly prone to movement.

SPECIFICATIONS

Model Number	114613
Product Name	Floating Border Shelf
Brand	Dolle
Material	Engineered Wood (Medium Density Fiberboard)
Color	White
Product Dimensions (D x W x H)	8.9D x 80W x 3H Centimetres (3.5D x 31.5W x 1.2H Inches)
Shelf Thickness	1.2 Inches
Item Weight	4 Pounds (1.81 kg)
Weight Capacity	11 lbs (4.99 kg)
Mounting Type	Wall Mount
Number of Shelves	1
Included Components	Hardware

WARRANTY INFORMATION

Dolle products are designed and manufactured to high-quality standards. For specific warranty details, please refer to the documentation included with your purchase or contact Dolle customer support directly. Keep your proof of purchase for any warranty claims.

CUSTOMER SUPPORT

If you have any questions, require assistance with installation, or need to report a missing/damaged part, please contact Dolle customer support. Visit the official Dolle website for contact information and further resources.
