6. Maintenance

Proper care and maintenance will extend the life and appearance of your loft bed.

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, which can damage the finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they are tight. Retighten as necessary to maintain structural integrity.
- **LED Light:** If the LED light malfunctions, check its power connection. Do not attempt to repair the LED strip yourself; contact customer support for assistance.

7. Troubleshooting

If you encounter any issues with your Tdewlye Modern Wood Full Size Loft Bed, please refer to the following common solutions:

- **Wobbling or Instability:** Ensure all assembly hardware is fully tightened. Check that the bed is placed on a level surface.
- **LED Light Not Working:** Verify that the power cable is securely plugged in and that the power source is active. If issues persist, contact customer support.
- **Damaged Parts:** If any parts are damaged or missing upon arrival, do not proceed with assembly. Contact customer support immediately for replacement parts.

For problems not listed here, or if the suggested solutions do not resolve the issue, please contact Tdewlye customer support.
