## VINABTY HJ2367LR

# VINABTY TV Stand Legs Replacement Instruction Manual

Model: HJ2367LR

## INTRODUCTION

---

This manual provides detailed instructions for the installation, operation, and maintenance of your VINABTY TV Stand Legs replacement. These stand legs are designed for specific Hisense Smart TV models, including 75A7N, 85U8H, and 85E5N-PRO. Please read this manual carefully before installation to ensure proper setup and safe use.

## PACKAGE CONTENTS

---

Please verify that all items listed below are present in your package:

- 2 x TV Stand Legs (labeled L for Left and R for Right)
- 4 x M5\*16MM Screws
- 1 x Instruction Manual (this document)

**non-slip**

Secure your TV cabinet

**Screw**

This image displays the two TV stand legs, highlighting the non-slip pads located on the underside of the base for stability. Also shown are the four M5\*16MM screws included for attachment.

## SETUP INSTRUCTIONS

Follow these steps to correctly attach the TV stand legs to your television:

1. **Step 1:** Carefully place your TV face down on a clean, soft, flat surface to prevent screen damage.
2. **Step 2:** Identify the left (L) and right (R) stand legs. Insert each TV Base Stand into the corresponding bottom slots on your TV. Ensure the stand is fully seated.
3. **Step 3:** Use the provided M5\*16MM screws to secure each leg tightly. Do not overtighten.

To attach the TV stand legs to your TV:

- Step 1:** Carefully place your TV face down on a clean, soft, flat surface
- Step 2:** Insert the TV Base Stand into the bottom slots on your TV.
- Step 3:** Use the screws provided to secure each leg tightly.

This image provides a visual guide for attaching the TV stand legs. It shows the TV placed face down, the stand being inserted into the TV's slots, and the screws being used to secure the legs.

This image shows a Hisense Smart TV with the VINABTY replacement stand legs successfully installed, demonstrating the product's appearance when in use.

## OPERATING INSTRUCTIONS

---

Once the stand legs are securely attached, carefully lift your television and place it on a stable, flat surface. Ensure the TV is balanced and does not wobble. The non-slip pads on the base of the legs provide additional stability.

## MAINTENANCE

---

To maintain the stand legs, periodically check that the screws remain tight and the legs are securely attached to the TV. Clean the legs with a soft, dry cloth. Avoid using abrasive cleaners or solvents that could damage the material.

## TROUBLESHOOTING

---

- **TV is unstable:** Ensure all screws are tightened correctly. Verify that the TV is placed on a flat, level surface. Confirm that the correct stand legs (L/R) are installed in their designated slots.
- **Legs do not fit:** Double-check your TV model number against the compatible models listed in this manual (Hisense 75A7N, 85U8H, 85E5N-PRO). Ensure the legs are oriented correctly before attempting to insert them.

## SPECIFICATIONS

<b>Brand</b>	VINABTY
<b>Model Number</b>	HJ2367LR
<b>Compatible TV Models</b>	Hisense 75A7N, 85U8H, 85E5N-PRO
<b>Color</b>	Black
<b>Material</b>	Composite
<b>Screw Size</b>	M5*16MM
