MAXYOYO Charles

MAXYOYO Charles Adjustable Accent Chair with Ottoman User Manual

Model: Charles

INTRODUCTION

Thank you for choosing the MAXYOYO Charles Adjustable Accent Chair with Ottoman. This manual provides essential information for the safe and proper assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

- Ensure all assembly instructions are followed precisely.
- Do not exceed the chair's weight capacity.
- Exercise caution when adjusting the backrest to prevent injury.
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Accent Chair Frame
- Chair Cushion (Boucle Fabric)
- Ottoman Frame
- Ottoman Cushion (Boucle Fabric)
- Assembly Hardware (screws, wrench, etc.)

SETUP AND ASSEMBLY

The MAXYOYO Charles Accent Chair and Ottoman are designed for straightforward assembly with minimal tools required.

1. **Unpack Components:** Carefully remove all parts from the packaging. Move the box to the desired room before unpacking.

2. **Assemble Frame:** Follow the included diagrammatic instructions to connect the chair and ottoman frames using the provided hardware. Ensure all screws are tightened securely.
3. **Attach Cushions:** Place the boucle cushions onto their respective frames.
4. **Allow for Rebounding:** After unpacking and assembly, allow the chair and ottoman cushions to breathe for **48 hours** to fully regain their original shape and size. This is crucial for optimal comfort and appearance.

OPERATING INSTRUCTIONS

Adjusting the Backrest

The accent chair features an adjustable backrest with 3 distinct positions, allowing you to customize your comfort level.

- **Upright Position:** Ideal for reading or focused activities.
- **Mid-Recline Position:** Suitable for casual lounging and relaxation.

- **Full Recline Position:** Perfect for napping or extended relaxation.

To adjust, gently push or pull the backrest to the desired angle until it locks into one of the three positions. Ensure the backrest is securely locked before applying full weight.

Using the Ottoman

The accompanying ottoman is a versatile accessory that enhances your comfort and can serve multiple functions:

- **Footrest:** Place your feet on the ottoman for enhanced relaxation while seated in the chair.
- **Extra Seating:** The ottoman can be used as additional seating for guests.
- **Accent Piece:** Its design complements the chair, making it a stylish addition to any room.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your MAXYOYO Charles Accent Chair and Ottoman.

- **Fabric Care:** The boucle fabric cushions can be spot cleaned with a mild detergent and a damp cloth. Blot spills immediately. Do not use harsh chemicals or abrasive cleaners.
- **Zipper Design:** The cushions feature a zipper design, allowing for easy removal of covers for cleaning if necessary. Refer to the care label on the cushion for specific washing instructions.
- **Frame Care:** Wipe the metal and wood frame components with a soft, dry cloth. Avoid excessive moisture.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten as needed.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cushions appear flat or misshapen after unpacking.	Compressed packaging during shipping.	Allow 48 hours for cushions to fully expand and rebound to their original shape. Gently tap and fluff them to aid recovery.
Chair feels unstable or wobbly.	Loose assembly hardware or uneven placement.	Check all screws and connections, ensuring they are tightened securely. Verify the chair is on a flat, even surface.

Problem	Possible Cause	Solution
Backrest is difficult to adjust or does not lock into position.	Mechanism obstruction or misalignment.	Ensure no fabric or foreign objects are obstructing the reclining mechanism. Apply gentle, even pressure when adjusting. If the issue persists, inspect the mechanism for any visible damage.
Damaged or broken parts upon arrival.	Shipping damage or manufacturing defect.	Do not attempt to assemble or use. Contact MAXYOYO customer support immediately for assistance and replacement parts.
