SVAKOM Jordan 54057260000

SVAKOM Jordan User Manual

App-Controlled Rechargeable Silicone Thrusting Anal Prostate Vibrator

1. PRODUCT OVERVIEW

The SVAKOM Jordan is a rechargeable, app-controlled device designed for anal and prostate stimulation. It incorporates both thrusting and vibrating functions, which can be managed via an included remote control or the dedicated SVAKOM mobile application. The device's base features integrated color-changing lights.

2. SAFETY INFORMATION

- This product is intended for adult use only.
- Consult a healthcare professional before use if you have any medical conditions or concerns.
- Clean the device thoroughly before and after each use as per the maintenance instructions.
- Do not use the device if it appears damaged or compromised.
- Always use with a generous amount of water-based lubricant. Oil-based lubricants can damage silicone.
- Discontinue use immediately if you experience any discomfort or pain.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- SVAKOM Jordan Device
- Remote Control
- USB Charging Cable
- User Manual (this document)

4. PRODUCT FEATURES

- **Dual Stimulation:** Offers both thrusting and vibrating functions for varied sensations.
- **Ergonomic Design:** Features a comfortably slim shaft, cushioned head, and a wide, safe base.
- **Magnetic Remote Control:** Provides convenient wireless operation.
- **Integrated Lighting:** Color-changing lights on the base enhance the experience.
- **SVAKOM App Connectivity:** Allows for advanced control, custom patterns, and remote play options via a smartphone application.
- **Intelligent Mode:** Mimics natural rhythms for dynamic patterns.

5. SETUP

5.1 Charging the Device

Before first use, fully charge the SVAKOM Jordan device. Connect the provided USB charging cable to the magnetic charging points on the device's base and to a USB power source (e.g., computer, wall adapter). The indicator light will illuminate during charging and turn off or change color when fully charged. A full charge typically takes approximately 2-3 hours.

5.2 App Connection

1. Download the 'SVAKOM' application from your smartphone's app store (available for iOS and Android).
2. Ensure Bluetooth is enabled on your smartphone.
3. Turn on the SVAKOM Jordan device by pressing and holding the power button on its base.
4. Open the SVAKOM app and follow the on-screen instructions to search for and connect to your device. The app will guide you through the pairing process.

6. OPERATING INSTRUCTIONS

6.1 Basic Use

1. Ensure the device is fully charged.
2. Apply a generous amount of water-based lubricant to the device and the area of use.
3. Press and hold the power button on the device's base to turn it on or off.
4. Use either the remote control or the SVAKOM App to select desired thrusting, vibrating, or combined modes and intensity levels.

6.2 Remote Control Operation

- **Power Button:** Press and hold to turn the device on or off. Short press to cycle through different vibration and thrusting modes.
- **Intensity Buttons (+/-):** Use these buttons to adjust the intensity level of the currently selected mode.

6.3 App Control Operation

Once connected to the SVAKOM app, you can access a wider range of functions:

- **Mode Selection:** Explore various thrusting and vibration patterns.
- **Intensity Adjustment:** Precisely control intensity levels.
- **Intelligent Mode:** Utilize this feature for dynamic patterns that mimic natural rhythms.
- **Custom Patterns:** Create and save your own unique vibration and thrusting sequences.
- **Remote Play:** Control the device from a distance.

7. MAINTENANCE

7.1 Cleaning

To maintain hygiene and prolong the life of your device, clean it thoroughly before and after each use:

1. Wash the device with warm water and a mild, antibacterial soap or a specialized toy cleaner.
2. Rinse all soap residue completely.
3. Dry the device with a soft, lint-free cloth.
4. Do not use cleaners containing alcohol, gasoline, or acetone, as these can damage the silicone material.
5. Ensure the charging points are completely dry before recharging.

7.2 Storage

Store the SVAKOM Jordan in a clean, dry, and cool place, away from direct sunlight and extreme temperatures. Keep it separate from other toys made of different materials to prevent potential chemical reactions or damage to the silicone.

8. TROUBLESHOOTING

- **Device not turning on:** Ensure the device is fully charged. Press and hold the power button on the device's base for several seconds.
- **Remote not responding:** Ensure the device is turned on and within range of the remote. Check if the remote's battery needs replacement or recharging (if applicable).
- **App connectivity issues:** Ensure Bluetooth is enabled on your smartphone. Restart the SVAKOM app and the Jordan device. Try re-pairing the device through the app's settings.
- **Weak vibrations/thrusts:** Recharge the device fully.

9. SPECIFICATIONS

- **Model Number:** 54057260000
- **Material:** Silicone
- **Dimensions:** 4.72 x 2.36 x 1.57 inches (120 x 60 x 40 mm)
- **Weight:** 0.35 ounces (10 grams)
- **Power Source:** Rechargeable battery
- **Control:** App-controlled, Remote control
- **Manufacturer:** SVAKOM

10. WARRANTY AND SUPPORT

The SVAKOM Jordan device comes with a manufacturer's warranty. For detailed information regarding

warranty terms, coverage, and how to make a claim, please refer to the official SVAKOM website or contact SVAKOM customer support directly. Retain your proof of purchase for warranty validation.
