3. SETUP GUIDE

Follow these steps to set up your KODAK Digital Picture Frame and begin sharing photos and videos.

3.1 Initial Power-On and Network Connection

1. Connect the power cord to the frame and plug it into an electrical outlet. The frame will power on automatically.
2. Follow the on-screen prompts to select your language and connect to a Wi-Fi network. A stable Wi-Fi connection is required for sharing content via the KODAK app.

3.2 KODAK App Installation and Pairing

The KODAK app facilitates easy sharing of photos and videos to your frame from anywhere.

1. **Download the KODAK App:** Search for "KODAK Digital Frame" in the Google Play Store (for Android devices) or the Apple App Store (for iOS devices) and install the free application.

6. MAINTENANCE

To ensure the longevity and optimal performance of your digital picture frame, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry, lint-free cloth to gently wipe the screen and frame. Avoid using abrasive cleaners or solvents.
- **Placement:** Place the frame on a stable surface, away from direct sunlight, heat sources, and excessive moisture.
- **Power:** Always use the provided power adapter. Disconnect the power during electrical storms or when not in use for extended periods.

7. TROUBLESHOOTING

If you encounter issues with your KODAK Digital Picture Frame, refer to the following common problems and solutions:

Problem	Possible Solution
Frame is frozen or unresponsive.	Disconnect the power adapter, wait 10 seconds, then reconnect it to reboot the device.
Cannot connect to Wi-Fi.	Ensure your Wi-Fi password is correct. Try moving the frame closer to your router. Restart your router and the frame.
Photos/videos not appearing on the frame.	Verify that the KODAK app is connected to the correct frame. Check your internet connection. Ensure the files are in a supported format. Allow sufficient time for uploads to complete.

Problem	Possible Solution
Screen display issues (e.g., dim, incorrect colors).	Adjust brightness and display settings in the frame's menu. Ensure the screen is clean.
