## Irfora X5

# Irfora Handheld X5 Jet Fan Instruction Manual

Model: X5

## 1. INTRODUCTION

---

Thank you for choosing the Irfora Handheld X5 Jet Fan. This powerful and compact device is designed for efficient dust blowing and cleaning across various applications. Featuring a high-speed brushless motor, it delivers strong airflow for effective results. Please read this manual thoroughly before use to ensure proper operation and maintenance.

## 2. SAFETY INFORMATION

---

To prevent injury or damage to the device, please observe the following safety precautions:

- Do not operate the fan near flammable liquids or gases.
- Keep the device away from water and excessive moisture.
- Do not insert objects into the air inlet or outlet.
- Keep out of reach of children.
- Use only the provided Type-C cable for charging.
- Do not attempt to disassemble or modify the device.
- Avoid directing airflow directly at eyes or sensitive body parts.

## 3. PRODUCT COMPONENTS

---

The Irfora Handheld X5 Jet Fan package includes the following items:

- 1 x Handheld X5 Jet Fan Unit
- 1 x Magnetic Suction Nozzle
- 1 x Type-C Charging Cable

*Image 3.1: Packaging and included components of the Irfora Handheld X5 Jet Fan.*

## 4. SETUP

### 4.1 Charging the Device

Before first use, fully charge the jet fan. The device is equipped with two 3000mAh lithium batteries.

1. Connect the provided Type-C charging cable to the charging port on the fan.
2. Plug the other end of the cable into a compatible 5V, 2A USB power adapter (not included).
3. The charging indicator light will illuminate. Charging time is approximately 2.5 hours or more for a full charge.
4. Once fully charged, disconnect the charging cable.

### 4.2 Attaching the Nozzle

The fan features a magnetic suction nozzle for easy attachment and removal.

1. Align the nozzle with the air outlet of the fan.
2. The magnetic connection will secure the nozzle in place.
3. To remove, gently pull the nozzle away from the fan.

## Magnetic suction nozzle

Multiple uses, more convenient to use

## 5. OPERATING INSTRUCTIONS

### 5.1 Power On/Off and Speed Adjustment

The fan features a single button for power control and three-speed adjustment.

1. **To Power On:** Press and hold the power button for a few seconds until the fan starts.
2. **To Adjust Speed:** Briefly press the power button to cycle through the three available speed settings (Low, Medium, High).
3. **To Power Off:** Press and hold the power button again for a few seconds until the fan stops.

### 5.2 Usage Scenarios

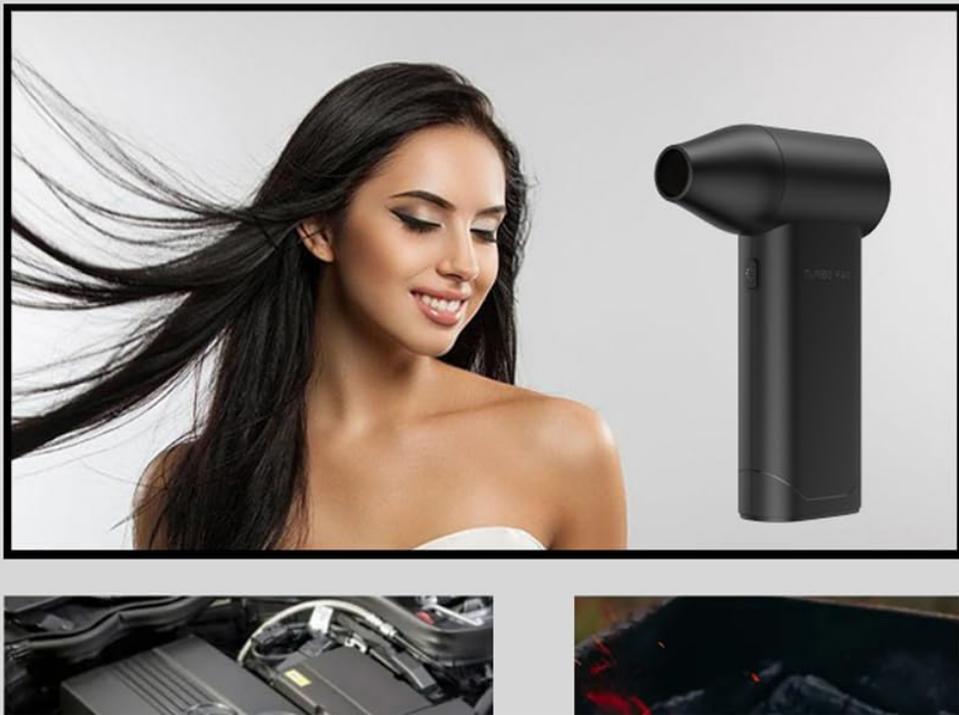

The Irfora Handheld X5 Jet Fan is suitable for a wide range of cleaning and blowing tasks:

- **Dust Blowing:** Effectively removes dust from keyboards, electronics, camera lenses, and other delicate surfaces.
- **Car Cleaning:** Ideal for cleaning car interiors, crevices, and engine compartments.

- **Outdoor Use:** Useful for blowing leaves, clearing debris, or assisting with outdoor combustion (e.g., starting a campfire).
- **Pet Hair Removal:** Can be used to blow pet hair from furniture or carpets.

## It is widely used in multiple scenarios

Outdoor blowing, outdoor combustion, computer, car, lens office home blowing dust and so on

## 6. MAINTENANCE

### 6.1 Cleaning the Fan

Regular cleaning ensures optimal performance and longevity of your device.

- Ensure the fan is powered off and disconnected from any charging source before cleaning.
- Use a soft, dry cloth to wipe the exterior of the fan.
- For stubborn dirt, a slightly damp cloth can be used, but ensure no moisture enters the air inlets or outlets.
- Do not use harsh chemicals, abrasive cleaners, or solvents.

### 6.2 Battery Care

- Avoid fully discharging the battery frequently.
- Store the device in a cool, dry place when not in use for extended periods.
- Charge the device at least once every three months to maintain battery health.

## 7. TROUBLESHOOTING

If you encounter issues with your Irfora Handheld X5 Jet Fan, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not turn on	Low battery; Device not powered on correctly	Charge the device fully; Press and hold the power button for a few seconds
Weak airflow	Low battery; Obstruction in air inlet/outlet; Incorrect speed setting	Charge the device; Check for and remove any obstructions; Increase speed setting
Device not charging	Faulty cable or adapter; Loose connection	Ensure cable is securely connected; Try a different Type-C cable or USB adapter
Nozzle detaches easily	Nozzle not properly aligned	Ensure the nozzle is correctly aligned with the magnetic attachment point

If the problem persists after trying these solutions, please contact customer support.

## 8. SPECIFICATIONS

Feature	Specification
Product Name	Jet Fan
Model	X5
Material	ABS
Color	Black
Battery	2 x 3000mAh Lithium Battery (included)
Max Brushless Motor Speed	130,000 RPM
Wind Speed	Up to 52 m/s
Working Voltage	6-8.4V
Rated Input	5V, 2A
Charging Time	>2.5 Hours
Item Size	145 x 96 x 41 mm (5.71 x 3.78 x 1.61 inches)
Item Weight	305g (10.76 ounces)

Feature	Specification
Manufacturer	Irfora
Model Number	LAKUSET00454B

## 9. WARRANTY AND SUPPORT

---

For warranty information and customer support, please refer to the documentation provided at the point of purchase or contact your retailer. You may also visit the official Irfora website for further assistance.
