Alcube HEIM Children's Bed 90 x 200 cm Instruction Manual

Model: AMA100660-011

1. INTRODUCTION

Thank you for choosing the Alcube HEIM Children's Bed. This manual provides essential information for the safe assembly, proper use, and maintenance of your new children's bed. Please read these instructions carefully before assembly and retain them for future reference. This bed is designed for children aged 3 years and older.

2. SAFETY INFORMATION

Your child's safety is paramount. Please adhere to the following safety guidelines:

- **Material Safety:** The bed is constructed from solid pine wood and treated with water-based, saliva-resistant paint, ensuring it is safe for children.
- **Rounded Edges:** All edges are rounded to minimize the risk of injury.
- **Fall Protection:** The bed includes a variable and reversible fall protection barrier. Ensure it is securely installed according to your preference.
- **Weight Capacity:** The maximum load capacity for the bed is 100 kg. Do not exceed this limit.
- **Supervision:** Always supervise young children, especially when they are using the bed or playing near it.
- **Assembly:** Ensure all components are correctly and securely assembled before allowing a child to use the bed. Regularly check all screws and fittings for tightness.
- **Choking Hazard:** Keep small parts and assembly hardware out of reach of children.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all parts listed below are present and undamaged. If any parts are missing or

damaged, do not proceed with assembly and contact customer support.

- Bed Frame Components (Pine Wood)
- Rolling Slatted Frame (18 slats)
- Two (2) Storage Drawers
- Fall Protection Barrier
- Assembly Hardware Kit (screws, dowels, etc.)
- Assembly Instructions

Note: A 90 x 200 cm mattress is sold separately and is not included in this package.

4. SPECIFICATIONS

5. ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Please ensure you have sufficient space and the necessary tools (e.g., screwdriver) before starting. Follow the numbered steps provided in the included assembly instructions for detailed guidance.

- 1. Unpack Components:** Carefully unpack all parts and lay them out on a soft, clean surface to prevent scratches. Compare with the package contents list to ensure everything is present.
- 2. Assemble Bed Frame:** Begin by connecting the main frame components using the provided hardware. Ensure all connections are tight and secure. Refer to the detailed diagrams in your separate assembly guide.
- 3. Install Slatted Frame:** The rolling slatted frame is designed for easy installation. Position it within the bed frame supports.
- 4. Assemble Drawers:** Construct the two storage drawers according to the instructions. Once assembled, slide them into the designated space beneath the bed frame.

Platzwunder

Fällt es euch auch schwer, euren Süßen Spielzeugwünsche abzuschlagen? Uns auch, daher sind gleich zwei Schubkästen dabei, die genug Stauraum bieten.

Image 3: Detail of the integrated storage drawer.

5. **Attach Fall Protection:** The fall protection barrier can be installed on either the left or right side of the bed, or it can be omitted entirely if not desired. Secure it firmly using the designated hardware.

Image 4: Options for fall protection placement (left, right, or none).

6. **Final Check:** Before use, double-check all screws, bolts, and connections to ensure they are tight and secure. Ensure the bed is stable and level.

6. OPERATING INSTRUCTIONS

- **Using the Storage Drawers:** The two integrated drawers provide ample storage space. Gently pull them out to access contents and push them back in until fully closed. Avoid overloading the drawers.
- **Fall Protection:** The fall protection barrier is designed to prevent accidental falls. Ensure it is always in place when the bed is in use by a young child. If you need to adjust its position (left or right side), refer to the assembly instructions for proper re-installation.
- **Mattress Placement:** Place a standard 90 x 200 cm mattress directly onto the rolling slatted frame. Ensure the mattress fits snugly without large gaps around the edges.

7. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Alcube HEIM Children's Bed.

- **Cleaning:** Wipe the bed frame with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used,

followed by wiping with a clean, dry cloth.

- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or strong chemical agents, as these can damage the wood finish.
- **Regular Checks:** Periodically inspect all screws, bolts, and connections to ensure they remain tight. Tighten any loose fittings immediately.
- **Environmental Conditions:** Avoid placing the bed in direct sunlight or near heat sources, as this can cause the wood to dry out or warp. Maintain a stable room temperature and humidity.

8. TROUBLESHOOTING

If you encounter any issues with your Alcube HEIM Children's Bed, please consider the following:

- **Bed Instability/Wobbling:** Ensure all assembly screws and bolts are fully tightened. Check that the bed is placed on a level surface.
- **Drawers Not Sliding Smoothly:** Check for any obstructions in the drawer runners. Ensure the drawers were assembled correctly and are not overloaded.
- **Missing Parts:** If you discover any missing components during assembly, refer to the "Package Contents" section and contact customer support immediately.

9. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the documentation provided at the time of purchase or contact your retailer. Keep your proof of purchase handy when contacting support.
