COSTWAY VL32409ZMFR

COSTWAY 2-in-1 Wall-Mounted Coat Rack with Shelf (Model: VL32409ZMFR)

User Manual

PRODUCT OVERVIEW

The COSTWAY 2-in-1 Wall-Mounted Coat Rack is a versatile storage solution designed to optimize space in various rooms. It features a sturdy top shelf and six double hooks, providing ample space for hanging coats, bags, hats, and other daily essentials, while the shelf can hold decorative items or frequently used objects. Its robust construction with a metal frame and engineered wood ensures durability and stability.

This unit is suitable for entryways, bathrooms, kitchens, or living rooms, offering a practical and elegant addition to your home decor. The wall-mounted design allows for flexible installation height to suit individual needs and maximize floor space.

SETUP AND INSTALLATION

Before beginning assembly, ensure all components are present and undamaged. Refer to the parts list provided in the packaging. Installation requires basic tools such as a drill, screwdriver, and level.

1. Unpack Components

Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify that all hardware (screws, anchors, etc.) is included.

2. Identify Mounting Location

Choose a suitable wall location. Consider the desired height for the coat rack, especially if children will be using it. Ensure the wall can support the weight of the rack and its contents (up to 18 kg total load capacity).

3. Mark Drilling Points

Hold the assembled frame against the wall at the desired height. Use a pencil to mark the drilling points for the mounting screws. Use a level to ensure the marks are perfectly horizontal.

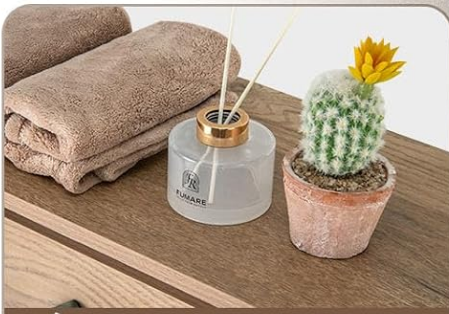

4. Drill Holes and Insert Anchors

Drill holes at the marked points using an appropriate drill bit for your wall type (e.g., masonry bit for concrete, wood bit for studs). Insert wall anchors into the drilled holes if required for your wall material.

5. Mount the Rack

Align the coat rack with the drilled holes and secure it to the wall using the provided screws. Tighten all screws firmly but do not overtighten to avoid damaging the wall or the product.

OPERATING INSTRUCTIONS

The COSTWAY 2-in-1 Wall-Mounted Coat Rack is designed for straightforward use.

Using the Hooks

The six double hooks are suitable for hanging various items such as coats, jackets, scarves, hats, bags, umbrellas, and keys. Each hook has a weight capacity of 3 kg. Distribute weight evenly across the hooks to maintain stability.

Using the Top Shelf

The flat top shelf provides additional storage or display space. It can hold small decorative items, toiletries, or other frequently accessed objects. Ensure items placed on the shelf do not exceed its weight capacity and are stable to prevent falling.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your COSTWAY coat rack.

Cleaning

Wipe the surfaces with a soft, damp cloth. For stubborn marks, a mild soap solution can be used, followed by wiping with a clean, dry cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish of the metal and engineered wood.

Inspection

Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability and safety. Ensure the wall mounting remains secure.

TROUBLESHOOTING

If you encounter any issues with your coat rack, consider the following common solutions:

Rack feels wobbly after installation

- Ensure all mounting screws are fully tightened.
- Verify that appropriate wall anchors were used for your wall type and are securely seated.
- Check if the wall surface is even. Uneven surfaces can sometimes cause instability.

Items slide off the shelf

- Ensure the shelf is level.
- Avoid placing items that are too large or have an unstable base on the shelf.
- Do not exceed the recommended weight capacity for the shelf.

Hooks seem loose

- Check the screws securing the hooks to the wooden panels and tighten them if loose.
- Avoid hanging items that exceed the 3 kg weight capacity per hook.

SPECIFICATIONS

Model Number	VL32409ZMFR
Brand	COSTWAY
Material	Metal, Engineered Wood
Color	Brown
Overall Dimensions (L x W x H)	59.5 cm x 30 cm x 88.5 cm
Item Weight	2 kg
Total Load Capacity	18 kg
Weight Capacity per Hook	3 kg
Number of Hooks	6 (double hooks)
Installation Type	Wall-Mounted
Special Features	Customizable Mounting, 2-in-1 Design
