## MAINTENANCE

---

To ensure the longevity and safety of your PayLessHere Dog Playpen, follow these maintenance guidelines:

- **Cleaning:** Wipe down panels with a damp cloth and mild soap as needed. Rinse thoroughly and dry completely to prevent water spots or residue buildup.
- **Inspection:** Regularly inspect all panels and connecting pins for any signs of damage, rust, or wear. Ensure all connections are secure.
- **Rust Prevention:** The playpen is constructed from heavy-duty, rust-resistant metal with an electrophoretic

coating. While designed for weather resistance, prolonged exposure to extreme moisture or harsh conditions may affect its finish. Store in a dry place when not in use for extended periods.
