Foxsky FS55GATV

Foxsky FS55GATV 55-inch QLED 4K Ultra HD LED Smart TV User Manual

Model: FS55GATV

1. Introduction

This manual provides essential information for the safe and efficient operation of your new Foxsky FS55GATV 55-inch QLED 4K Ultra HD LED Smart TV. Please read this manual thoroughly before using the product and retain it for future reference. It covers setup, features, operation, maintenance, and troubleshooting.

2. Safety Information

Always follow basic safety precautions when using this television to reduce the risk of fire, electric shock, and injury. Do not expose the TV to rain or moisture. Do not open the cabinet; refer all servicing to qualified personnel. Ensure proper ventilation and avoid placing the TV near heat sources. Disconnect the power cord during lightning storms or when unused for long periods.

3. What's in the Box

Carefully unpack your television and check that all the following items are included:

- 1 x Foxsky FS55GATV 55-inch QLED 4K Ultra HD LED Smart TV
- 2 x Table Stand Base
- 1 x User Manual
- 1 x Remote Control

4. Setup

4.1 Mounting Options

Your Foxsky TV offers flexible installation options: a table stand for placement on a flat surface or a wall mount for space-saving installation. The necessary table stand bases are included in the box. For wall mounting, ensure you use a VESA-compatible mount (150 x 150 mm) and follow the mount manufacturer's instructions carefully.

4.2 Connecting Peripherals

Connect your external devices such as set-top boxes, Blu-ray players, gaming consoles, or USB storage devices to the appropriate ports on your TV. The TV features 2 HDMI ports and 2 USB ports for versatile connectivity.

Image: Diagram showing the various connectivity ports available on the Foxsky TV, including HDMI, USB, and audio inputs.

4.3 Power Connection

After all connections are made, plug the power cord into a suitable electrical outlet. The TV is designed to operate on 110 Volts.

5. Initial Setup & Network Connection

5.1 First Power On

Upon first power-on, the TV will guide you through the initial setup process, including language selection, time zone, and network configuration.

5.2 Wi-Fi Connection

To access smart features and online content, connect your TV to a Wi-Fi network. Navigate to the 'Settings' menu, select 'Network', and then 'Wi-Fi Connection'. Choose your network from the list and enter the password if required. The TV supports in-built Wi-Fi connectivity.

6. Operating Your TV

6.1 Remote Control

The included remote control features voice control and quick access buttons for popular streaming services. Use the voice assistant for hands-free control and navigation.

6.2 Smart TV Features (Google TV)

Your Foxsky TV runs on Google TV, providing access to a vast array of applications and content. Key features include:

- **Google TV Interface:** Personalized content recommendations and easy navigation.
- **Supported Apps:** Access popular streaming services like Netflix, Prime Video, YouTube, Sony Liv, Disney+Hotstar, Zee5, and more.
- **Screen Mirroring:** Cast content from your compatible mobile devices to the TV.
- **Voice Assistant:** Use voice commands for search, control, and information.
- **Chromecast Built-in:** Seamlessly stream entertainment from your phone, tablet, or laptop to your TV.

6.3 Picture Modes

Optimize your viewing experience with various pre-set picture modes:

- **User:** Customize settings to your preference.
- **Standard:** Balanced settings for general viewing.
- **Sport:** Enhanced motion and vibrant colors for sports.
- **Vivid:** Bright and saturated colors for a dynamic look.
- **Movie:** Optimized for cinematic content with accurate colors.
- **Game:** Reduces input lag for a responsive gaming experience (features Auto Low-Latency Mode - ALLM).
- **Energy Saving:** Adjusts brightness to reduce power consumption.

7. Display and Audio Features

7.1 Display

Experience stunning visuals with the Foxsky FS55GATV's advanced display technology:

- **QLED Panel:** Quantum Dot technology delivers improved color saturation, higher peak brightness, and deeper blacks for superior contrast.
- **4K Ultra HD Resolution:** Provides crystal-clear images with four times the detail of Full HD.
- **HDR10 Support:** Enhances contrast and color accuracy for a more lifelike picture.
- **178 Degree Wide Viewing Angle:** Ensures consistent picture quality from almost any position.
- **Metallic Bezel-Less Design:** Maximizes screen space for an immersive viewing experience.
- **60 Hz Refresh Rate:** Smooth motion for all content.
- **380 Candela Per Square Meter Brightness:** Delivers bright and clear images.

7.2 Audio

Immerse yourself in rich, clear sound:

- **30 Watts Output:** Powerful audio for an engaging experience.
- **Dolby Audio:** Delivers enhanced sound quality with clarity and depth.
- **Built-in Box Speakers:** Designed to produce powerful stereo sound.

Image: The Foxsky TV illustrating its cinematic sound capabilities, featuring 30W sound output and Dolby Audio technology.

8. Maintenance

To ensure the longevity and optimal performance of your Foxsky TV, follow these maintenance guidelines:

- **Cleaning the Screen:** Gently wipe the screen with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with

water or a specialized screen cleaner. Avoid harsh chemicals or abrasive materials.

- **Cleaning the Cabinet:** Use a soft, dry cloth to clean the TV cabinet.
- **Ventilation:** Ensure the ventilation openings on the TV are not blocked. Do not place the TV on a bed, sofa, rug, or similar surface that may block the openings.
- **Power Cord:** Regularly check the power cord for any damage. If damaged, contact customer support for replacement.
- **Dust Accumulation:** Periodically dust the TV and its surroundings to prevent dust buildup, which can affect performance.

9. Troubleshooting

If you encounter issues with your TV, refer to the following common troubleshooting steps:

- **No Power:** Check if the power cord is securely plugged into both the TV and the electrical outlet. Ensure the outlet is functioning. Try pressing the power button on the TV itself, not just the remote.
- **No Picture, But Sound:** Check the input source. Press the 'Source' button on your remote to cycle through inputs (HDMI1, HDMI2, etc.). Ensure all cables are securely connected.
- **No Sound, But Picture:** Check the volume level and ensure the TV is not muted. Verify audio cables are correctly connected for external devices.
- **Remote Control Not Working:** Replace the batteries in the remote. Ensure there are no obstructions between the remote and the TV's IR sensor.
- **Wi-Fi Connection Issues:** Restart your Wi-Fi router. Go to the TV's network settings and try reconnecting to your Wi-Fi network. Ensure the Wi-Fi password is correct.
- **Smart Features Not Responding:** Restart the TV by unplugging it from the power outlet for a few minutes, then plugging it back in. Ensure your internet connection is stable.

If the problem persists after trying these steps, please contact Foxsky customer support.
