GarveeLife PottingBench1

GarveeLife Potting Bench Outdoor Cabinet with Metal Tabletop Instruction Manual

Model: PottingBench1

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your GarveeLife Potting Bench Outdoor Cabinet with Metal Tabletop. Please read these instructions carefully before assembly and use to ensure proper functionality and longevity of your product. Keep this manual for future reference.

SAFETY INFORMATION

Always follow basic safety precautions when assembling and using this product to reduce the risk of injury or damage.

- Ensure all parts are present and undamaged before beginning assembly.
- Assemble on a soft, clean surface to prevent scratches.
- It is recommended to have at least two people for assembly.
- Do not exceed the maximum load capacity of 295 pounds (130 kg) for the tabletop and 55 pounds (25 kg) per shelf.
- Keep small parts away from children during assembly.

SETUP AND ASSEMBLY

The GarveeLife Potting Bench is designed for easy assembly. A detailed manual with step-by-step pictorial instructions and corresponding numbered parts is included in the package. Please refer to that manual for specific assembly steps.

Recommended Tools:

- Mallet or Hammer
- Phillips Head Screwdriver

No Allen wrenches are required for assembly.

Product Dimensions

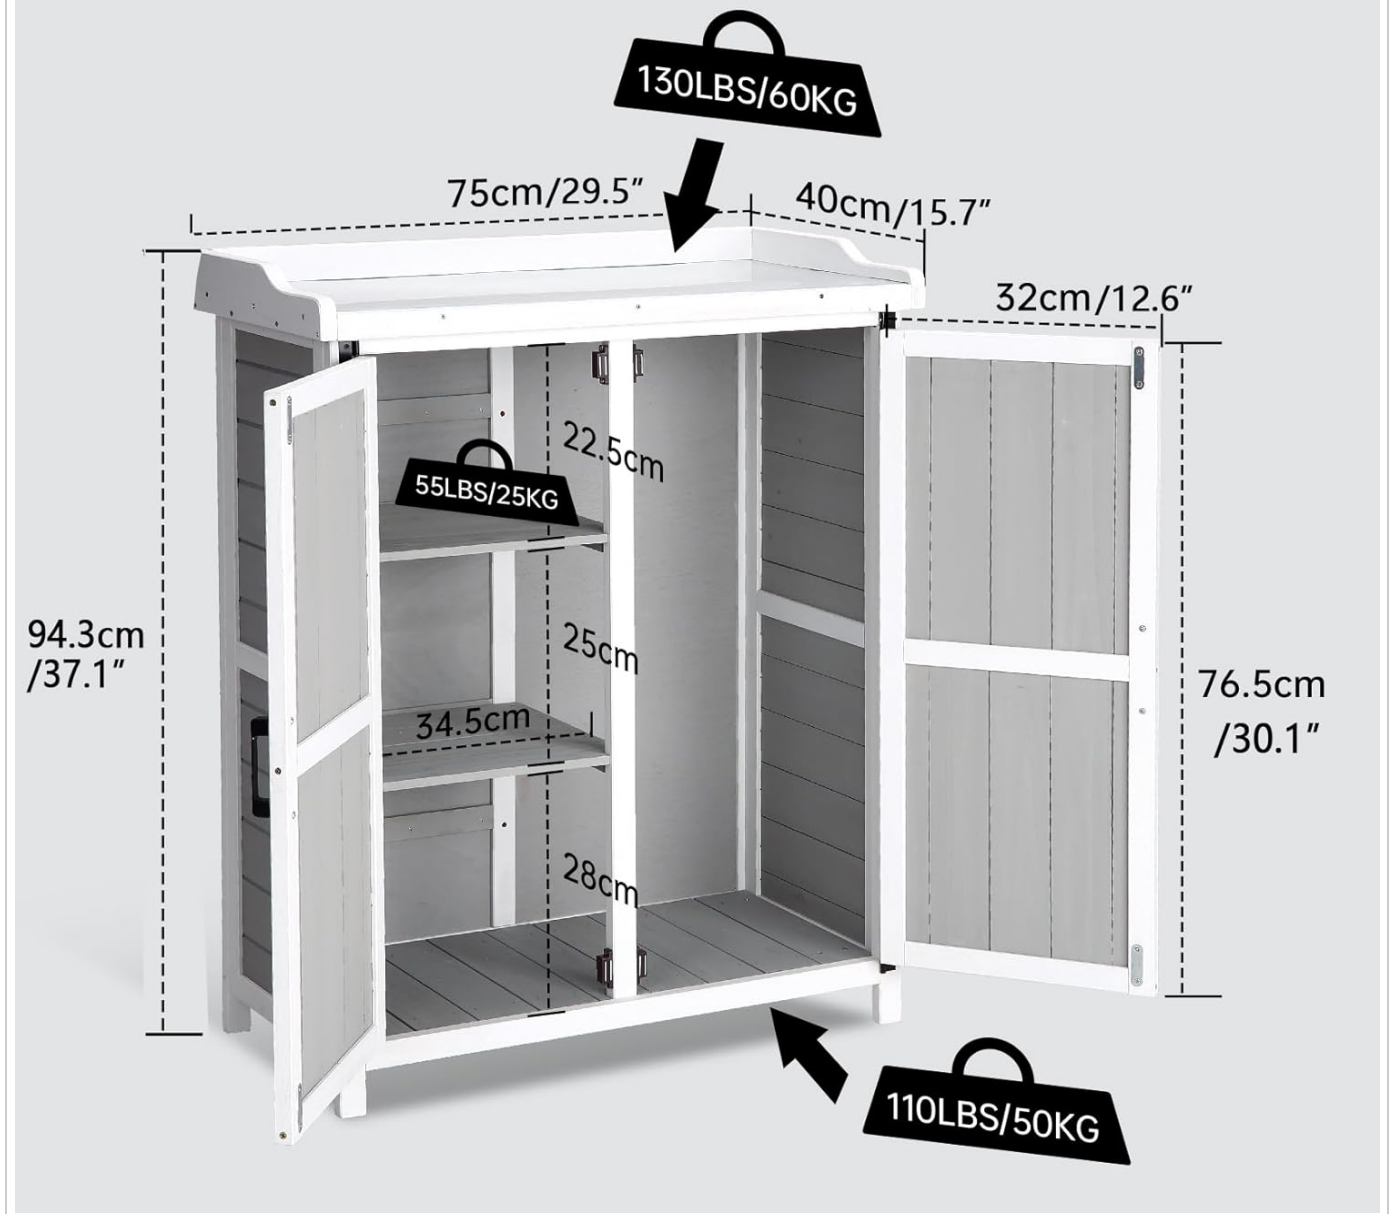

Image: Diagram illustrating the product dimensions (29.5" L x 15.7" W x 37.1" H) and load capacities: 130 lbs (60 kg) for the tabletop, 55 lbs (25 kg) per adjustable shelf, and 110 lbs (50 kg) for the bottom shelf.

OPERATING AND USAGE

This potting bench offers versatile functionality for various outdoor tasks.

Galvanized Metal Tabletop:

- The tabletop measures 29.5 inches (75 cm) in length and 15.7 inches (40 cm) in width.
- Its galvanized metal surface is designed to be easy to clean and waterproof, making it suitable for potting activities and other outdoor work.

Galvanized Metal Tabletop

Easy to Clean Waterproof Large Capacity

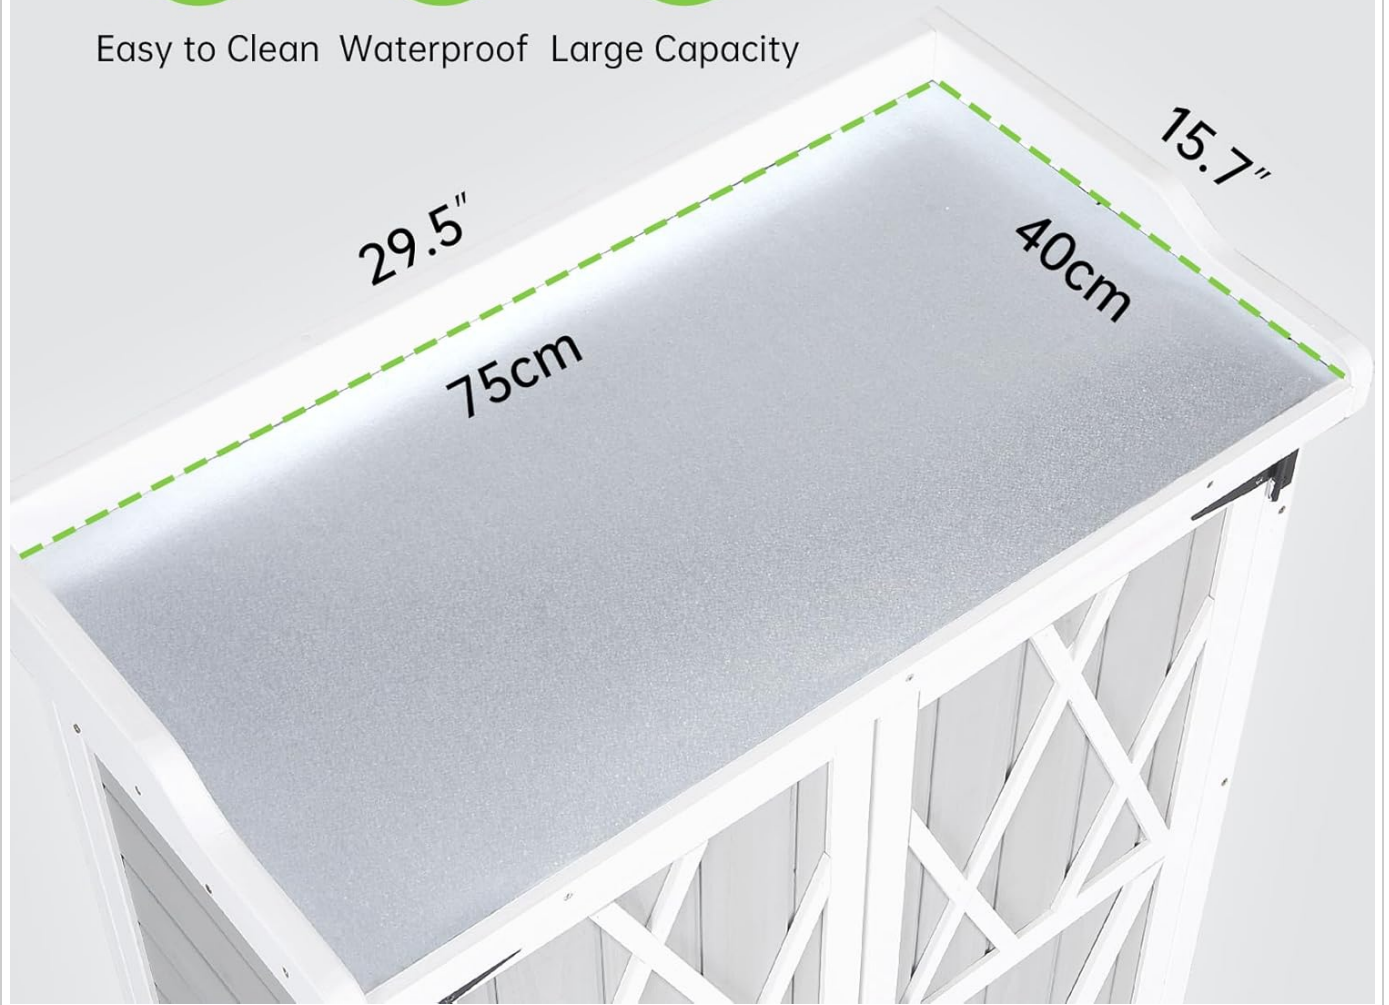

Image: Close-up view of the galvanized metal tabletop, highlighting its dimensions of 29.5 inches (75 cm) by 15.7 inches (40 cm), and indicating its easy-to-clean, waterproof, and large capacity features.

Storage Capacity and Adjustable Shelves:

- The cabinet features two internal shelves that are height-adjustable and removable.
- This flexibility allows for storage of various gardening tools and equipment, including long-handled tools, small lawn care devices, watering cans, trowels, and flower pots.
- Removing shelves creates space for larger items like small lawnmowers.

Flexible Shelf

The installation height of the shelf can be adjusted freely

Image: The GarveeLife Potting Bench with its doors open, showcasing various gardening tools and supplies neatly stored on its shelves and floor, set against a white picket fence background.

Versatile Applications:

Beyond potting, this unit can serve as an outdoor cooking table or barbecue table, adapting to various outdoor needs.

MAINTENANCE

Proper maintenance ensures the longevity and appearance of your potting bench.

- **Cleaning the Metal Tabletop:** The galvanized metal surface is easy to clean. Use a damp cloth and mild soap for general cleaning. Avoid abrasive cleaners that could damage the finish.
- **Wood Care:** The cabinet is made of fir wood, suitable for outdoor use. To maintain its appearance and weather resistance, periodic cleaning and application of a wood sealant or stain are recommended, especially if exposed to harsh weather conditions.
- **General Inspection:** Regularly check all screws and fasteners to ensure they are tight. Tighten as needed to

maintain structural stability.

Image: Graphic illustrating the primary material as Fir Wood, emphasizing its stable structure, exquisite craftsmanship, and suitability for long-term outdoor use.

TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Missing or Damaged Parts:** If you find any parts missing or damaged upon unboxing, please do not hesitate to reach out to customer support for assistance. Refer to the "Support and Contact Information" section for contact details.
- **Difficulty with Installation:**
 1. Review the provided step-by-step pictorial instructions in the assembly manual carefully.
 2. Ensure all parts are correctly identified by their corresponding numbers.
 3. Confirm you have the necessary tools (mallet/hammer, Phillips head screwdriver).
 4. Consider having an additional person assist with assembly, as some steps may be easier with two people.

- **Adhesive Residue on Metal Top:** If packaging tape residue remains on the metal tabletop, gently clean it with rubbing alcohol or a suitable adhesive remover. Test on an inconspicuous area first.
