## Monster Mission 100

# Monster Mission 100 Bluetooth Headphones User Manual

MODEL: MISSION 100

Brand: Monster

## INTRODUCTION

---

Welcome to the user manual for your Monster Mission 100 Bluetooth Headphones. These headphones are designed to provide an immersive audio experience with crystal clear sound and comfortable wear for extended periods. This manual will guide you through the setup, operation, maintenance, and troubleshooting of your new headphones.

## SETUP

---

### 1. Charging Your Headphones

Before first use, fully charge your Monster Mission 100 headphones. The headphones offer an ultra-long battery life of up to 40 hours of continuous playback on a full charge.

- Connect the provided charging cable to the charging port on the headphones.

- Connect the other end of the cable to a compatible USB power source.
- The indicator light will show charging status and turn off when fully charged.

Figure 2: Ultra-long battery life of up to 40 hours.

## 2. Bluetooth Pairing

Your Monster Mission 100 headphones feature Bluetooth 5.4 for seamless and stable wireless connectivity.

1. Ensure your headphones are charged and powered off.
2. Press and hold the power button until the indicator light flashes, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for "Monster Mission 100" in the list of available devices.
4. Select "Monster Mission 100" to connect. Once connected, the indicator light will change, and you will hear an audio confirmation.

## OPERATING YOUR HEADPHONES

### 1. Button Controls

The Monster Mission 100 headphones feature intuitive button controls for easy management of your audio and calls.

**Volume Up (+):** Short press to increase volume.

**Previous Track:** Press and hold (+) for 2 seconds.

**Volume Down (-):** Short press to decrease volume.

**Next Track:** Press and hold (-) for 2 seconds.

**Power On:** Press and hold power button for 3 seconds.

**Power Off:** Press and hold power button for 5 seconds.

**Play/Pause:** Press power button once.

**Reject Call:** Press power button for 2 seconds during an incoming call.

## 5. Wired Connection

For situations where wireless connectivity is not preferred or battery is low, the Monster Mission 100 headphones support a wired connection via the detachable 3.5mm AUX cable.

## MAINTENANCE

---

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use harsh chemicals or abrasive materials.
- **Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. When not in use, it is recommended to store them in their original packaging or a protective case to prevent damage.
- **Water Resistance:** The headphones are water resistant. Avoid submerging them in water or exposing them to heavy rain. Dry thoroughly if they get wet.

## TROUBLESHOOTING

---

### Common Issues and Solutions:

- **Headphones not turning on:** Ensure the headphones are fully charged. Connect them to a power source and allow them to charge for at least 30 minutes before attempting to power on again.
- **Cannot pair with device:**
  - Ensure Bluetooth is enabled on your device and the headphones are in pairing mode (flashing indicator light).
  - Move the headphones closer to your device.
  - Clear the Bluetooth pairing list on your device and try pairing again.
  - Restart both the headphones and your device.
- **No sound or low volume:**
  - Check the volume levels on both the headphones and your connected device.
  - Ensure the headphones are properly connected via Bluetooth or the 3.5mm AUX cable.
  - If using Bluetooth, try disconnecting and reconnecting the headphones.
- **Poor sound quality:**
  - Ensure there are no obstructions between the headphones and your device if using Bluetooth.
  - Move away from other wireless devices that might cause interference.
  - Check the audio source for quality issues.
