Finger Rock B0DC2SK6FD

Finger Rock Wooden Train Freight Car Building Toy Set Instruction Manual

Model: B0DC2SK6FD

1. INTRODUCTION

Thank you for choosing the Finger Rock Wooden Train Freight Car Building Toy Set. This 150-piece construction set allows you to build a classic wooden carriage cargo model, designed to foster creativity and hands-on ability. This manual provides detailed instructions for assembly, operation, and maintenance to ensure a safe and enjoyable experience.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years. This product contains small parts which may pose a choking hazard. Adult supervision is recommended during assembly and play, especially for younger children.

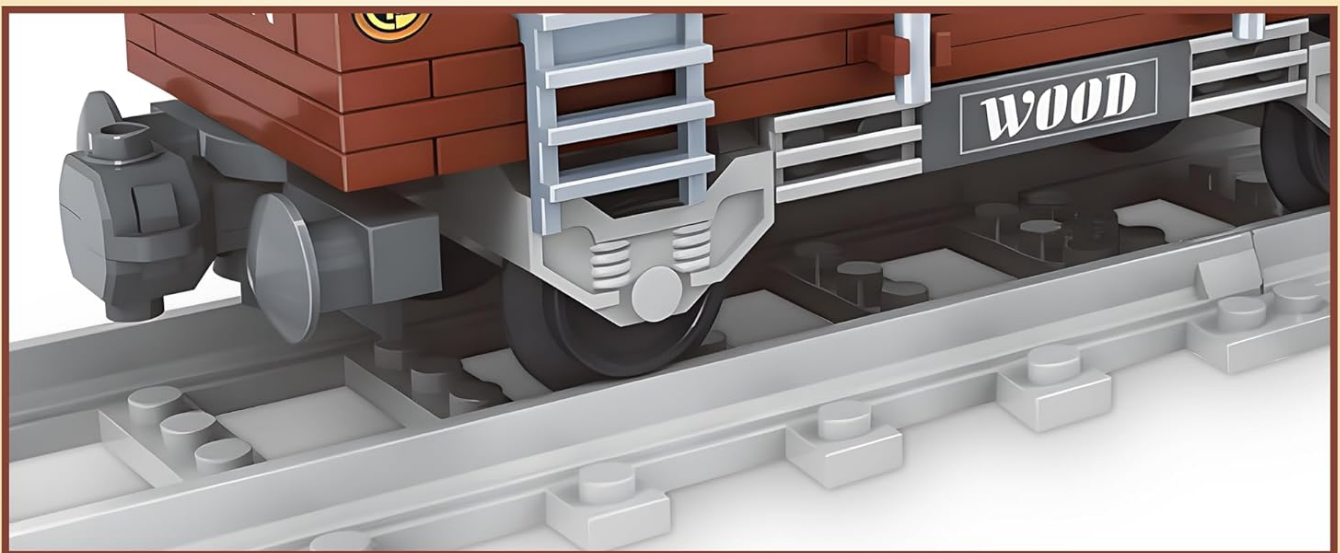

- Keep all packaging materials away from children to prevent suffocation.
- Inspect all parts before assembly for any damage or defects.
- Ensure all connections are secure during assembly to prevent parts from detaching during play.

3. PACKAGE CONTENTS

The Finger Rock Wooden Train Freight Car Building Toy Set includes the following components:

- Approximately 150 building pieces for the freight train car and tracks.
- Instruction Manual (this document).

- Simulated wooden logs and chains for cargo.

Comes with train tracks
Can be compatible with products from other brands

4. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Finger Rock Wooden Train Freight Car. It is recommended to sort pieces by color and shape before beginning.

1. **Step 1: Build the Base Chassis.** Begin by connecting the larger base plates to form the foundation of the freight car. Ensure all connections are firm.
2. **Step 2: Attach Wheels and Axles.** Securely attach the wheel assemblies to the underside of the chassis. Verify that wheels spin freely.
3. **Step 3: Construct the Side Walls.** Assemble the brick pieces to form the side walls and end sections of the freight car. Pay attention to the orientation of specialized pieces like the "TRAIN" labeled section.
4. **Step 4: Add Cargo Supports.** Integrate the vertical posts and chain elements designed to secure the cargo logs.
5. **Step 5: Assemble the Tracks.** Connect the track pieces to form a complete railway section. These tracks are

designed for compatibility with major building block brands.

- Step 6: Load the Cargo.** Place the simulated wooden logs onto the freight car and secure them with the provided chains.

5. OPERATING INSTRUCTIONS

Once assembled, the Finger Rock Wooden Train Freight Car is ready for play. This model is designed for manual operation.

- Place the assembled freight car onto the tracks.
- Gently push the train car along the tracks to simulate movement.
- The simulated wooden logs can be removed and re-loaded, allowing for interactive cargo play.

Image 5.2: Illustrates the process of removing the simulated wooden logs from the train car.

6. MAINTENANCE

Proper care will extend the life of your building toy set.

- **Cleaning:** Wipe parts with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not immerse in water.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent material degradation.
- **Inspection:** Periodically check for any loose or damaged parts. Replace or repair as necessary.

7. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Missing Parts:** If you find any parts missing during assembly, please contact Finger Rock customer support with details of the missing components.
- **Parts Not Connecting Securely:** Ensure that pieces are aligned correctly and apply gentle, even pressure. If a piece consistently fails to connect, inspect it for manufacturing defects.

- **Train Not Rolling Smoothly:** Check that all wheels are properly attached and free from obstructions. Ensure the tracks are laid flat and securely connected.

8. SPECIFICATIONS

Product Name	Finger Rock Wooden Train Freight Car Building Toy Set
Model Number	B0DC2SK6FD
Number of Pieces	Approximately 150
Recommended Age	6 years and up
Product Dimensions	6.7 x 2.6 x 2.6 inches (assembled freight car)
Item Weight	9.6 ounces
Material	Durable, high-quality ABS material

Interesting Parent-Child Interactive Time
