SETUP

1. Initial Charging

Before first use, ensure the smartwatch is fully charged. Connect the magnetic USB charger cable to the charging points on the back of the watch. A full charge typically takes about 2 hours.

Figure 3: Charging the Smart Watch

2. App Download and Installation

To unlock all features and synchronize data, download the "Da Fit" app from your phone's app store. You can scan

the QR code provided in the manual or on the product packaging to quickly find the app.

3. Pairing with Your Phone

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the "Da Fit" app and follow the on-screen instructions to add a device.
3. Select "G127" from the list of available devices to bind.
4. Confirm the Bluetooth pairing request on both your phone and the smartwatch.
5. Once connected, the watch will synchronize time, date, and language settings from your phone.

How to fast connect the smartwatch to your phones?

How do I use the "Phone: on" or "Media Audio" features of my smartwatch?

GPS	GPS Via Smartphone
Shape	Rectangular

TROUBLESHOOTING

- Connection Issues:** Ensure Bluetooth is enabled on your phone and the watch. Restart both devices and try pairing again. Check if the "Da Fit" app has necessary permissions.
- Notifications Not Appearing:** Verify that app notifications are enabled in the "Da Fit" app settings and in your phone's system settings for the app. Ensure the watch is connected via Bluetooth.
- Inaccurate Health Data:** For best results, wear the watch snugly on your wrist. Note that health tracking features are for reference only and not for medical diagnosis.
- Call Quality:** Ensure your phone is within the Bluetooth range (8-10 meters). Check that "Phone: On" and "Media Audio" are enabled in the watch's Bluetooth settings.
- Battery Draining Quickly:** Reduce screen brightness, disable unnecessary notifications, and limit continuous health monitoring if not needed.

If you encounter any persistent issues, please refer to the "Unlimited Experience" section in the product's feature bullets for customer service contact information.

WARRANTY AND SUPPORT

For any product-related inquiries, technical support, or warranty claims, please contact Fitoncloud customer service representatives through Amazon. We are committed to assisting you year-round.
