ThreeHio DAOU-CFTC02-HY

ThreeHio Rolling Kitchen Microwave Cart Instruction Manual

Model: DAOU-CFTC02-HY

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your ThreeHio Rolling Kitchen Microwave Cart, Model DAOU-CFTC02-HY. This versatile 3-tier utility cart is designed to offer additional storage and functionality in various spaces, including kitchens, living rooms, offices, and balconies. It features a sturdy wood and metal construction, lockable wheels for mobility and stability, and S-shaped hooks for hanging accessories.

SAFETY INFORMATION

Please read and understand all safety warnings before assembling or using this product. Failure to follow these instructions may result in injury or damage to the product.

- Ensure all parts are properly secured before use.
- Do not allow children to play on, with, or around the cart.
- Use caution when moving the cart on uneven surfaces to prevent tipping.
- Be careful around sharp edges when assembling or using the cart.
- Do not exceed the maximum weight capacity for each shelf: Top shelf: 90 lbs, Middle shelf: 60 lbs, Bottom shelf: 60 lbs.

PARTS LIST

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Top Shelf (Wood)
- Middle Shelf (Metal Mesh)
- Bottom Shelf (Metal Mesh)

- Side Frames (Metal)
- Crossbars (Metal)
- Lockable Wheels (4 pcs)
- S-shaped Hooks (4 pcs)
- Assembly Hardware (Screws, Allen Wrench)

SETUP AND ASSEMBLY

The ThreeHio Rolling Kitchen Microwave Cart is designed for easy assembly. Follow the detailed instructions included in the packaging. A general overview of the assembly process is provided below:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Attach Side Frames:** Connect the metal side frames using the provided crossbars and screws. Do not fully tighten screws until all parts are aligned.
3. **Install Shelves:** Slide the metal mesh shelves into the designated slots on the side frames. Ensure they are securely seated.
4. **Attach Top Shelf:** Place the wooden top shelf onto the frame and secure it with screws.
5. **Install Wheels:** Screw the four lockable wheels into the bottom of the cart's frame. Ensure they are tightened for stability.
6. **Attach S-Hooks:** Hang the S-shaped hooks onto the side rails as desired.
7. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws.

OPERATING INSTRUCTIONS

Your ThreeHio Rolling Kitchen Microwave Cart is designed for versatile use and easy maneuverability.

- **Mobility:** The cart features four 360-degree rotating casters, allowing for easy movement across various floor types.
- **Stability:** Two of the casters are lockable. To secure the cart in place, press down on the locking lever on these wheels. To unlock and move, lift the lever.
- **Storage:** Utilize the three tiers for organizing kitchen appliances, pantry items, office supplies, or decorative objects. The top wooden shelf is ideal for microwaves or coffee makers.
- **Accessory Hooks:** The included S-shaped hooks can be attached to the side rails to hang items such as mugs, cooking utensils, or dish towels.

The size is large enough to accommodate microwave ovens

MAINTENANCE

To ensure the longevity and appearance of your ThreeHio Rolling Kitchen Microwave Cart, follow these maintenance guidelines:

- **Cleaning:** Wipe down the wooden top shelf and metal frame with a soft, damp cloth. For stubborn stains, a mild soap solution can be used, followed by drying thoroughly. Avoid abrasive cleaners or harsh chemicals.
- **Moisture Protection:** The materials are moisture-proof, but it is recommended to wipe up spills promptly to prevent water damage, especially on the wooden top.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- **Wheel Care:** Keep the wheels free of debris to ensure smooth rolling. If wheels become stiff, clean them and apply a small amount of silicone lubricant if needed.

TROUBLESHOOTING

If you encounter any issues with your ThreeHio Rolling Kitchen Microwave Cart, refer to the following common solutions:

- **Cart is Unstable/Wobbly:**
 - Ensure all screws are fully tightened.
 - Verify that the cart is on a level surface.
 - Check that the shelves are correctly seated in their frames.
- **Wheels Not Rolling Smoothly:**
 - Check for debris (hair, lint) caught in the wheel casters and remove it.
 - Ensure the wheel locks are disengaged.
- **Missing Parts:**
 - Carefully re-check all packaging materials. If parts are genuinely missing, contact customer support.
