HIGH GODO 6871

HIGH GODO Techink 1:12 Sport Car Building Blocks

Model: 6871 | Brand: HIGH GODO

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your HIGH GODO Techink Sport Car Building Blocks set.

1. INTRODUCTION

Thank you for choosing the HIGH GODO Techink 1:12 Sport Car Building Blocks set, Model 6871. This kit allows you to construct a detailed replica of a legendary sport car with 1391 pieces. Designed for enthusiasts aged 12 and above, this model offers an engaging building experience and a functional display piece.

2. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age.
- **Recommended Age:** This building set is recommended for ages 12 years and older. Adult supervision is advised for younger builders.
- **Material:** All components are made from safe and durable plastic.
- Keep all packaging materials away from children to prevent suffocation.

3. PACKAGE CONTENTS

Your HIGH GODO Techink Sport Car Building Blocks set includes:

- 1391 x Building Block Pieces (various shapes and sizes)
- 1 x Detailed Instruction Manual (this document)

Please verify all components are present upon opening the package. If any parts are missing or damaged, please contact customer support.

4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included printed manual for optimal assembly. The building process is designed to be intuitive, but careful attention to detail will ensure a stable and accurate model.

4.1 General Assembly Tips

- **Organize Pieces:** Before starting, sort the building blocks by color, size, or type to streamline the assembly process.
- **Follow Sequence:** Adhere strictly to the numbered steps in the instruction manual. Do not skip steps.
- **Secure Connections:** Ensure all blocks are firmly pressed together to create stable connections.
- **Review Each Step:** Double-check your work after each step to prevent errors that may require disassembly later.

5. OPERATING FEATURES

The HIGH GODO Techink Sport Car model incorporates several functional and realistic features:

Steering Wheel Synchronization

Mimicking the vehicle's movements, wheels rotate in unison with the steering wheel

Luminescent Headlights

Utilizing special materials, headlights illuminate the darkness

5.1 Gullwing Doors

The model features functional gullwing doors that can be opened upwards, mimicking the design of classic sport cars. This allows for a clear view of the detailed cockpit interior.

5.2 V6 Turbocharged Engine

A meticulously replicated V6 turbocharged engine is integrated into the rear of the vehicle. This engine includes a unique linkage mechanism where pistons operate during driving, providing an interactive and realistic experience.

Technic Supercar

5.3 Steering Wheel Synchronization

The front wheels are designed to synchronize with the steering wheel. Turning the steering wheel will cause the front wheels to rotate in unison, enhancing the playability and realism of the model.

5.4 Luminescent Headlights

The model is equipped with special luminescent headlights that can illuminate, adding an extra layer of detail and functionality to your sport car replica.

6. MAINTENANCE

To ensure the longevity and appearance of your HIGH GODO Technic Sport Car model, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For more thorough cleaning, gently wipe with a damp

cloth and mild soap, then dry immediately. Avoid harsh chemicals or abrasive materials.

- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model with care, especially when operating movable parts like doors and steering, to prevent damage.

7. TROUBLESHOOTING

If you encounter any issues during assembly or with the completed model, please refer to the following:

- **Missing or Damaged Parts:** If you find any missing or damaged pieces, please contact HIGH GODO customer service with your product model number and a description of the issue.
- **Assembly Difficulties:** Review the instruction manual carefully. Sometimes, a small oversight can lead to difficulties. Ensure all blocks are correctly oriented and firmly connected.
- **Loose Connections:** If parts feel loose, gently press them together more firmly.

8. SPECIFICATIONS

Feature	Detail
Model Number	6871
