Amopatio 4 Pcs/4 Seats&Fire Pit Table

Amopatio Outdoor Patio Furniture Set with 44-inch Fire Pit Table Instruction Manual

Model: 4 Pcs/4 Seats&Fire Pit Table

INTRODUCTION

This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your Amopatio Outdoor Patio Furniture Set with 44-inch Fire Pit Table. Please read all instructions carefully before use and retain this manual for future reference.

SAFETY INFORMATION

WARNING:

- Do not touch the fire pit table while in use or immediately after use to avoid burns. Allow the table to cool down completely before handling.
- Ensure proper ventilation when operating the fire pit.
- Keep children and pets away from the fire pit during operation.
- Always follow local regulations and codes for propane gas appliance installation and use.

PACKAGE CONTENTS

Your Amopatio Outdoor Patio Furniture Set is delivered in multiple packages (typically 4). Please verify all components are present before beginning assembly. If any parts are missing or damaged, contact customer service immediately.

- Sofa sections (quantity varies by set configuration)
- Fire Pit Table
- Cushions (seat and back)
- Hardware kit for assembly
- Waterproof cover
- Detailed installation instructions (separate document)

SETUP AND ASSEMBLY

Refer to the detailed installation instructions provided in your package for step-by-step assembly. The furniture is designed for straightforward assembly.

Key Assembly Notes:

- Ensure all connections are secure but do not overtighten until all parts are loosely fitted.
- The sofa bases are equipped with 2-inch adjustable feet. Adjust these as needed to ensure stability and level positioning on uneven surfaces.
- Place cushions on the assembled furniture. Note the anti-slip design on the back of the cushions for added safety.

PRODUCT DIMENSIONS

Image: Product dimensions for the sofa sections and fire pit table. The two-seater sofa measures 55 inches in width. The single chairs are 29.5 inches wide and 28.7 inches deep. The fire pit table is 44.5 inches long, 23.3 inches wide, and 26 inches high.

OPERATING THE FIRE PIT TABLE

The fire pit table is CSA-certified and designed for safe outdoor use. It uses a standard propane tank (not included).

Ignition Procedure:

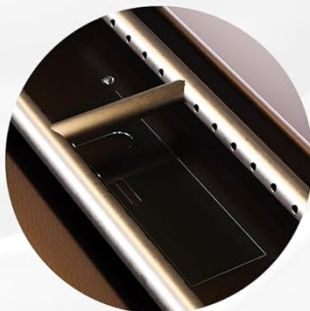

1. Ensure the propane tank is securely connected and the gas valve on the tank is fully open.
2. Locate the control knob on the side of the fire pit table.
3. Push and turn the control knob to the "ON" position while simultaneously pressing the igniter button.
4. Hold the knob for 10-15 seconds after ignition to ensure the flame is established.
5. Adjust the flame height using the control knob.

Shut-down Procedure:

1. Turn the control knob to the "OFF" position.
2. Close the gas valve on the propane tank.
3. Allow the fire pit to cool completely before placing the lid or waterproof cover.

▶ Swing door design

▶ 304 Stainless steel burner H pipes

▶ Push-button & Adjustable flame

▶ With fire pit lid Turn into a regular table

Image: The fire pit table features a 50,000 BTU burner, a swing-door design for propane tank access, a 304 stainless steel H-burner, a push-button and adjustable flame control, and a lid to convert it into a regular table when not in use.

Video: This video demonstrates the features of the Amopatio Patio Furniture Set, including the hand-woven rattan, soft pillows, comfortable rebound cushions, high-back support for relaxation, splash-proof fabric, and the operation of the fire pit table. It also highlights the non-slip cushion safety and the spacious storage coffee table.

MAINTENANCE

Cleaning the Furniture:

- The PE resin wicker can be cleaned with a soft cloth, mild soap, and water. Rinse thoroughly and allow to air dry.
- Cushion covers are made of polyester fiber and are designed to be splash-proof and easy to clean. Spot clean with a damp cloth and mild detergent. For deeper cleaning, covers can be removed via the smooth zipper and hand washed or machine washed on a gentle cycle with cold water. Air dry only.
- The 304 stainless steel H-burner in the fire pit should be kept clean and free of debris.

Protection:

- Use the complimentary waterproof cover to protect the furniture from sunlight, rain, and dust when not in use. This helps prolong the lifespan of the set.
- Store cushions indoors during prolonged periods of inclement weather or off-season to maintain their quality.

WATERPROOF COVER

Durable and waterproof
60D Oxford fabric

Toggle-equipped
elastic hem

Emphasize the
durable feature

Image: The furniture set is shown covered with a durable and waterproof 600D Oxford fabric cover, featuring a toggle-equipped elastic hem for a secure fit and UV protection.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Fire pit does not ignite.	Propane tank valve closed, low propane, igniter issue, gas line obstruction.	Ensure tank valve is open. Check propane level. Verify igniter spark. Check gas line for kinks or blockages.
Unstable furniture.	Uneven ground, adjustable feet not properly set.	Adjust the 2-inch adjustable feet on the bottom of the sofa and table until stable.

Problem	Possible Cause	Solution
Cushions sliding.	Cushions not properly positioned.	Ensure cushions are placed with the anti-slip side facing down on the furniture base.
