VINGVO Crescent Moon Nail Table Lamp Instruction Manual

Model: g3jh4

1. INTRODUCTION

Thank you for choosing the VINGVO Crescent Moon Nail Table Lamp. This manual provides essential information for the safe and effective use of your new lamp. Please read it thoroughly before operation and retain it for future reference.

This versatile LED lamp is designed to provide optimal illumination for various detailed tasks, including nail art, tattooing, eyelash extensions, and other beauty procedures. Its adjustable features and ergonomic design enhance user comfort and precision.

2. PRODUCT OVERVIEW

Key Features:

- **Crescent Moon Design:** Provides wide, even illumination, minimizing shadows and reducing eye strain.
- **Adjustable Brightness:** Features 10 levels of brightness to suit various lighting needs.
- **Color Temperature Control:** Offers 3 color temperature settings (3000K-6000K) for customizable lighting environments.
- **Flexible Phone Holder:** Integrated phone holder compatible with most smartphones, allowing for adjustable orientation to record videos or display content.
- **Foldable and Portable:** Lightweight and foldable design for easy setup, storage, and transport.
- **Durable Construction:** Made from ABS, PC, and iron materials.

Package Contents:

- 1 x VINGVO Crescent Moon Nail Lamp
- 1 x Tweezers
- 2 x Bases
- 1 x Power Adapter
- 1 x Storage Bag
- 1 x User Manual

3. SETUP INSTRUCTIONS

1. **Unpack Components:** Carefully remove all items from the packaging.
2. **Attach Bases:** Securely attach the two bases to the ends of the lamp arm. Ensure they are firmly in place to provide stability.
3. **Position the Lamp:** Place the lamp on a stable, flat surface.
4. **Connect Power:** Insert the DC plug of the power adapter into the lamp's power interface. Then, plug the adapter into a suitable electrical outlet.
5. **Adjust Phone Holder (Optional):** If using the phone holder, attach your smartphone and adjust its orientation as desired.

4. OPERATING INSTRUCTIONS

- Power On/Off:** Press the power button (typically located on the lamp arm or base) to turn the lamp on or off.
- Adjust Brightness:** Use the brightness control buttons (often marked with '+' and '-' or a dial) to cycle through the 10 available brightness levels.
- Change Color Temperature:** Use the color temperature control button (often marked with a sun icon or 'M' for mode) to switch between the 3 color temperature modes: 3000K (Warm Light), 4500K (Natural Light), and 6000K (Cool Light).
- Positioning:** The lamp's crescent shape is designed to provide optimal, shadow-free illumination. Position the lamp over your work area for best results.

5. MAINTENANCE

- **Cleaning:** Disconnect the lamp from the power source before cleaning. Use a soft, dry cloth to wipe the lamp surface. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, fold the lamp and store it in the provided storage bag to protect it from dust and damage.
- **General Care:** Avoid exposing the lamp to excessive moisture or direct sunlight. Do not attempt to disassemble the lamp or replace the LED chips yourself.

6. TROUBLESHOOTING

If you encounter any issues with your VINGVO Crescent Moon Nail Table Lamp, please refer to the following common solutions:

- **Lamp does not turn on:**
 - Ensure the power adapter is securely plugged into both the lamp and a working electrical outlet.

- Check if the power outlet is functional by plugging in another device.
- **Light flickers or is dim:**
 - Verify the power connection.
 - Adjust the brightness settings to a higher level.
- **Phone holder is unstable:**
 - Ensure your phone is properly secured within the holder's clamps.
 - Tighten any adjustable joints on the phone holder if applicable.

If the problem persists after attempting these solutions, please contact customer support for further assistance.

7. SPECIFICATIONS

Specification	Detail
Model Number	g3jh4
