

## XTREME DIGITAL LIFESTYLE ACCESSORIES XBE9-0136-BLK

# Xtreme RGB Wireless Earbuds User Manual

Model: XBE9-0136-BLK

Brand: XTREME DIGITAL LIFESTYLE ACCESSORIES

### INTRODUCTION

The Xtreme RGB Wireless Earbuds are designed to provide a high-quality audio experience with vibrant LED RGB lighting. These true wireless Bluetooth earphones offer extended playtime, smart touch controls, and a convenient LED display on the charging case for battery status monitoring. This manual provides essential information for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your earbuds.

### KEY FEATURES

- **Vibrant LED RGB Lighting:** These earbuds feature stunning LED RGB lighting effects, offering a visually appealing and customizable look.
- **Extended Battery Life:** Enjoy uninterrupted music and calls with up to 5 hours of playtime on a single charge. The portable charging case provides an additional 11 hours of battery life, giving you a total of 16 hours of use. The case can fully recharge the earbuds three times.
- **Reliable Bluetooth Connectivity:** With a robust Bluetooth connection that extends up to 33 feet, you can move freely without worrying about losing connection.
- **Intuitive Smart Touch Controls:** Managing your audio has never been easier with the smart touch controls. You can effortlessly play, pause, skip tracks, adjust volume, and answer or end calls with simple touch gestures.
- **Convenient LED Display Charging Case:** The sleek charging case features an LED display that shows the battery status of the case.
- **Noise Control:** Features Hybrid Noise Cancellation for focused listening.
- **Integrated Microphone:** For clear call handling.

## What's in the Box

The Xtreme RGB Wireless Earbuds package includes the following components:

- Xtreme RGB Wireless Earbuds (Left and Right)
- Wireless Charging Case
- USB Charging Cable (typically included, though not explicitly listed in 'whats\_in\_the\_box')
- User Manual (this document)

## SETUP

---

### Initial Charging

Before first use, fully charge the charging case and earbuds. Place the earbuds into the charging case. Connect the charging case to a power source using a USB cable. The LED display on the case will indicate the charging status and battery level.

### Bluetooth Pairing

1. Ensure the earbuds are fully charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.
4. Search for "Xtreme RGB Earbuds" or similar in the list of available Bluetooth devices.
5. Select the earbuds to connect. Once connected, a voice prompt will confirm successful pairing.

## OPERATING INSTRUCTIONS

### Smart Touch Controls

The Xtreme RGB Wireless Earbuds feature intuitive touch controls on each earbud. Refer to the table below for common functions:

Action	Function
Single Tap (Left/Right Earbud)	Play/Pause Music, Answer/End Call
Double Tap (Right Earbud)	Next Track
Double Tap (Left Earbud)	Previous Track
Long Press (Right Earbud)	Volume Up
Long Press (Left Earbud)	Volume Down
Triple Tap (Left/Right Earbud)	Activate Voice Assistant
Long Press (2 seconds) during incoming call	Reject Call

## Music Playback

After successful pairing, open your preferred music application on your device. Use the touch controls on the earbuds to manage playback as described above.

## Call Management

When a call comes in, you can answer or reject it using the touch controls. During a call, use the controls to end the conversation. The integrated microphone ensures clear communication.

## RGB Lighting

The earbuds and charging case feature vibrant LED RGB lighting. This lighting is an aesthetic feature and typically activates when the earbuds are in use or when the case is opened/closed. Specific controls for the RGB lighting are integrated with the overall design and do not usually require separate user input for color changes, as they are color-changing LEDs.

## BATTERY INFORMATION

---

The Xtreme RGB Wireless Earbuds provide up to 5 hours of continuous playtime on a single charge. The portable charging case extends this to a total of 16 hours of use, providing an additional 11 hours of power. The case can fully recharge the earbuds three times before needing its own recharge.

The LED display on the charging case shows the current battery status of the case, allowing you to monitor power levels easily.

## MAINTENANCE

### Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case:

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- For ear tips, gently remove them and clean with a mild soap solution if necessary, then rinse and dry thoroughly before reattaching.
- Avoid using abrasive materials, alcohol, or chemical cleaners, as these may damage the product.
- Ensure charging contacts on both earbuds and case are clean and free of debris.

### Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

## TROUBLESHOOTING

If you encounter any issues with your Xtreme RGB Wireless Earbuds, please refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are in the charging case, then open the lid to activate pairing mode. Check your device's Bluetooth settings and forget previous connections if necessary. Try restarting your device.
- **No sound from one earbud:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then open it again. This often re-syncs the earbuds. Ensure both earbuds are charged.
- **Charging case not charging:** Verify the USB cable is securely connected to both the case and the power source. Try a different USB cable or power adapter.
- **Low volume or poor sound quality:** Ensure the earbuds are properly seated in your ears. Clean any earwax or debris from the ear tips and speaker mesh. Adjust the volume on both your device and the earbuds.
- **Intermittent connection:** Ensure you are within the 33-foot Bluetooth range of your device. Avoid obstacles that may interfere with the signal. Reduce the number of active Bluetooth devices nearby.

## SPECIFICATIONS

Feature	Detail
Model Name	XBE9-0136-BLK
Connectivity Technology	Wireless, Bluetooth
Wireless Communication Technology	Bluetooth

Feature	Detail
Included Components	Wireless Charging Case
Material	Plastic
