## MAINTENANCE

---

Proper care will extend the life and appearance of your patio furniture set.

- **General Cleaning:** Wipe the rattan and steel frames with a damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly.
- **Tempered Glass Top:** The glass tabletop can be cleaned with a damp cloth and a standard glass cleaner. Avoid abrasive materials that could scratch the surface.
- **Cushion Care:** The cushion covers feature a zippered design for easy removal. They can be hand-washed or machine-washed on a gentle cycle with cold water. Air dry only; do not tumble dry. Ensure cushions are completely dry before re-attaching or storing to prevent mildew.
- **Weather Protection:** While the rattan is designed to withstand weather variations, covering the furniture during prolonged periods of harsh weather or when not in use can further protect it and extend its lifespan.

## TROUBLESHOOTING

If you encounter any issues with your patio furniture set, please refer to these common solutions.

- **Wobbly Furniture:** Ensure all bolts and screws are securely tightened. If the issue persists, check if the furniture is on an even surface. Adjustable footpads (if present) can help level the pieces.
- **Cushions Not Fluffy:** Allow new cushions some time to expand after unpacking. If they become compressed over time, fluff them regularly.
- **Rattan Damage:** Minor fraying can sometimes be carefully trimmed. For significant damage, contact customer support.
- **Glass Top Scratches:** Use coasters under items to prevent scratches. Minor scratches may be reduced with specialized glass polish, but deep scratches are permanent.
