

MagSound X1

MagBeat Bluetooth Speaker with Magnetic Wireless Charger (Titanium) Instruction Manual

Model: X1 | Brand: MagSound

INTRODUCTION

The MagBeat Bluetooth Speaker with Magnetic Wireless Charger is a versatile and portable audio device designed for superior sound quality and convenience. Featuring a robust aluminum unibody, IPX7 waterproof rating, and a built-in magnetic mount for wireless charging and phone stand functionality, it is ideal for both indoor and outdoor use. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your MagBeat speaker.

WHAT'S IN THE BOX

- MagBeat Bluetooth Speaker
- Power Cable
- Quick Start Guide
- Microphone
- Warranty Card

PRODUCT FEATURES

The MagBeat speaker offers a range of features designed for an enhanced audio experience and user convenience:

- **Immersive Sound:** Delivers crystal-clear audio and booming bass.
- **Magnetic Wireless Charger & Mount:** Securely holds and wirelessly charges compatible phones.
- **Long-Lasting Battery:** Up to 10 hours of playtime on a single charge.
- **Durable & Waterproof:** IPX7 water-resistant rating and aluminum unibody design.
- **TWS Stereo Sync:** Pair two MagBeat speakers for true stereo sound.
- **LED Equalizer:** Vibrant LED lights that react to your music.
- **Mag-Safe Compatible:** Directly attaches to the back of MagSafe-enabled phones for use as a stand.
- **Superior Bluetooth 5.0:** Fast pairing and stable connection up to 33 feet.
- **Hands-Free Functionality:** Transforms into a phone stand for media consumption or video calls.

SETUP

Charging the Speaker

Before first use, fully charge your MagBeat speaker. Connect the provided power cable to the charging port on the speaker and plug the other end into a USB power adapter (not included). The LED indicator will show charging status and turn off when fully charged.

Powering On/Off

- **To Power On:** Press and hold the Power button for 2-3 seconds until you hear an audible prompt and the LED indicator lights up.
- **To Power Off:** Press and hold the Power button for 2-3 seconds until you hear an audible prompt and the LED indicator turns off.

Bluetooth Pairing

1. Ensure the MagBeat speaker is powered on and in pairing mode (LED indicator will flash).
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "MagBeat" from the list of devices.
4. Once connected, the LED indicator will turn solid, and you will hear a confirmation sound.

TWS Stereo Sync (Pairing Two MagBeat Speakers)

1. Ensure both MagBeat speakers are powered on and not connected to any other Bluetooth device.
2. On one speaker (this will be the primary speaker), double-press the Power button. It will enter TWS pairing mode.
3. The primary speaker will automatically search for and connect to the secondary speaker.
4. Once connected, both speakers will emit a confirmation sound, and their LED indicators will synchronize.
5. Now, connect your device to the primary MagBeat speaker via Bluetooth as described in the "Bluetooth Pairing" section. Audio will play in stereo through both speakers.

OPERATING INSTRUCTIONS

Playing Audio

- After successful Bluetooth pairing, play audio from your connected device.
- Adjust volume using your device's volume controls.
- The speaker's physical buttons may offer play/pause and track skipping functionality (refer to Quick Start Guide for specific button functions).

Using as a Wireless Charger

The MagBeat speaker features a built-in magnetic wireless charger. Simply align your MagSafe-compatible phone or phone with a MagSafe case to the center of the speaker's top surface. The phone will magnetically attach, and wireless charging will begin automatically if the speaker is powered on and has sufficient battery or is connected to power.

Using as a Phone Stand

When magnetically attached to your phone, the MagBeat speaker can serve as a convenient phone stand. Position your phone horizontally or vertically for hands-free viewing of videos, video calls, or browsing.

LED Equalizer Modes

The MagBeat speaker features dynamic LED lights. Press the dedicated LED button (if available, refer to Quick Start Guide) or cycle through modes by short-pressing the Power button (if no dedicated LED button) to change the lighting effects or turn them off.

MAINTENANCE

- **Cleaning:** Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.

- **Battery Care:** To prolong battery life, avoid fully discharging the speaker frequently. Charge it regularly, even if not in use for extended periods.
- **Water Resistance:** While IPX7 waterproof, avoid prolonged submersion or exposure to saltwater. Ensure the charging port cover is securely closed before exposure to water.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Speaker does not power on	Low battery; Power button not pressed long enough	Charge the speaker; Press and hold the Power button for 2-3 seconds
Cannot pair via Bluetooth	Speaker not in pairing mode; Device Bluetooth off; Speaker connected to another device	Ensure speaker LED is flashing; Turn on device Bluetooth; Disconnect from other devices
No sound	Volume too low; Device not connected; Audio source paused	Increase volume on device; Re-pair Bluetooth; Check audio playback on device
Wireless charging not working	Phone not aligned; Phone not compatible; Speaker not powered on/low battery	Re-align phone; Ensure phone is MagSafe compatible; Power on speaker or charge it
TWS pairing fails	Speakers too far apart; One speaker already paired to a device	Place speakers closer; Ensure both speakers are disconnected from other devices before TWS pairing
